<b>1</b>	Mr. Shabir Ahmed Shaikh,	Director General Excise & Taxation Sindh Karachi.	Chairman
<b>2.</b>	Mr. Guljee,	Assistant Accountants Officer Accountant General Sindh, Karachi.	Member
<b>3.</b>	Mr. Ayaz Ahmed Uqaili,	Chief Digital Officer, HBFC, Karachi.	Member

The meeting started with the recitation from Holy Quran. The Chair welcomed the participants the Director Excise & Taxation (Admn/MVR), Karachi, briefed the committee that M/s. Pakistan Treading House and Jamal and Sons participated in bidding process of Tax Token Stickers and technically qualified and obtained Marks 100 / 100 and 80 /100 respectively, whereas, the Procurement Committee substantially responsive all requirements of bidding documents being the first lowest priced bidder was recommended for further process.

The objection raised by the complainant that while scrutiny of documents by the technical committee has falsely and incorrectly mentioned in the report that technical committee scrutinized all the documents submitted by both bidders as specified in bidding

documents for the technical qualification. He has mentioned that mandatory requirements according to tender documents i.e. an affidavit on stamp paper of Rs.100/- that the firm has not been blacklisted from any Government Department and the bid shall be evaluated in accordance with evaluation criteria and other terms and conditions set forth in the bidding documents is required to be enclosed alongwith bid. Whereas, successful bidder has not enclosed the required documents and provide only a certificate on simple letter head, whereas, technical committee definitely ignored the same and qualify a company which must not be recommended and be disqualified. The technical committee despite his observations raised before the forum did not address the same and even did not incorporate in the minutes issued in this regard. The Chairman Procurement Committee present during the meeting also admit that the observations raised by the participant bidder are not mentioned in the minutes. The complainant has requested to reject the recommendation of technical committee and procurement committee for Jamal and Sons and award the contract to Pakistan Treading House as it has qualified in technical criteria and secured 100/100 marks and also have experience of Printing of Tax Token Stickers.

The Committee thoroughly examined the record. According to minutes of meeting and bid evaluation report M/s. Pakistan Treading House and M/s. Jamal and Sons qualified technically as secured 100/100 and 80/100 marks respectively and M/s. Jamal and Sons being the first lowest bidder with Rates Rs.9.86 per sticker as compared to other participants bidder, M/s. Pakistan Treading House, with Rate Rs.12.30 was recommended.

After, thorough examination of the record / documents and discussion, the Complaint Redressal Committee annul in whole the decision of the Procurement Committee as provided in Rule (31)(4)(b) of SPPARA Rules, 2010, (Amended 2019), Procurement Committee may re-issue tender after fulfillment of required codel formalities as per SPPRA Rules 2010 (amended 2019).
