5. Secretary to Administrator, KMC

Section 1. Instructions to Bidders/Applicants (ITB).

Clause 1 The firm/contractor shall enclose the (one original and two copies) of the documents in a sealed envelope which shall:-

- (a) Bear the name and address of the Applicant;
- (b) Be delivered by hand or through courier/registered mail to address mentioned in advertisement for pre-qualification or in document; and
- (c) Be clearly marked "Application for pre-qualification for

Name of Work

Rehabilitation / Reconstruction of National Highway (N-5) from Jinnah Terminal Flyover to Quaidabad Flyover Karachi.

Clause 2 If the enveloped is not sealed and marked as required, the procuring agency will assume no responsibility for the misplacement or pre-maturing opening of the document.

Clause 3 Documents shall be prepared in the English language. In case of ICB, the information provided in any other language shall be accompanied by English translation also.

Clause 4 Firm/Contractor must respond to all questions and provide complete information as advised in the document. Any lapses to provide essential information may result any dis-qualification of the firm/contractor.

Clause 5 **Clarification and Modification of Documents (SSP Rule 23).**
Firm/Contractor, who has obtained documents, may request for clarification of contents for the bidding documents in writing, and respond to such queries shall be made in writing within three calendar days, provided they are received at least five calendar days prior to the date of opening of bid.

Clause 6 **Addendum:**

At any time prior to the dead line for submission of documents, the agency may amend the Prequalification Document by issuing addenda. Any addendum issued shall be part of Prequalification Document and shall be communicated in writing to all who have obtained the prequalification document.

Clause 7 **Deadline for submission of documents (SPP Rule 22 & 24):**

Documents shall be received by the Procurement Agency at the address mentioned in the NIT, not later than the date time mentioned in NIT. The procuring agency may, at its discretion, extend the deadline for the submission of documents by amending the Prequalification Document, and in which case all rights and obligations of the Agency and the firms/contractors subject to the previous deadline shall thereafter be subject to the deadline as extended.

Clause 8 **Evaluation (Rule 27 (2)) :**

Firm's/Contractor's general and particular experience, personnel and equipment capabilities, and financial position, as demonstrated by the Applicant's responses in the prescribed forms will be evaluated as per evaluation criteria given in the document. The Procuring Agency reserves the right to waive minor deviations, if these don't materially affect the capability of an applicant to perform the contract. Sub-contractor's experience and resources shall not be taken into account in determining the firm/contractor compliance with the qualifying criteria. However, Joint Venture experience resources shall be considered. Consortium or Association of firms will be considered for similar treatment as in case of Joint Venture.

However, If Firm/Contractors intends to subcontract any highly specialized elements of the Works to specialist subcontractor(s), such elements and the proposed specialist subcontractors) shall be clearly identified, and the experience and capacity of the specialist subcontractors) shall be described in the relevant Information Forms.

Clause 9 **Clarification of Prequalification Information (Rule 43):**

To assist in the evaluation of information, the agency may, at its discretion, ask any firm/contractor for a clarification of any information which shall be submitted within a stated reasonable period of time. Any request for clarification shall be in writing. If any firm/contractor does not provide clarifications of the information requested by the date and time set in the agency's request for clarification then application of the firm/contractor may be rejected.

Clause 10 **Verification of Prequalification Information (Rule 28 (1d)):**

Verification of the information provided by the pre-qualified/ shortlisted firms/contractors in the submissions for prequalification may be made in Case the information is found to be wrong or incorrect in any material way Or firm/contractor is found to be lacking in the capability or resources to successfully perform the contract, then it shall not be pre-qualified.

QUALIFICATION / EVALUATION REQUIREMENTS

This section contains the requirements that will be used to evaluate the pre-qualification documents of the bidders. The information to be provided in relation to each requirement and the definitions of the corresponding terms are included in the respective Bid Forms.

1. Qualification Criteria

1.1 General

Evaluation will be based on all the criteria given in succeeding paras 1.1 to 1.7 regarding the Bidder's general and particular experience, personnel & equipment capabilities, and financial position, as demonstrated by the Bidder's responses in the forms provided under 'Application Forms'. The Employer reserves the right to waive minor deviations, if these don't materially affect the capability of a bidder to perform the contract.

1.2 Mandatory Requirement for Responsive Bids

The Bidder shall meet the following minimum criteria:

a) Registration with PEC

Registration with Pakistan Engineering Council in Category C-3, C-2, C-1, C-B & C-A / CE-01.

b) NTN (National Tax Number)

c) Conflict of Interest

No conflict of interest

d) Ineligibility

Not having been declared ineligible by the Employer

e) Registration with Sindh Board of Revenue

f) Historical Contract Non-Performance

The Bidder shall meet the following minimum criteria:

(i) History of Non-Performing Contracts

Non-Performance of a contract did not occur within the last 5 years prior to the deadline for bid submission based on all information on fully settled disputes or litigation. A fully settled dispute or litigation is one that has been resolved in accordance with the Dispute Resolution Mechanism under the respective contract and where all appeal instances available to the bidder have been exhausted. The past performance of the bidder on all-completed and ongoing projects also be checked in coordination with other executing agencies.

(ii) Failure to Sign Contract

Not being under execution of a Bid Securing Declaration for the last 5 years.

(iii) Litigation History

All pending litigation shall in total not represent more than fifty (50) % of the Bidder's net worth and shall be treated as resolved against the bidder.

The Bidder should provide accurate information on any litigation or arbitration resulting from contracts completed or under execution over the last five years. A consistent history of award against the Applicant or any partner of a joint venture may result in rejection of the bid.

The Analysis of Litigation History

- The execution of any construction contract will normally result in the payment by the Employer of a number of reasonable claims from the Contractor, e.g. for defaults of the Engineer / Project Manager, delays, unforeseeable ground and climatic conditions, etc. However, some Contractors have an established business practice of bidding low to obtain award of contract; and then flooding the Employer with excessive or frivolous claims to increase their income. Employer should be on guard against any Contractor who habitually resorts to excessive claims, arbitration and litigation in the execution of contracts.
- Bidders with a consistent and significant history of excessive contract arbitrations and litigation resulting in awards or decisions against them should not be qualified to bid. Bidders should be required to list all contracts over a stated period of time (normally five years) that resulted in litigation or arbitration proceedings, with an indication of the matters and amounts in dispute, the parties involved and the resolution of the dispute.
- The criterion for rejection is that of numerous arbitral awards or court decisions against the Bidder in relation to awards for the Bidder, taking the number and amount of contracts executed. As an indicative example, the occurrence of one or two adverse cases over five years for a Contractor handling, on average, ten construction jobs simultaneously, should not be a cause for rejection. If dispute resolution is found relatively frequently in the business of the Bidder, it may indicate an attitude of the management of the firm that could be dangerous for the Employer if the Bidder were awarded the contract, and further investigation with previous Employers may be warranted.

(iv) Black-Listing

Bidder shall not be black listed by government / semi government / autonomous / private organizations (Affidavit to be provided)

1.3

Financial Situation

The Applicant shall meet the following minimum criteria:

a) Financial Performance

The Bidder should demonstrate that he has access to, or has available liquid assets, un-encumbered real assets, lines of credit and other financial means sufficient to meet the construction cash flow for the execution of works. Bidder's commitments for other ongoing contracts shall also be considered. *[The duration for the ongoing contracts are calculated by allowing the time of construction from beginning of month Invoiced plus the time needed for the Engineer to certify the pay estimate plus the time needed by the Employer to pay the certified amount]*

The audited balance sheets for the past five years should demonstrate the soundness of the Bidder's financial position, showing long term profitability. Where necessary, the Employer will make enquires with the Bidder's bankers.

The current soundness of the Bidder's financial position and its long terms profitability will be evaluated on Average Net Working Capital and Average

Net worth. The requirements are:-

Average Net worth Requirement	Rs.72 Million
Average Net Working Capital	Rs.36 Million
Cash Flow Requirement	Rs.154 Million

b) Average Annual Construction Turnover

Minimum average annual construction turnover of Rs.620 Million, calculated as total certified payments received for contracts in progress or completed, within the last five (05) years.

1.4 Experience

The Application shall meet the following minimum criteria:

- a) **General Construction Experience**
Experience under construction contracts in the role of contractor, Subcontractor, or management contractor for at least the last five (05) years. Prior to the bid
- b) **Specific Construction Experience**
Participation as contractor or subcontractor, in at least two (02) contracts within the last five (05) years, with a value of the largest work of at least amount as mentioned below, that have been successfully and substantially completed and that are similar to the proposed works. The similarity shall be based on the physical size, complexity, methods / technology or other characteristics.
Value of the largest similar work executed in last 5 years Rs.288 million.

1.5 Personnel Capabilities

The Bidder must have in his employment suitably qualified personnel to fill the key management and specialist positions. The Bidder will supply information on a prime and an alternate candidate for each position (both should meet the specified experience

No.	Position	Minimum Requirement (No)	Total Work Experience (years)	In Similar Works Experience (years)
1	Project Manager	1	20	10
2	Construction Manager	1	15	10
3	Construction Engineer	1	10	5
4	Highway Engineer	1	10	5
5	Surveyors	2	8	3
6	Quantity Surveyor	1	10	5

1.6 Equipment Capabilities

The Bidder should own or show lease undertaken, the key items of equipment (limited to only major items of equipment) in full working order, and must demonstrate that, based on known commitments; these will be available for deployment on the proposed contract or works.

No.	Position	Minimum Required
ROAD CONSTRUCTION EQUIPMENT		
1	Dump Truck (10-18T)	4
2	Bull Dozer (D6,D8 and D10)	1
3	Front End Loader (3-CM)	3
4	Hydraulic Crawler Excavator (0.3 CM)	2
5	Hydraulic Wheel Excavator (0.1 CM)	2
6	Motor Grader (140-165 HP)	3
7	Static Tandem Roller (8T to 12T)	3
8	Vibratory Tandem Roller (10T to 12T)	3
9	Water Tanker (Tow Type)	3
ASPHALT PLANT AND ITS ALLIED EQUIPMENT		
10	Asphalt Plant (120T/hr)	1
11	Asphalt Pavers	2
12	Pneumatic Tyre Rollers (10T to 12T)	3
PILING & CONCRETE EQUIPMENT		
13	Concrete Batching Plant (30 CM/H)	1
14	Transit Mixers (capacity 6 meter)	4
15	Concrete Mixers	4
16	Concrete Pumps	2
17	Heavy Duty Crane (20 Ton)	2
18	Piling Equipment (Rig for 1.2m Dia Pile)	4

Project REHABILITATION / RECONSTRUCTION OF NATIONAL
HIGHWAY (N-5) FROM JINNAH TERMINAL FLYOVER
TO QUAIDABAD FLYOVER KARACHI.

1.7 Joint Venture

Joint Venture must comply with the following requirements:

- a) Following are minimum qualification requirements:
 - (i) The lead partner shall meet not less than 51% (in case of two partners) and 40% (in case number of partners is more than two) of all qualifying criteria.
 - (ii) Each of the partners shall meet not less than 25% of all the qualifying Criteria.
 - (iii) The joint venture must collectively satisfy the qualifying criteria.

For which purpose the relevant figures for each of the partners shall be added together to arrive at the JV's total capacity. Individual members must satisfy each of the requirements of qualifying criteria.

- b) Bid shall be signed by all members in the JV so as to legally bind all partners, jointly and severally, and any bid shall be submitted with a copy of the JV Agreement providing the joint and several liabilities with respect to the contract.

2. Evaluation Criteria

Following is the Criteria for Evaluation of Pre-Qualification Document:

1. The bid of the bidder who failed in Eligibility criteria will be rejected.
2. **Minimum Qualifying mark is 70 out of 100 for qualifying technically.**
However the bidder must obtain at least fifty percent marks in each part (A, B and C)
3. The marks in each category of evaluation will be calculated on the basis of the provided documents.
4. The Participant shall attach all their authenticate documents duly signed & stamped by the participant. Documents without signature & stamp on non-easily readable will not be considered for evaluation purpose.

EVALUATION CRITERIA

NOTE On ELIGIBILITY:

Bidder will not qualify for further detailed Technical evaluation if following are not submitted:

1. Registration with Pakistan Engineering Council in relevant category, as mentioned in NIT (Compulsory).
2. NTN (Compulsory)
3. Professional Tax (Compulsory)
4. Registration with Sindh Board of Revenue.
5. Litigation History (Compulsory).
6. Black listing (Compulsory).
