DATED: 24/08/2020

**SUBJECT: MINUTES OF MEETING OF COMPLAINT REDRESSAL COMMITTEE (CRC)
MEETING HELD ON 24-08-2020.**

The Chairman CRC received following complaints of M/s Kashif Constructor's

- i. Letter No.KC/PD/BBSUTSD/KHP/2600 dated: 07-08-2020 through SPPRA vide letter No.AD(L-II)/SPPRA/CMS-154/2019-20/0397 dated: 17-08-2020 received on 18-08-2020 (**Annex-I**).
- ii. Letter No.KC/CRC/PD/BBSUTSD/KHP/2602 dated: 17-08-2020 received on 18-08-2020 (**Annex-II**).

As per SPP Rule# 31(5) of SPP Rule 2010, "The Complaint Redressal Committee shall announce its decision within seven days and intimate the same to bidder and the authority within three working days."

In the connection the Chairman called a CRC meeting vide letter No.BBSUTSD/KHP/Dean-2020/117 dated 20-08-2020 in which Member/Chairman Procurement Committee was called to appear before the Committee and submit relevant record. The CRC also provided opportunity to the complainant vide letter No.BBSUTSD/KHP/Dean-2020/118 dated 20-08-2020 to appear before the CRC along with relevant documents and record his statement/written statement.

CRC meeting was held on 24-08-2020 at 1:00 pm in the Conference Hall, BBSUTSD, Khairpur Mirs. The meeting was chaired by Professor Dr Hussain Bux Marri, Dean Faculty of Engineering Technology, BBSUTSD Khairpur Mirs. The meeting started with the recitation of the Holy Quran and followed by the introduction of Committee members. The list of participants (**Annex-III**).

The Chair in his opening remarks welcomed all the members and briefed them that complaints received from M/s Kashif Constructor's, Khairpur against the NIT issued by the Benazir Bhutto Shaheed University of Technology and Skill Development (BBSUTSD), Khairpur Mirs (Procuring Agency).

Discussion:

The CRC called complainant Mr. Muhammad Kashif, CEO, M/s Kashif Constructor's who appeared before the CRC on 24-08-2020. The complainant was asked to submit his written statement but:

"He did not submitted any written statement and requested the CRC that earlier submitted complaint may be considered as my written statement. He further stated that the NIT does not comply SPP Rules.

- i. He stated that pre bid meeting is required in this case as per IB.17.
- ii. He further stated that as per prudent practice the procuring agency required to ask bidders to have project work experience worth 50% of the estimated cost.

However, the Chairman CRC read out IB.17 wherein it was not mentioned anywhere that pre bid meeting is mandatory required. Therefore, for pre bid meeting clarification(s) is required from the bidder. In this case despite of providing advice from Project Director, BBSUTSD Khairpur Mirs vide letter No.BBSUTSD/PD/KHP/-227 dated 11-08-2020 to CEO, M/s Kashif Constructor's, he did not further requested for clarification(s).

Further, the CRC referred clause (2.16) A(i) & (iv) Regulations for Procurement of Works (2013) and same was showed to CEO, M/s Kashif Constructor's and his concern was satisfactorily clarified/resolved.

- iii. He also requested to CRC for extension of date on sympathetic consideration.
- iv. He conceded before the CRC in his verbal statement that his firm did not submit the bid documents on the given date and time as per NIT."

The CRC asked Chairman, Procurement Committee for his stance upon the complaints. The Chairman, Procurement Committee referred and read out SPP Rule# (23) before the CRC and submitted written statement along with relevant documents to the CRC (Annex-IV). He explained that the NIT was prepared as per SPP Rules and after approval of the authority same was released in the national newspapers by the Procuring Agency.

Findings:

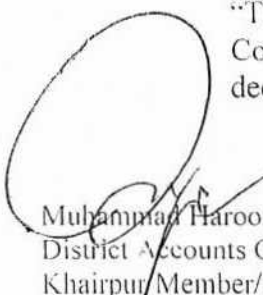

The CRC after hearing both the parties i.e Chairman, Procurement Committee and Mr. Muhammad Kashif, CEO, M/s Kashif Constructor's, and after review of the written documents/statements submitted by Chairman, Procurement Committee and complaint/verbal statement of complainant in light of the SPP Rules 2010 and found as under:

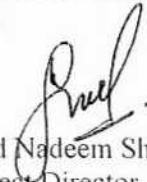

- i. That the queries raised by complainant during his verbal statement and in written complaint were deviating from the SPP Rules. The complainant was given full opportunity to prove his raised queries from SPP Rules but he can not prove.
- ii. It has been noted at para 2 of the complaint dated 07-08-2020 that, "the bidders to have the projects work experience worth 50% of the estimated cost" is incorrect and misleading whereas the turnover/experience mentioned in the NIT is in accordance with the SPPRA's clause (2.16) in the Guidelines/Regulations for procurement of works.
- iii. Therefore, no justified ground was observed in the complaint on the basis of which the pre bid meeting may be called. However, pre bid meeting call is not mandatory in this work.
- iv. Mr. Muhammad Kashif, CEO, M/s Kashif Constructor's conceded during the personal appearing before the CRC in his statement that his firm did not submit the bid documents on the given date and time as per NIT.

Decision :

The CRC after heard both the parties and in light of the SPP Rules has decided that:

"The complaint submitted by Mr. Muhammad Kashif, CEO, M/s Kashif Constructor's is not based on the facts, hence cannot be considered and hereby declined / rejected."

SUBJECT: REQUEST FOR CALL UP THE PRE BID MEETING AS PER CLASUE IB.17.**Reference:** i. Your letter No.KC/PD/BBSUTSD/KHP/2600 dated: 07-08-2020 (received on 10-08-2020 at 4:00 pm) through TCS.

The contents of letter under reference have been reviewed. As per SPP Rule # 23(1), the same is reproduced as under:

"An interested bidder, who has obtained bidding documents, may request for clarification of contents of the bidding document in writing, and procuring agency shall respond to such queries in writing within three calendar days, provided they are received at least five calendar days prior to the date of opening of bid: Provided that any clarification in response to a query by any bidder shall be communicated to all parties who have obtained bidding documents."

As per above mentioned SPP Rule, your request for clarification is ambiguous. However, it is pertinent to mention here that no any such condition has been included in the NIT that is in contradiction with the SPP Rule #44.

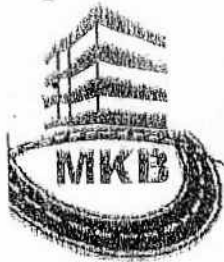

The query raised at para 2 of your letter that, "the bidders to have the projects work experience worth 50% of the estimated cost" is incorrect and misleading whereas the turnover/experience mentioned in the NIT is in accordance with the SPP Rules/Regulations for procurement of works.

In view of the above, you are advised to notify in writing your clear request for clarification(s) in respect of contents Bidding Documents enabling the Procuring Agency to respond your request in time.

(2) Any request for clarification in the bid, made by the procuring agency, shall invariably be in writing. The response to such request shall also be in writing.

44. Discriminatory and difficult conditions. - Save as otherwise provided, no procuring agency shall introduce any condition which discriminates among bidders. In ascertaining the discriminatory nature of any condition reference shall be made to the ordinary practices of that trade, manufacturing, construction business or service to which that particular procurement is related.

45. Announcement of evaluation reports. - Procuring agencies shall announce the results of bid evaluation in the form of a report giving reasons for acceptance or rejection of bids. The report shall be hoisted on website of the Authority and that of the procuring agency if its website exists and intimated to all the bidders at least seven (07) days prior to the award of contract.

46. Procedures of open competitive bidding. - Save as otherwise provided in these rules, the following procedures shall be permissible for open competitive bidding:

(1) Single Stage. - One Envelope Procedure -

(a) Notice Inviting Tenders and bidding documents of this method shall contain the following eligibility criteria:

(i) relevant experience;

(ii) turn-over of at least last three years;

REGULATIONS FOR PROCUREMENT OF WORKS (2013)

- (i) in cases of contracts for large and complex works and services, or in any other circumstances in which there are high costs of preparing detailed bids;
- (ii) in the contracts to be let under turnkey, design and build, or Management contracts;
- (iii) in case of procurement of expensive and technically complex civil and mechanical works to ensure that invitations to bid are extended only to those who have adequate capabilities and resources.

2.16 Evaluation Criteria.

Pre-qualification of bidders shall be based entirely upon the capability and resources of the prospective bidders to perform the particular contract satisfactorily and evaluated in terms of criteria set forth in the notices of bidding documents. The information/documents required shall include but not limited to following :-

(A) Evaluation criteria based on quantification (In this method marks are assigned for each sub-criteria as mentioned in NITs & minimum threshold or percentage of marks required is to be mentioned for qualification)

(i) Experience and past performance.

Successful experience as prime contractor in the execution of at least one to three projects within the last five years :

- (a) of similar nature and complexity comparable to the proposed contracts;
- (b) in similar sub/geographical conditions;
- (iii) Personnel Capabilities.

REGULATIONS FOR PROCUREMENT OF WORKS (2013)

Rule 29(4). Pre-qualification is made on tender to tender basis and is valid for such project/scheme only.

Prequalification is the basic tool to :

- (i) encourage realistic bids by the bidders because they know that they are competing against qualified bidders who have cleared the minimum competence criteria;
- (ii) assess the interest of the prospective bidders in the bidding process;
- (iii) make any adjustments/modifications in the bidding documents if their lack of interest by the prospective bidders;
- (iv) reduce the effort and so the time in evaluation of bids from un-qualified bidders;
- (v) help the interested bidders to evaluate and take stock of their capability and consequently to form joint ventures with other firms;
- (vi) reduce the problems associated with low priced bids from bidders of doubtful capability and;
- (vii) help the prospective bidders who are insufficiently qualified and where the preparation of detailed tenders can be costly which may discourage competition if the interested bidders feel that they are competing against a large number of bidders.

2.15 Contracts/Assignments where pre-qualification is preferred.

A procuring agency, prior to the floating of tenders, invitation to proposals or offers in procurement proceedings, may engage in pre-qualification of bidders in the following cases:-

Requirement will vary from project to project. However following factors should be given due consideration :-

(a) For Key Positions.

Academic qualification

- BE/B.Sc. Engineering or equivalent qualification approved by PEC.

Experience

- 2 or more similar projects
- 5 to 10 years

(b) For other Engineering Positions

Academic qualification

- BE/B.Sc. Engineering or equivalent qualification approved by PEC.

Experience

- 1 or more similar projects
- 3 to 5 years

(c) For other Positions

Procuring Agency shall assess and specify the experience & qualification requirements for other positions.

(iii) Equipment Capability

Procuring Agency should specify critical equipment

required for the project. High value equipment may be available with contractor on ownership basis, lease or hire. However the same shall be subject to achievement of project targets without abnormal failures.

(iv) Financial

- Documentary evidence of financial position, e.g. a bank statement or audited accounts of the last two to three years.

Annual turnover for construction be either equal or twice the estimated cost of project.

(v) Other information.

- Litigation history and arbitration with government departments and their outcome.
- Black listing (if any).

Provided that pre-qualification may be carried out for specific procurement/package/scheme/contact or project and will not be applicable for other schemes/contracts. The qualification of the contractors will cease with completion of such project/scheme.

Applicants meeting the eligibility and minimum requirements mentioned in Para 2.16 besides other factors shall be considered for pre-qualification. No compromise shall be made on key personnel, academic qualification and experience. History of excessive contract arbitrations and litigation resulting in decision against the applicant can be considered sufficient grounds for dis-qualification.

- (B) Evaluation criteria based on Yes/No OR Pass/Fail
- In this system is made on knockout basis: thus if
