Mr. Arab Shaikh, Director General (Works) gave a brief presentation to the participants that includes the construction of MSDP, information about Jacobabad City, Water Supply Scheme and its background, Contract Package 5 of Water Supply Scheme and salient features of Bidding Documents, issued to prequalified bidders.

5. Following are the questions raised by the bidders and the answers given by the MSDSP/Rep of Consultants:

Contract Package -5

- 1) A query was raised about the interest on the Mobilization advance as in the event of interest on mobilization advance, it will not be feasible for the contractors to go for it.

Answer: It was informed that PMU has already taken up this issue with the Finance Department, Government of Sindh for waiver of interest on mobilization advance. The Finance Department had shown its inability to "waive off 10% interest on mobilization advance."

- 2) In BOQ items, details of Earthing are not mentioned

Answer: It was informed that all the specifications are available in the Specification Book. The details are available in Volume-2, Section-16 (Lightning Protection System).

- 3) In BOQ items, MS Pipe connection, no length is provided.

Answer: It was informed that the existing MS/GI Pipes are to be used for connecting with new HDPE pipes through flanges; therefore rates are to be quoted only for connections and cost of material to be used for connection as per drawings.

The meeting then ended from a vote of thanks from and to the chair.
