## **EXPRESSION OF INTEREST FOR**

**"SUPPLY, INSTALLATION & COMMISSIONING OF HARDWARE, SOFTWARE & NETWORKING INCLUDING SOFTWARE DEVELOPMENT ALONGWITH SUPPORT & MAINTENANCE SERVICES FOR VARIOUS BOARD OF REVENUE OFFICES"**

Board of Revenue, Government of Sindh is entrusted with Enforcement and administration of Land Laws. Its functions include;

- Maintenance of Record of Rights, tenure, tenancy and restrictions on title of properties ;
- Assessment and collection of Land Tax, development cess, surcharges, water rate and any other levy assigned by the Government.
- Conducting land surveys in land utilization.
- Registration of deeds, documents and collection of registration fee.
- Management of judicial and non-judicial stamps.
- Collection of court fee and stamp fee.
- Reassessment and settlement.

The Project Management Unit, Board of Revenue, Government of Sindh through its already approved program is in the process of automation of all of the above functions of the Board of Revenue Sindh.

The program is aimed at computerization and automation of revenue processes for bringing about efficiency and transparency in providing services related to all of the functions of the Revenue Department and includes:

- Revamping of the existing manual business processes of BOR through computerization of the land and property record and transactions taking place at BOR.
- Automation of the functions of Board of Revenue through development of customized software.
- Establishing better administrative controls, transparency and promotion of the culture of facilitation in public services.
- Establishing Facilitation Centers for one window operations for verification, registration, and mutation services for land and properties.
- Establishing 'Management Information System' containing all revenue record and transactions taking place at Board of Revenue.
- Generation of reports and information for effective public policy and optimization of revenue collection.
- Supply, installation & commissioning of hardware, software & networking including software development alongwith support & maintenance services for various board of revenue offices.

A key factor in this initiative is to hire services of IT firms for "Supply, installation & commissioning of hardware, software & networking including software development alongwith support & maintenance services for various board of revenue offices" to ensure that appropriate

ICT infrastructure is available to embed the computerized system throughout various offices of Board of Revenue Sindh through National Competitive Bidding, under Sindh Public Procurement Rules, 2010.

Eligible firms or consortia of firms who are having the required capability and experience in development of vast ICT Infrastructures and software development may submit their Expression of Interest (EOI) for the assignment along with following information in duplicate:

1. Registration certificate of concerned professional and regulatory bodies.
2. Name, Address, Phone, Fax and E-mail Address along with postal and Telegraphic Address of registered head office and branch offices.
3. Name and Short CVs of Principal, Proprietor, Partners and Directors of the Firm.
4. Financial statement summary for the past **three** years.
5. National Tax Number of the firm along with proof of submission of last 03 (three) years Income Tax Return.
6. List of proposed Staff with resumes stating relevant experience, roles and responsibilities for the project. The core team of Interested Firm should comprise of certified personnel in the appropriate field.
7. Total personnel strength for the last one year.

BOR may reject all or any submissions at any time prior to the acceptance of submissions, subject to the relevant provisions of SPP Rules 2010.

  
Project Director (LARMIS)  
Board of Revenue, Sindh

## SECTION-II

### INFORMATION TO CONSULTANTS

- 2.1 BOR will Short list the prospective bidders, in accordance with the evaluation criteria given in this document, under SPP Rules, 2010.
- 2.2 Please note that the expenditure of preparing the EOI including any visit to BOR or the site is not reimbursable.
- 2.3 This EOI invites only the Expression of Interest on the assignment. No Consultant is to indicate, explicitly or impliedly, financial implication of their proposal. Revealing financial bid at this stage would disqualify the proposal altogether, under the provisions of SPP Rules, 2010. Only the short listed bidders would be provided with a detailed Request for Proposal (RFP) thereby giving them a reasonable opportunity to submit technical and financial proposals separately;
- 2.4 The interested firms/consortia of firms are to provide relevant information on the prescribed forms attached in this document. Any other format preferred by the firms may obscure material information and hence affect the evaluation process;
- 2.5 Minimum points to qualify the short-listing process are 80%, below which all proposals would be considered disqualified / non-responsive;
- 2.6 Firms/Consortia of firms or any of their affiliates shall not be hired for any assignment, which, by its nature, may be in conflict with another assignment, already awarded to them.
- 2.7 The interested firms/consortia of firms shall observe the highest standards of ethics during the selection and execution of such contracts. In pursuance of the policy i.e.
  - a. Corrupt practice means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the selection process or in contract execution, and fraudulent practice means a misrepresentation of facts in order to influence a selection process or the execution of a contract to the detriment of the BOR, and includes collusive practices among bidders (prior to or after submission of proposals) designed to establish prices at artificial, non-competitive levels and to deprive the BOR of the benefits of free and open competition.
  - b. BOR will reject an EOI for award if it determines that the firm recommended for short listing has engaged in corrupt or fraudulent activities in competing for the contract in question;

- c. BOR will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract if it at any time determines that the said firm has engaged in corrupt or fraudulent practices in competing for, or in executing the contract.
- 2.8 The competent authority may at any time cancel this solicitation without giving a reason.
- 2.9 The interested firms/consortia of firms may request a clarification in respect of any of the documents at least 5 working days before the EOI submission date. Any request for clarification must be sent in writing by post, facsimile or electronic mail to the BOR's address as indicated below. The BOR will respond in writing by post, facsimile or electronic mail to all invited firms and will send copies of the response to all invited Consultants who intend in submit EOI.

## SECTION-III

### OBJECTIVES OF THE ASSIGNMENT & INDICATIVE SCOPE OF SERVICES

#### Objectives of the Assignment

The Project Management Unit – Board of Revenue, is interested in contracting services of a firm(s) having extensive experience in knowledge of ICT infrastructure in terms of supply, installation & commissioning of hardware, software & networking including software development alongwith support & maintenance services, specifically tailored to safeguard the successful completion of the program. The PMU BOR seeks the following goals through procuring the above supervision services:

- *To ensure that high quality equipments & service to be delivered and to ensure that all works are carried out in full compliance with the technical specifications and other contract documents within the stipulated time period.*
- *To demonstrate the efficacy of contract by professional team of professionals experienced in this field of work.*
- *Gain an experienced team of experts, to implement and execute the task(s) effectively and in-line with the guidelines of the Project Management Unit.*
- *Keep the assignment(s) on schedule, reduce technical risks and prevent compatibility errors.*

#### Scope of Assignment

The firm will provide extensive services spanning all aspects of ICT infrastructure development including supply, installation & commissioning of hardware, software & networking alongwith software development as well as support & maintenance services & training of staff for various offices of Board of Revenue Sindh throughout the Sindh province. The detailed scope of the assignment includes the following:

- Supply & Installation / Commissioning of Hardware
- Supply & Commissioning of Networking
- Supply & Commissioning of Internet Connectivity
- Supply & Commissioning of WAN Connectivity
- Development of Customized software
- Documentations
- Technical assistance
- Installation, Commissioning, Support, Maintenance trained / experienced professionals
- Weekly, Monthly & Final Reports
- Training of staff

Detailed Terms of References (TORs) specifying the tasks and requirement of complete specific services will be provided in the RFP document to the qualified /shortlisted firms.

#### Subsequent Tendering Process

Based upon inputs received through this EoI, the prequalified firms will be issued a RFP document wherein the task would be divided into various assignments engaging services for different offices of Board of Revenue; for which Development of ICT Infrastructure will be exercised by various companies to yield maximum output within shortest possible time.

Accordingly detailed technical and financial bids will be solicited for each of the assignment separately. BOR Sindh reserves the right to cancel the bidding process without assigning any reason whatsoever. The decision of BOR Sindh shall be firm and binding on all concerned. The entire procurement procedure will be carried out strictly in the light of rules provided under Sindh Public Procurement Rules 2010.
