

P-1535/c

Underground Coal Gasification Project Thar

Subject: Prequalification of Firms for Syngas Power Generation System

- In the light of Letter No. SO(Coord.)/C&EDD/5-14/2013 dated 23-05-2013 a meeting of the committee is held at the office of Director General Sindh Coal Authority Karachi. The following members participated in the meeting:
 - Dr. Muhammad Salim Director /Site Incharge UCG Project Thar
 - Mr. Danish Saeed DG Sindh Coal Authority
 - Engr Ghulam Abbas Chief Engineer Electrical UCG Project Thar
 - Mumtaz Ali Gopang, Finance Department, Govt. of Sindh
 - Mr. Ejaz Khokhar Senior Accounts Officer UCG Project Thar

- UCG Team briefed the committee on the back ground of the case. The salient features of the briefing are as below:
 - Tendering in 2011
 - The tenders for Syn Gas Generators were invited through National Press. The tenders were purchased by 22 firms. A pre bid meeting was also conducted. In response the below given firms participated in the tender:
 - M/S Cummins Sales and Services
 - M/S Shengli Oil Field Shengli Power Machinery Group Co. Ltd C/O Forwarding Enterprise
 - M/S Orient Energy System Pvt Ltd
 - The offer of M/S Shengli Oil Field Shengli Power Machinery Group Co. Ltd C/O Forwarding Enterprise was Technically according to the specifications and lower in price. They were selected for award of the contract.
 - Due to delay in allocation of funds, the offer of the firm was cancelled being a time barred offer according to SPPRA rules.
 - Tendering in 2012
 - The tenders were reinvited through National Press. The tenders were purchased by 15 firms. In response the below given firms participated in the tender:

 mohammad salim

- M/S SM Jaffer and Co.
- M/S Cummins Sales and Services
- M/S Jaffer Brothers Ltd
- M/S Shengli Oil Field Shengli Power Machinery Group Co. Ltd
C/O Forwarding Enterprise

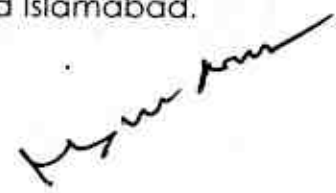

- The offers of the firms at a) to c) were rejected by the committee on Technical Grounds.
- The offer of M/S Shengli Oil Field Shengli Power Machinery Group Co. Ltd C/O Forwarding Enterprise was according to specifications but it was not supported with proper Bank Guarantee as against required Earnest Money.
- The tenders were therefore cancelled according to SPPRA rules.

- Prequalification

The matter was then taken up with the office of Secretary Coal and Energy Department. A meeting was held on 5-12-2012 on this issue where in the reps of the SPPRA also participated. After looking into various options, UCG Project was advised to invite applications for Pre-qualifications. The Prequalification Documents were prepared under the guidelines of SPPRA.

- Applications were invited through National Press and SPPRA Web Site for Prequalification of Firms for Syngas Power Generation System for UCG Project. [Copies attached]
- The below given firms purchased the Prescribed Prequalification Documents.

- M/S S.M. JAFFER & Co. Karachi
- M/S Emerging System Islamabad
- M/S PIDL Lahore
- M/S Petroflo Trading Company Islamabad
- M/S Project Support Services Asia Pvt. Ltd Lahore
- M/S ECHO WEST International (pvt) Ltd Lahore
- M/S ICEPAK Engineering Consultants Lahore
- M/S Link Lines (pvt) Ltd Lahore
- M/S Jaffer Brothers Pvt. Ltd Islamabad.

 mohammad salim

- The below given Firms submitted their documents for Prequalification:
 - M/S Jaffer Brother Private Limited, 26-D, Kashmir Plaza , Blue Area Islamabad.
 - M/S S.M. JAFFER & Co. 17, Timber Road, Keamari, Karachi
 - M/S Link Lines (Pvt) Limited, 1st Floor, Flat B 11 Main Gulberg, Lahore
- The documents submitted by M/S Jaffer Brother Private Limited with their request are for the Engines based upon Gas with 37- 40 CH₄ [Methane] component.
- The documents submitted by M/S S.M. JAFFER & Co. SMJ has enclosed Technical Catalogue of "Shengdong Gas Gensets" with their request for Prequalification but same has not been substantiated with any authorization from the Manufacturer or their Exporter. They provided a photocopy document about SUMEC GROUP China. The study of the document indicates that SUMEC are dealing in Generators fueled by, Concentrated Coal Mine Gas, Natural Gas from Oil Field and Biogas from Waste Water.
- ✓ The documents submitted by M/S Link Lines (Pvt) Ltd . They have supported their request with the catalogues of M/S "Shengdong Gas Gensets" with authorization certificate as well. The engines are according to UCG requirements. They have also indicated the population of their engines with proper certification of locations and end users certificates.
- UCG Project in order to maintain a transparency called all the three parties and meetings were held with them on the basis of the documents submitted by them. The firms at a) and b) were given an opportunity to explore market once again but unluckily they could not.
- UCG has experienced as a result of the tendering response that there is one party who is manufacturing the Engines suitable for operation on Syn Gas produced through Under Ground Coal Gasification Process.

A/. Committee after going through the details of the case ,

 3
 Mohammad Salim

recommends that the case may be referred to SPPRA for their Advice. The recommendations may be submitted to Secretary (C & EDD) Government of Sindh through Managing Director UCG Project Thar for final decision.

Subject: Working Paper / Briefing on the Case related with Prequalification of Firms for Syngas Power Generation System

The salient features of the briefing are as below:

1. Tendering in 2011

- i. The tenders for Syn Gas Generators were invited through National Press. The tenders were purchased by 22 firms. A pre bid meeting was also conducted. In response the below given firms participated in the tender:
 - a) M/S Cummins Sales and Services
 - b) M/S Shengli Oil Field Shengli Power Machinery Group Co. Ltd C/O Forwarding Enterprise
 - c) M/S Orient Energy System Pvt Ltd
- ii. The offer of M/S Shengli Oil Field Shengli Power Machinery Group Co. Ltd C/O Forwarding Enterprise was Technicaly according to the specifications and lower in price. They were selected for award of the contract.
- iii. Due to delay in allocation of funds, the offer of the firm was cancelled being a time barred offer according to SPPRA rules.

2. Tendering in 2012

- i. The tenders were reinvited through National Press. The tenders were purchased by 15 firms. In response the below given firms participated in the tender:
 - a) M/S SM Jaffer and Co.
 - b) M/S Cummins Sales and Services
 - c) M/S Jaffer Brothers Ltd
 - d) M/S Shengli Oil Field Shengli Power Machinery Group Co. Ltd C/O Forwarding Enterprise
- ii. The offers of the firms at a) to c) were rejected by the committee on Technical Grounds.
- iii. The offer of M/S Shengli Oil Field Shengli Power Machinery Group Co. Ltd C/O Forwarding Enterprise was according to specifications but it was not supported with proper Bank Guarantee as against required Earnest Money.
- iv. The tenders were therefore cancelled according to SPPRA rules.

3. Prequalification

The matter was then taken up with the office of Secretary Coal and Energy Department. A meeting was held on 5-12-2012 on this issue where in the reps of the SPPRA also participated. After looking into various options, UCG Project was advised to invite applications for Pre-qualifications. The Prequalification Documents were prepared under the guidelines of SPPRA.

4. Applications were invited through National Press and SPPRA Web Site for Prequalification of Firms for Syngas Power Generation System for UCG Project. [Copies attached]
5. The below given firms purchased the Prescribed Prequalification Documents.
 - i. M/S S.M. JAFFER & Co. Karachi
 - ii. M/S Emerging System Islamabad
 - iii. M/S PIDL Lahore
 - iv. M/S Petroflo Trading Company Islamabad
 - v. M/S Project Support Services Asia Pvt. Ltd Lahore
 - vi. M/S ECHO WEST International (pvt) Ltd Lahore
 - vii. M/S ICEPAK Engineering Consultants Lahore
 - viii. M/S Link Lines (pvt) Ltd Lahore
 - ix. M/S Jaffer Brothers Pvt. Ltd Islamabad.
6. The below given Firms submitted their documents for Prequalification:
 - a. M/S Jaffer Brother Private Limited, 26-D, Kashmir Plaza , Blue Area Islamabad.
 - b. M/S S.M. JAFFER & Co. 17, Timber Road, Keamari, Karachi
 - c. M/S Link Lines (Pvt) Limited, 1st Floor, Flat B 11 Main Gulberg, Lahore
7. The documents submitted by M/S Jaffer Brother Private Limited with their request are for the Engines based upon Gas with 37- 40 CH₄ [Methane] component.
8. The documents submitted by M/S S.M. JAFFER & Co. SMJ has enclosed Technical Catalogue of "Shengdong Gas Gensets" with their request for Prequalification but same has not been substantiated with any authorization from the Manufacturer or their Exporter. They provided a photocopy document about SUMEC GROUP China. The study of the document indicates that SUMEC are dealing in Generators fueled by, Concentrated Coal Mine Gas, Natural Gas from Oil Field and Biogas from Waste Water.
9. The documents submitted by M/S Link Lines (Pvt) Ltd . They have supported their request with the catalogues of M/S "Shengdong Gas Gensets" with authorization certificate as well. The engines are according to UCG requirements. They have also indicated the population of their engines with proper certification of locations and end users certificates.

10. UCG Project in order to maintain a transparency called all the three parties and meetings were held with them on the basis of the documents submitted by them. The firms at a) and b) were given an opportunity to explore market once again but unluckily they could not.
11. UCG has experienced as a result of the tendering response that there is one party who is manufacturing the Engines suitable for operation on Syn Gas produced through Under Ground Coal Gasification Process.
- ✓ 12. Now there are Three options available on which the recommendations from committee are solicited.
- a) To Scrap the Prequalification Exercise and go for afresh tendering as per procedure.
 - b) To invite the Tender on Proprietary basis if allowed under SPPRA rules.
 - c) Or any other option
13. The recommendations of the committee will be submitted to Secretary (C & EDD) Government of Sindh through Managing Director UCG Project Thar for final decision.
