3.0 Pre-qualification process & Evaluation Details

3.1 General

Pre-Qualification of the applications shall be done based on the Qualification Criteria as explained above. To evaluate the applications and pre-qualify the applicants, the detailed Procedure to be adopted is shown as following:

Date, Sign & Stamp of Contractor _____

Greater Karachi Bulk Water Supply Scheme K-IV Project

As can be seen from the Pre-Qualification process chart, the whole process is divided into 3 main stages:

- a. **Stage A: Responsiveness Check**
- b. **Stage B: Eligibility Check**
- c. **Stage C: Qualification Check**

Each of these 3 stages are explained in detail as below.

3.2 Stage A: Responsiveness Check

The applications submitted shall first be examined to check whether the Applicant Contractor had submitted all the documents and information required by the pre-qualification documents. The bidder should fulfill all requirements of eligibility criteria given in the Pre-qualification notice.

- a. Registration with tax authorities.
- b. Registration with PEC.
- c. Turnover statement
- d. Experience statement
- e. Return of PQ document duly signed and stamped (each page) and it conforms to all the terms, conditions, and specifications of the bidding documents, without material deviation or reservation.

If the bidder does not fulfill any of above mentioned condition, it shall not be evaluated further.

The applications found out to be substantially responsive as per the defined criteria shall be assessed in the Stage B (Eligibility) & Stage C (Qualification) of the pre-qualification process.

3.3 Stage B: Eligibility Check

During this stage, the Eligibility of each contractor shall be checked from mandatory documents as indicated at para 2.2.3. The pre-qualification applications of applicant NOT meeting the eligibility criteria, shall be rejected, and will not be considered in the stage C (qualification check). All applications passing the eligibility criteria shall be considered for the next stage.

3.4 Stage C: Qualification Check

After the stage B (eligibility), the Qualification of each applicant shall be determined against the qualification criteria. A detailed Point system shall be used to quantify the performance of each applicant against the defined Evaluation Criteria in para 2.3 of this document.
