INSTRUCTIONS TO TENDERER

INSTRUCTIONS TO TENDERERS

A. GENERAL

IT.1 Scope of Tender

- 1.1 The Employer as defined in the Tendering Data hereinafter called "the Employer" wishes to receive tenders for the construction and completion of works as described in the Tender Documents, and summarized in the Tendering Data hereinafter referred to as the "Works".
- 1.2 The successful tenderer will be expected to complete the Works within the time specified in Appendix-A to Tender.

IT.2 Source of Funds

- 2.1 The Employer has applied for or received a loan or credit from the source (s) indicated in the Tendering Data in various currencies towards the cost of the project specified in the Tendering Data and it is intended that part of the proceeds of this loan / credit will be applied to eligible payments under the Contract for which these Bidding Documents are issued.

IT.3 Eligible Tenderers

- 3.1 This Invitation to Tender is open to all tenderers meeting the following requirements:
 - a. Duly licensed by the Pakistan Engineering Council (PEC) in the category relevant to the value of the Works.
 - b. Duly prequalified / registered with the Employer

IT.4 One Tender per Tenderer

- 4.1 Each tenderer shall submit only one tender either by himself, or as a partner in a joint venture. A tenderer who submits or participates in more than one tender (other than alternatives pursuant to Para IT.16) will be disqualified.

IT.5 Cost of Tendering

- 5.1 The tenderer shall bear all costs associated with the preparation and submission of their respective tenders and the Employer will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the tendering process.

11.6 Site Visit

- 6.1 The tenderers are advised to visit and examine the Site of Works and its surroundings and obtain for themselves on their own responsibility all information that may be necessary for preparing the tender and entering into a contract for construction of the Works. All cost in this respect shall be at the tenderer's own expense.
- 6.2 The Tenderers and any of their personnel or agents will be granted permission by the Employer to enter upon his premises and lands for the purpose of such inspection, but only upon the express condition that the tenderers, their personnel and agents, will release and indemnify the Employer, his personnel and agents from and against all liability in respect thereof and will be responsible for death or personal injury, loss of or damage to property and any other loss, damage, costs and expenses incurred as a result of such inspection.

B. TENDER DOCUMENTS

11.7 Documents Comprising the Tender

- 7.1 The Tender Documents are those stated below, and should be read in conjunction with any Addenda issued in accordance with Clause 11.9.
 01. Form B-2 Provincial Buildings department
 02. Instruction to Tenderers.
 03. Tendering Data
 04. Conditions of Contract, Part-I - General Conditions.

- 7.2 The tenderers are expected to examine carefully the contents of all the above documents. Failure to comply with the requirements of tender submission will be at the Tenderers own risk. Pursuant to Clause 11.26, tenders which are not substantially responsive to the requirements of the Tender Documents will be rejected.

11.8 Clarification of Tender Documents

- 8.1 Any prospective tenderer requiring any clarification (s) in respect of the Tender Documents may notify the Employer in writing at the Employer's address indicated in the Invitation to Tenderers. The Employer will respond to any request for clarification which he receives earlier than 28 days prior to the deadline for submission of tenders.

copies of the Employer's response will be forwarded to all purchasers of the Tender Documents including a description of the enquiry but without identifying its source.

11.9 Amendment of Tender Documents

- 9.1 At any time prior to the deadline for submission of tenders, the Employer may, for any reason, whether at his own initiative or in response to a clarification requested by a prospective tenderer, modify the Tender Documents by issuing addendum.
- 9.2 Any addendum thus issued shall be part of the Tender Documents pursuant to Sub Para. 7.1 hereof and shall be communicated in writing to all purchasers of the Tender Documents. Prospective tenderers shall acknowledge receipt of each addendum in writing to the Employer.
- 9.3 To afford prospective tenderers reasonable time in which to take an addendum into account in preparing their tenders, the Employer may extend the deadline for submission of tenders in accordance with Clause 11.20.

C. PREPARATION OF TENDERS

11.10 Language of Tender

- 10.1 The tender and all correspondence and documents related to the tender exchanged by a tenderer and the Employer shall be in the bid language stipulated in the Tendering Data and conditions of Particular Application. Supporting documents and printed literature furnished by the tenderers may be in any other language provided the same are accompanied by an accurate translation of the relevant parts in the English language, in which case, for purposes of evaluation of the tender, the English translation shall prevail.

11.11 Documents Accompanying the Tender

- 11.1 Each tenderer shall:

- (a) submit a written power of attorney authorizing the signatory of the tender to act for and on behalf of the tenderer; and
- (b) update the information indicated and listed in the Tendering Data and previously submitted with the application for prequalification, and continue to meet the minimum criteria set out in the prequalification documents which as a minimum, would include the following :
 - (i) Evidence of access to financial resources;
 - (ii) Financial predictions for the current year and the two following years including the effect of known commitments;
 - (iii) Work commitments since prequalification;

(iv) Current litigation information; and

(v) Availability of critical equipment

11.2 Tenders submitted by a joint venture of two or more firms shall comply with the following requirements:

- (a) the tender and in case of a successful tender, the Form of Agreement shall be signed so as to be legally binding on all partners;
- (b) one of the joint venture partners shall be nominated as being in charge; and this authorization shall be evidenced by submitting a power of attorney signed by legally authorized signatories of all the joint venture partners;
- (c) the partner-in-charge shall always be duly authorized to deal with the Employer regarding all matters related with and/or incidental to the execution of works as per the terms and Conditions of Contract and in this regard to incur any and all liabilities, receive instructions, give binding undertakings and receive payments on behalf of the joint venture;
- (d) all partners of the joint venture shall at all times and under all circumstances be liable jointly and severally for the execution of the Contract in accordance with the Contract terms and a statement to this effect shall be included in the authorization mentioned under (b) above as well as in the Form of Tender and in the Form of Agreement (in case of a successful tender); and
- (e) a copy of the agreement entered into by the joint venture partners shall be submitted with the tender stating the conditions under which it will function, its period of duration, the persons authorized to represent and obligate it and which persons will be directly responsible for due performance of the Contract and can give valid receipts on behalf of the joint venture, the proportionate participation of the several firms forming the joint venture, and any other information necessary to permit a full appraisal of its functioning. No amendments / modifications whatsoever in the joint venture agreement shall be agreed to between the joint venture partner without prior written consent of the Employer.

11.3 Tenderers shall also submit proposals of work methods and schedule, in sufficient detail to demonstrate the adequacy of the Tenderers' proposals to meet the technical specifications and the completion time referred to in Sub-Clause 1.2 hereof.

11.12 Tender Prices

12.1 Unless stated otherwise in the Tender Documents, the Contract shall be for the whole of the Works as described in Sub-Clause 1.1 hereof, based on the unit rates and / or prices submitted by the tenderer.

12.2 The tenderers shall fill in rates and prices for all items of the Works specified in the Bill of Quantities. Items against which no rate or price is entered by a tenderer will not be paid for by the Employer when executed and shall be deemed to be priced by rates and prices for other items in the Bill of Quantities.

12.3 All duties, taxes and other levies payable by the Contractor under the Contract or for any other cause, as on the date 28 days prior to the deadline for submission of tenders shall be included in the rates and prices and the total Tender Price submitted by a tenderer.

Additional / reduced duties, taxes and levies due to subsequent additions or changes in legislation shall be reimbursed / deducted as per Sub-Clause 70.2 of the Conditions of Particular Application - Part IIA.

12.4 The rates and prices quoted by the tenderers are subject to adjustment during the performance of the Contract in accordance with the provisions of Clause 70 of the Conditions of Contract. The tenderers shall furnish the prescribed information for the price adjustment formulae in Appendix-C to Tender, and shall submit with their tenders such other supporting information as required under the said Clause.

FF.13 Currencies of Tender and Payment

13.1 The unit rates and the prices shall be quoted by the tenderer entirely in Pak rupees. A tenderer expecting to incur expenditures in other currencies for inputs to the Works supplied from outside the Employer's country (referred to as the "Foreign Currency Requirements") shall indicate the same in Appendix-B to Tender. The proportion of the Tender Price (excluding Provisional Sums) needed by him for the payment of such Foreign Currency Requirements either (i) entirely in the currency of the Tenderer's home country or, (ii) at the tenderer's option, entirely in Pak rupees provided always that a tenderer expecting to incur expenditures in a currency or currencies other than those stated in (i) and (ii) above for a portion of the foreign currency requirements, and wishing to be paid accordingly, shall indicate the respective portions in his tender.

13.2 The rates of exchange to be used by the tenderer for currency conversion shall be the FF&OD Selling Rates published by the State Bank of Pakistan prevailing on the date 28 days prior to the deadline for submission of tenders.

For the purpose of payments, the exchange rates used in tender preparation shall apply for the duration of the Contract.

FF.14 Tender Validity

14.1 Tenders shall remain valid for the period stipulated in the Tendering Data after the Date of Tender Opening specified in sub-clause FF.23.

- 14.2 In exceptional circumstances, prior to expiry of the original tender validity period, the Employer may request that the tenderers extend the period of validity for a specified additional period. The request and the responses thereto shall be made in writing. A tenderer may refuse the request without forfeiting his Tender Security. A tenderer agreeing to the request will not be required or permitted to modify his tender, but will be required to extend the validity of his Tender Security for the period of the extension, and in compliance with Clause FF.15 in all respects.

FF.15 Tender Security/Earnest money

- 15.1 Each tenderer shall furnish, as part of his tender, a Tender Security/Earnest money in the amount stipulated in the Tendering Data in Pak Rupees or an equivalent amount in a freely convertible currency.
- 15.2 The Tender Security shall be, at the option of the tenderer, in the form of Deposit at Call or a Bank Guarantee issued by a Scheduled Bank of Pakistan or from a foreign bank duly counter guaranteed by a Scheduled Bank of Pakistan in favour of the Employer valid for a period 28 days beyond the Tender Validity date.
- 15.3 Any tender not accompanied by an acceptable Tender Security/Earnest money shall be rejected by the Employer as non-responsive.
- 15.4 The tender securities of unsuccessful tenderers will be returned as promptly as possible, but not later than 28 days after the expiration of the period of Tender Validity.
- 15.5 The Tender Security of the successful tenderer will be returned when the tenderer has furnished the required Performance Security and signed the Agreement.
- 15.6 The Tender Security may be forfeited:
- (a) if the tenderer withdraws his tender during the period of Tender Validity;
 - (b) if the tenderer does not accept the correction of his Tender Price pursuant to Sub-Clause 27.2 hereof; or
 - (c) In the case of successful tenderer, if he fails within the specified time limit to:
 - (i) furnish the required Performance Security
 - (ii) Sign the Agreement.

FF.16 Alternate Proposals by Tenderer

- 16.1 Should any tenderer consider that he can offer any advantages to the Employer by a modification to the designs, specifications or other conditions, he may, in addition to his tender to be submitted in strict compliance with the Tender

Documents, submit any Alternate Proposal(s) containing unit price calculations; (c) technical specifications; (d) proposed schedule of work; and (d) any other relevant details/conditions, provided always that the total entered on the Form of Tender shall be that which represents complete compliance with the Tender Documents.

- 16.2 Alternate Proposal(s), if any, of the lowest evaluated responsive tenderer only, shall be considered by the Employer as the basis for the award of Contract to such tenderer.

11.17 Pre-Tender Meeting

- 17.1 The Employer may, on his own motion or at the request of any prospective tenderer(s), hold a pre-tender meeting to clarify issues and to answer any questions on matters related to the Tender Documents. The date, time and venue of pre-tender meeting, if convened, is as stipulated in the Tendering Data. All prospective tenderers or their authorized representatives shall be invited to attend such a pre-tender meeting.
- 17.2 The tenderers are requested to submit questions, if any, in writing so as to reach the Employer not later than one week before the proposed pre tender meeting.
- 17.3 Minutes of the pre-tender meeting, including the text of the questions raised and the replies given, will be transmitted without delay to all purchasers of the Tender documents. Any modification of the Tender documents listed in Sub Clause 7.1 hereof which may become necessary as a result of the pre-tender meeting shall be made by the Employer exclusively through the issue of an Addendum pursuant to Clause 11.9 and not through the minutes of the pre-tender meeting.
- 17.4 Absence at the pre-tender meeting will not be a cause for disqualification of a tenderer.

11.18 Format and Signing of Tender

- 18.1 Tenderers are particularly directed that the amount entered on the Form of Tender shall be for performing the Contract strictly in accordance with the Tender Documents.
- 18.2 All appendices to Tender are to be properly completed and signed.
- 18.3 No alteration is to be made in the Form of Tender nor in the Appendices thereto except in filling up the blanks as directed. If any such alterations be made or if these instructions be not fully complied with, the tender may be rejected.
- 18.4 Each tenderer shall prepare by filling out the forms completely and without alterations one (1) original and number of copies, specified in the Tendering Data, of the documents comprising the tender as described in Clause 11.7 and clearly mark them "ORIGINAL" and "COPY" as appropriate. In the event of discrepancy between them, the original shall prevail.

- 18.5 The original and all copies of the tender shall be typed or written, hand written in the case of copies. Photostats are also acceptable and shall be signed by a person or persons duly authorized to sign on behalf of the tenderer pursuant to Sub-Clause 11.1(m) hereof. All pages of the tender shall be initialed and stamped by the person or persons signing the tender.
- 18.6 The tender shall contain no alterations, omissions or additions, except to comply with instructions issued by the Employer, or as are necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.
- 18.7 Tenderers shall indicate in the space provided in the Form of Tender their full and proper addresses at which notices may be legally served on them and to which all correspondence in connection with their tenders and the Contract is to be sent.
- 18.8 Tenderers should retain a copy of the Tender Documents as their file copy.

D. SUBMISSION OF TENDERS

11.19 Sealing and Marking of Tenders

- 19.1 Each tenderer shall submit his tender as under:
- (a) ORIGINAL and each copy of the Tender shall be separately sealed and put in separate envelopes and marked as such;
 - (b) The envelopes containing the ORIGINAL and copies will be put in one sealed envelope and addressed / identified as given in Sub-Clause 19.2 hereof;
- 19.2 The inner and outer envelopes shall:
- (a) be addressed to the Employer at the address provided in the Tendering Data;
 - (b) bear the name and identification number of the contract as defined in the tendering Data; and;
 - (c) provide a warning not to open before the time and date for bid opening, as specified in the Tendering Data.
- 19.3 In addition to the identification required in Sub-Clause 19.2 hereof, the inner envelope shall indicate the name and address of the tenderer to enable the tender to be returned unopened in case it is declared "late" pursuant to Clause 11.21.

- (b) If the tender envelope is not sealed and marked as above, the Employer will assume no responsibility for the misplacement or premature opening of the Tender.

11.20 Deadline for Submission of Tenders

- 11.20.1 (a) Tenders must be received by the Employer at the address specified, no later than the time and date stipulated in the Tendering Data.
- (b) Tenders with charges payable will not be accepted, nor will arrangements be undertaken to collect the tenders from any delivery point other than that specified above. Tenderers shall bear all expenses incurred in the preparation and delivery of tenders. No claims will be entertained for refund of such expenses.
- (c) Where delivery of a tender is by mail and the tenderer wishes to receive an acknowledgment of receipt of such tender, he shall make a request for such acknowledgment in a separate letter attached to but not included in the sealed tender package.
- (d) Upon request, acknowledgment of receipt of tenders will be provided to those making delivery in person or by messenger.
- 11.20.2 The Employer may, at his discretion, extend the deadline for submission of tenders by issuing an amendment in accordance with Clause 11.9, in which case all rights and obligations of the Employer and the tenderers previously subject to the original deadline will thereafter be subject to the deadline as extended.

11.21 Late Tenders

- 11.21.1 (a) Any tender received by the Employer after the deadline for submission of tenders prescribed in Clause 11.20 will be returned unopened to such tenderer.
- (b) Delays in the mail, delays of person in transit, or delivery of a tender to the wrong office shall not be accepted as an excuse for failure to deliver a tender at the proper place and time. It shall be the tenderer's responsibility to determine the manner in which timely delivery of his tender will be accomplished either in person, by messenger or by mail.

11.22 Modification and Withdrawal of Tenders

- 11.22.1 Any tenderer may modify or withdraw his tender after tender submission provided that written notice of the modification or withdrawal is received by the Employer prior to the deadline for submission of tenders.
- 11.22.2 The notice for modification or withdrawal of any tender shall be prepared, sealed, marked and delivered in accordance with the provisions of Clause 11.19 with the outer and inner envelopes additionally marked "MODIFICATION" or "WITHDRAWAL", as appropriate.
- 11.22.3 No tender may be modified by a tenderer after the deadline for submission of tenders.

- 22.4 Withdrawal of a tender during the interval between the deadline for submission of tenders and the expiration of the period of tender validity specified in the Tendering Data may result in forfeiture of the Tender Security in pursuance to Clause 11.15.

11. TENDER OPENING AND EVALUATION

11.23 Tender Opening

- 23.1 The Employer will open the tenders, including withdrawals and modifications made pursuant to Clause 11.22, in the presence of tenderers' representatives who choose to attend, at the time date and location stipulated in the Tendering Data.

The tenderers' representatives who are present shall sign a register evidencing their attendance.

- 23.2 Envelopes marked "WITHDRAWAL" shall be opened and read out first. Tenders for which an acceptable notice of withdrawal has been submitted pursuant to Clause 11.22 shall not be opened.

- 23.3 The tenderer's name, total Tender Price and price of any Alternate Proposal(s), any discounts, tender modifications and withdrawals, the presence or absence of Tender Security, and such other details as the Employer may consider appropriate will be announced by the Employer at the opening of tenders.

11.24 Process to be Confidential

- 24.1 Information relating to the examination, clarification, evaluation and comparison of tender and recommendations for the award of a contract shall not be disclosed to tenderers or any other person not officially concerned with such process. Any effort by a tenderer to influence the Employer's processing of tenders or award decisions may result in the rejection of such tenderer's tender.

11.25 Clarification of Tenders

- 25.1 To assist in the examination, evaluation and comparison of tenders, the Employer may, at his discretion, ask any tenderer for clarification of his tender, including breakdowns of unit rates. The request for clarification and the response shall be in writing but no change in the price or substance of the tender shall be sought, offered or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the tenders in accordance with Clause 11.28.

IT.26 Examination of Tenders and Determination of Responsiveness

- 26.1 Prior to the detailed evaluation of tenders, the Employer will determine whether each tender (i) meets the eligibility criteria, (ii) has been properly signed, (iii) is accompanied by the required Tender Security, and (iv) is substantially responsive to the requirements of the Tender Documents.
- 26.2 A substantially responsive tender is one which conforms to all the terms, conditions and specifications of the Tender Documents, without material deviation or reservation. A material deviation or reservation is one (i) which affects in any substantial way the scope, quality or performance of the Works; (ii) which limits in any substantial way, inconsistent with the Tender Documents, the Employer's rights or the tenderer's obligations under the Contract; or (iii) adoption whereof would affect unfairly the competitive position of other tenderers presenting substantially responsive tenders.
- 26.3 If a tender is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

IT.27 Correction of Errors

- 27.1 Tenders determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:
 - (a) where there is a discrepancy between the amounts in figures and in words, the amount in words will govern; and
 - (b) where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern, unless in the opinion of the Employer there is an obviously gross misplacement of the decimal point in the unit rate, in which case the line item total as quoted will govern and the unit rate will be corrected.
- 27.2 The amount stated in the Form of Tender will be adjusted by the Employer in accordance with the above procedure for the correction of errors and with the concurrence of the tenderer, shall be considered as binding upon the tenderer. If the tenderer does not accept the corrected Tender Price, his tender will be rejected and the Tender Security shall be forfeited in accordance with Sub-Clause 15.6(b) hereof.

IT.28 Evaluation and Comparison of Tenders

- 28.1 The Employer will evaluate and compare only the tenders determined to be substantially responsive in accordance with Clause IT.26.
- 28.2 In evaluating the tenders, the Employer will determine for each tender the evaluated Tender Price by adjusting the Tender Price as follows:

- (ii) including any correction of errors pursuant to Clause FF.27;
 - (iii) excluding Provisional Sums and the provision, if any, for contingencies in the Summary Bill of Quantities, but including competitively priced Daywork;
 - (iv) making an appropriate adjustment for any other acceptable variation or deviation.
- FF.3 The estimated effect of the price adjustment provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be taken into account in tender evaluation.
- FF.4 If the tender of the successful tenderer is seriously unbalanced in relation to the Employer's estimate of the cost of work to be performed under the Contract, the Employer may require the tenderer to produce detailed price analyses for any or all items of the Bill of Quantities to demonstrate the internal consistency of those prices with the construction methods and schedule proposed. After evaluation of the price analyses, the Employer may require that the amount of the Performance Security set forth in Clause FF.32 be increased at the expense of the successful tenderer to a level sufficient to protect the Employer against financial loss in the event of default of the successful tenderer under the Contract.

F. AWARD OF CONTRACT

FF.29 Award

- FF.29.1 Subject to Clause FF.30 and FF.34, the Employer will award the Contract to the tenderer whose tender has been determined to be substantially responsive to the Tender Documents and who has offered the lowest evaluated Tender Price, provided that such tenderer has been determined to be eligible in accordance with the provisions of Clause FF.3.

FF.30 Employer's Right to Accept any Tender and to Reject any or all Tenders

- FF.30.1 Notwithstanding Clause FF.29, the Employer reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders, at any time prior to award of Contract, without thereby incurring any liability to the affected tenderers or any obligation to inform the affected tenderers of the grounds for the Employer's action.

FF.31 Notification of Award

- FF.31.1 Prior to expiration of the period of Tender Validity prescribed by the Employer, the Employer will notify the successful tenderer in writing ("Letter of Acceptance") that his tender has been accepted. This letter shall name the sum

which the Employer will pay the Contractor in consideration of the execution and completion of the Works by the Contractor as prescribed by the Contract hereinafter and in the Conditions of Contract called the "Contract Price")

- 11.2 Upon furnishing by the successful tenderer of a Performance Security, the Employer will promptly notify the other tenderers that their tenders have been unsuccessful.

11.32 Performance Security

- 11.2.1 The successful tenderer shall furnish to the Employer a Performance Security in the form and the amount stipulated in the Tendering Data and the Conditions of Contract within a period of 28 days after the receipt of Letter of Acceptance.
- 11.2.2 Failure of the successful tenderer to comply with the requirements of Clause 11.32 or 11.33 shall constitute sufficient grounds for the annulment of the award and forfeiture of the Tender Security.

11.33 Signing of Agreement

- 11.3.1 Within 14 days from the date of furnishing of acceptable Performance Security under the Conditions of Contract, the Employer will send the successful tenderer the Form of Agreement provided in the Tender Documents, incorporating all agreements between the parties.
- 11.3.2 The formal Agreement between the Employer and the successful tenderer shall be executed within 14 days of the receipt of Form of Agreement by the successful tenderer from the Employer.

11.34 General Performance of the Bidders

The Employer reserves the right to obtain information regarding performance of the Bidders on their previously awarded contracts/works. The Employer may in case of consistent poor performance of the Bidder as reported by the employers of the previously awarded contracts, inter alia, reject his bid and/or refer the case to the Pakistan Engineering Council. Upon such reference, PEC may in consultation with the Contract Data Cell established in the office of the Auditor General of Pakistan, take such action as may be deemed appropriate under the circumstances of the case including black listing of such Bidder and debarring him from participation in future bidding for similar works.

SCHEDULE OF BASIC PRICE OF SPECIFIED MATERIALS AND LABOUR WAGES

A) Basic price Material (To be Filled by the Tender)

We confirm herewith that the following prices were prevailing on the day 28th days prior to the tender closing date and have been taken as a basis for quoting the prices given in our Tender

Adjustment of increase/decrease in prices shall only be admissible for the materials listed hereunder:

Schedule of Specified Material				
S. No	Material	Unit	Basic Price Ex- Factory/ Work	Remark
1	2	3	4	5
1.	i) Ordinary	M. Ton		Nearest State Cement Factory
	ii) Sulphate	M. Ton		Nearest State Cement Factory
2.	Steel Reinforcement	M. Ton		
3.	High Speed Diesel	Liter		As per rate fixed by Government of Pakistan

Notes:

- 1) For computing the net increase or decrease of cost on account of Fuels, the fuels component of the Contract Price is to be taken as 5%

Variation of increase or decrease is to be based on the percentage of increase or decrease in the price of high speed diesel fixed by the Government of Pakistan and on the fuel component of the Contract Price specified above. High Speed Diesel is being taken as representative of all kinds of fuels.

- 2) If the price paid by the Contractor for any of the Specified Materials (excluding High Speed Diesel) shall differ from the basic price thereof and shall cause an increase or decrease of cost to the Contractor in carrying out the Contract, the increase or decrease of such cost shall be added to or deducted from the Contract Price. The said increase or decrease in the Contract Price shall be computed on the basis of quantities actually measured and certified for payment. Any fluctuation in the prices of materials other than the Specified Materials shall not be subject to adjustment of the Contract Price.

B) Schedule of Basic Wages of Labour

We confirm herewith that the following rates of wages have been taken as basis for quoting the prices given in our Tender:

Sr. No.	Specified Labour Category	Minimum Wages Benefits and Allowances
1	2	3
1.	Unskilled Labour	
2.	Skilled Labour (Such as carpenter, mason, Fitter, Electrician, Mechanic, Welder, Labour Jamadar)	

Notes

- (1) For determining the net increase or decrease of cost on account of labour, the labour component of the Contract Price has been taken as 25 %. Out of this labour component 40 % cost is attributed to un-skilled labour and 60 % cost is attributed to skilled labour.
- (2) Labour escalation/ de-escalation shall be calculated by using the following formula:

$$N = [(C / Y) \times B \times Q] + [(C / Z) \times A \times Q]$$

Where

Q	=	Labour component of item rate	=	(say) 25 %
A	=	Ratio of skilled labour	=	(say) 60 %
B	=	Ratio of un-skilled labour	=	(say) 40 %
Y	=	Basic wages, benefits, and allowance of un-skilled labour	=	-----
Z	=	Basic wages, benefits and allowances of skilled labour	=	-----

- (iii) "Temporary Works" means all temporary works of any kind (other than Contractor's Equipment) required in or about the execution and completion of the Works and the remedying of any defects therein.
- (iv) "Plant" means machinery, apparatus and the like intended to form or forming part of the Permanent Works.
- (v) "Contractor's Equipment" means all appliance and things of what so ever nature (other than Temporary Works) required for the execution and completion of the Works and the remedying of any defects therein, but does not include Plant, materials or other things intended to form or forming part of the Permanent Works.
- (vi) "Section" means a part of the Works specifically identified in the Contract as a Section.

- (vii) "Site" means the places provided by the Employer where the Works are to be executed and any other places as may be specifically designated in the Contract as forming part of the Site.
- (viii) "Cost" means all expenditure properly incurred or to be incurred, whether on or off the Site, including overhead and other charges properly allowable there to but does not include any allowance for profit.
- (ix) "Day" means calendar day.
- (x) "Foreign Currency" means a currency of a country other than in which the Works are to be located.
- (xi) "Writing" means any hand-written, type-written, or printed communication, including telex, cable and facsimile transmission.

**Headings and
Marginal Notes**

- 1.2** The headings and marginal notes in these Conditions shall not be deemed part thereof or be taken into consideration in the interpretation or construction thereof or of the Contract.

Interpretation

- 1.3** Words importing persons or parties shall include firms and corporations and any organization having legal capacity.

Singular and Plural

- 1.4** Words importing the singular only also include the plural and vice versa where the context requires.

**Notices, Consents,
Approvals,
Certificates and
Determinations**

- 1.5** Wherever in the Contract provision is made for the giving or issue of any notice, consent, approval, certificate or determination by any person, unless otherwise specified such notice, consent, approval, certificate or determination shall be in writing and the words "notify", "certify" or "determine" shall be construed accordingly. Any such consent, approval, certificate or determination shall not unreasonably be withheld or delayed.

ENGINEER AND ENGINEER'S REPRESENTATIVE

**Engineer's Duties
and Authority**

- 2.1**
- (a) The Engineer shall carry out the duties specified in the Contract.
 - (b) The Engineer may exercise the authority specified in or necessarily to be implied from the Contract, provided, however, that if the Engineer is required, under the terms of his appointment by the Employer, to obtain the specific approval of the Employer before exercising any such authority, particulars of such requirements shall be set out in Part-II of these Conditions. Provided further that any requisite approval shall be deemed to have been given by the Employer for any such authority exercised by the Engineer.

- (c) Except as expressly stated in the Contract, the Engineer shall have no authority to remove the Contractor or any of its personnel from the Contract.

**Engineer's
Representative**

2.2

The Engineer's Representative shall be appointed by and be responsible to the Engineer and shall carry out duties and exercise such authority as may be delegated to him by the Engineer under Sub Clause 2.3.

Engineer's

Authority to Delegate 2.3

The Engineer may from time to time delegate to the Engineer's Representative any of the duties and authorities vested in the Engineer and he may at any time revoke such delegation. Any such delegation or revocation shall be in writing and shall not take effect until a copy thereof has been delivered to the Employer and the Contractor.

Any communication given by the Engineer's Representative to the Contractor in accordance with such delegation shall have the same effect as though it had been given by the Engineer. Provided that:

- (a) any failure of the Engineer's Representative to disapprove any work, materials or Plant shall not prejudice the authority of the Engineer to disapprove such work, materials or Plant and to give instructions for the rectification thereof;
- (b) if the Contractor questions any communication of the Engineer's Representative he may refer the matter to the Engineer who shall confirm, reverse or vary the contents of such communication.

**Appointment of
Assistants**

2.4

The Engineer or the Engineer's Representative may appoint any number of persons to assist the Engineer's Representative in carrying out of the duties under Sub-Clause-2.2. He shall notify to the Contractor the names, duties and scope of authority of such persons. Such assistants shall have no authority to issue any instructions to the Contractor save in so far as such instructions may be necessary to enable them to carry out their duties and to secure their acceptance of materials, Plant or workmanship as being in accordance with the Contract, and any instructions given by any of them for those purposes shall be deemed to have been by the Engineer's Representative.

**Instructions
in Writing**

2.5

Instructions given by the Engineer shall be in writing, provided that if for any reason the Engineer considers it necessary to give any such instruction orally, the Contractor shall comply with such instruction. Confirmation in writing of such oral instruction given by the Engineer, whether before or after carrying out of the instruction, shall be deemed to be an instruction within the meaning of this Sub Clause. Provided further that if the Contractor, within 7 (Seven) days, confirms in writing to the Engineer any oral instruction of the Engineer and such confirmation is not contradicted in writing within 7 (Seven) days by the Engineer, it shall be deemed to be an instruction of the Engineer.

Engineer to Act Impartially

2.6

The provisions of the Sub-Clause shall equally apply to a decision made by the Engineer's Representative and any assistants of the Engineer. The Engineer's Representative appointed pursuant to Sub-Clause 2.4.

Wherever, under the Contract, the Engineer is required to exercise his discretion by:

- (a) giving his decision, opinion or consent, or
- (b) expressing his satisfaction or approval, or
- (c) determining value, or
- (d) otherwise taking action which may affect the rights and obligations of the Employer or the Contractor

he shall exercise such discretion impartially within the terms of the Contract and having regard to all the circumstances. Any such decision, opinion, consent, expression of satisfaction, or approval, determination of value or action may be opened up, reviewed or revised as provided in Clause 67.

ASSIGNMENT AND SUBCONTRACTING

Assignment of Contract

3.1

The Contractor shall not, without the prior consent of the Employer (whose consent, notwithstanding the provisions of Sub-Clause 1.5, shall be, at the sole discretion of the Employer), assign the Contract or any part thereof, or any benefit or interest therein or hereunder, otherwise than by:

- (a) a charge in favour of the Contractor's bankers of any moneys due or to become due under the Contract, or
- (b) assignment to the Contractor's insurers (in cases where the insurers have discharged the Contractor's loss or liability) of the Contractor's right to obtain relief against any other party liable.

Subcontracting

4.1

The Contractor shall not subcontract the whole of the Works. Except where otherwise provided by the Contract, the Contractor shall not subcontract any part of the Works without the prior consent of the Engineer. Any such consent shall not relieve the Contractor from any liability or obligation under the Contract and he shall be responsible for the acts, defaults and neglects of any Subcontractor, his agents, servants or workmen as fully as if they were the acts, defaults or neglects of the Contractor, his agents, servants or workmen.

Provided that the Contractor shall not be required to obtain such consent for:

- (a) the provision of labour, or
- (b) the purchase of materials which are in accordance with the standards specified in the Contract, or
- (c) the subcontracting of any part of the Works for which the Subcontractor is named in the Contract

Assignment of
Subcontractors'
Obligations

4.2

In the event of a Subcontractor having undertaken towards the Contractor in respect of the work executed, or the goods, materials, Plant or services supplied by such Subcontractor, any continuing obligation extending for a period exceeding that of the Defects Liability Period under the Contract, the Contractor shall at any time, after the expiration of such Period, assign to the Employer, at the Employer's request and cost, the benefit of such obligation for the unexpired duration thereof.

CONTRACT DOCUMENTS

Language and Law 5.1

There is stated in Part-II of these Conditions:

- (a) the language or languages in which the Contract documents shall be drawn up and
- (b) the country or state the law of which shall apply to the Contract and according to which the Contract shall be construed.

If the said documents are written in more than one language, the language according to which the Contract shall be construed and interpreted is also stated in Part II of these Conditions, being therein designated the "Ruling Language".

Priority of Documents 5.2

The several documents forming the Contract are to be taken as mutually explanatory of one another, but in case of ambiguities or discrepancies the same shall be explained and adjusted by the Engineer who shall thereupon issue to the Contractor instructions thereon and in such event, unless otherwise provided in the Contract, the priority of the documents forming the Contract shall be as follows:

- (1) The Contract Agreement (if completed);
- (2) The Letter of Acceptance;
- (3) The Tender;
- (4) Part-II of these Conditions;
- (5) Part I of these Conditions; and
- (6) Any other documents forming part of the Contract.

Custody and Supply of
Drawings and
Documents

6.1

The Drawings shall remain in the sole custody of the Engineer, but two copies thereof shall be provided to the Contractor free of charge. The Contractor shall make at his own cost any further copies required by him. Unless it is strictly necessary for the purposes of the Contract, the Drawings, Specification and other documents provided by the Employer or the Engineer shall not, without the consent of the Engineer, be used or communicated to a third party by the Contractor. Upon issue of the Defects Liability Certificate, the Contractor shall return to the Engineer all Drawings, Specification and other documents provided under the Contract.

The Contractor shall supply to the Engineer four copies of all Drawings, Specification and other documents, submitted by the Contractor and

approved by the Engineer in accordance with Clause 6.1, and a reproducible copy of any material which cannot be reproduced to the same standard by photocopying. In addition the Contractor shall supply such further copies of such Drawings, Specification and other Documents as the Engineer may request in writing for the use of the Employer, who shall pay the cost thereof.

One Copy of Drawings to be Kept on Site

6.2 One copy of the Drawings, provided to or supplied by the Contractor as aforesaid, shall be kept by the Contractor on the Site and the same shall at all reasonable times be available for inspection and use by the Engineer and by any other person authorized by the Engineer in writing.

Disruption of Progress

6.3 The Contractor shall give notice to the Engineer, with a copy to the Employer, whenever planning or execution of the Works is likely to be delayed or disrupted unless any further drawing or instruction is issued by the Engineer within a reasonable time. The notice shall include details of the drawing or instruction required and of why and by when it is required and of any delay or disruption likely to be suffered if it is late.

Delays and Cost of Delay of Drawings

6.4 If, by reason of any failure or inability of the Engineer to issue, within a time reasonable in all circumstances, any drawing or instruction for which notice has been given by the Contractor in accordance with Sub-Clause 6.3, the Contractor suffers delay and/or incurs costs then the Engineer shall, after due consultation with the Employer and the Contractor, determine:

- (a) any extension of time to which the Contractor is entitled under Clause 44, and
- (b) the amount of such costs, which shall be added to the Contract Price, and shall notify the Contractor accordingly, with a copy to the Employer.

Failure by Contractor to Submit Drawings

6.5

If the failure or inability of the Engineer to issue any drawings or instructions is caused in whole or in part by the failure of the Contractor to submit drawings Specification or other Documents which he is required to submit under the Contract, the Engineer shall take such failure by the Contractor into account when making his determination pursuant to Sub-Clause 6.4.

Supplementary Drawings and Instructions

7.1

The Engineer shall have authority to issue to the Contractor, from time to time such supplementary Drawings and instructions as shall be necessary for the purpose of the proper and adequate execution and completion of the Work and the remedying of any defects therein. The Contractor shall carry out and be bound by the same.

Permanent Works Designed by Contractor

7.2

Where the Contract expressly provides that part of the Permanent Works shall be designed by the Contractor, he shall submit to the Engineer, for approval,

- (a) such drawings, specification, calculations and other information as shall be necessary to satisfy the Engineer as to the suitability and

and operation of that equipment.

- (b) operation and maintenance manuals together with drawings of the Permanent Works as completed, in sufficient detail to enable the Employer to operate, maintain, dismantle, reassemble and alter the Permanent Works incorporating that design. The Works shall not be considered to be completed for the purposes of taking over in accordance with Clause-48 until such operation and maintenance manuals, together with drawings on completion, have been submitted to and approved by the Engineer.

**Responsibility
Unaffected by
Approval**

- 7.3 Approval by the Engineer, in accordance with Sub Clause-7.2, shall not relieve the Contractor of any of his responsibilities under the Contract.

GENERAL OBLIGATIONS

**Contractor's
General
Responsibilities**

- 8.1 The Contractor shall, with due care and diligence, design (to the extent provided for by the Contract), execute and complete the Works, remedy any defects therein in accordance with the provisions of the Contract. The Contractor shall provide all superintendence, labour, materials, Plant, Contractor's Equipment and all other things, whether of a temporary or permanent nature, required in and for such design, execution, completion and remedying of any defects, so far as the necessity for providing the same is specified in or is reasonably to be inferred from the Contract.

**Site Operations
and Methods of
Construction**

- 8.2 The Contractor shall take full responsibility for the adequacy, stability and safety of all Site operations and methods of constructions, provided that the Contractor shall not be responsible (except as stated hereunder or as may be otherwise agreed) for the design or specification of Permanent Works or for the design or specification of any Temporary Works not prepared by the Contractor. Where the Contract expressly provides that part of the Permanent Works shall be designed by the contractor, he shall be fully responsible for that part of such Works, notwithstanding any approval by the Engineer.

Contract Agreement 9.1

- The Contractor shall, if called upon so to do, enter into and execute the Contract Agreement, to be prepared and completed at the cost of the Employer, in the form annexed to these Conditions with such modification as may be necessary.

Performance Security 10.1

- If the Contract requires the Contractor to obtain security for his proper performance of the Contract he shall obtain and provide to the Employer such security within 28 days after the receipt of the Letter of Acceptance, in the sum stated in the Appendix to Tender. When providing such security to the Employer, the Contractor shall notify the Engineer of so doing. Such security shall be in such form as may be agreed between the Employer and the Contractor. The institution providing such security shall be subject to the approval of the Employer. The cost of complying with the requirements of this Clause shall be borne by the Contractor, unless the Contract otherwise provides.

**Period of Validity of
performance Security 10.2**

The performance security shall be valid until the Contractor has executed and completed the Works and remedied any defects therein in accordance with the Contract. No claim shall be made against such security after the issue of the Defects Liability Certificate in accordance with Sub-Clause 11.1 and such security shall be returned to the Contractor within 14 days of the issue of the said Defect Liability Certificate.

**Claims under
Performance Security 10.3**

Prior to making a claim under the performance security the Employer shall, in every case, notify the Contractor stating the nature of the default in respect of which the claim is to be made.

Inspection of Site 11.1

The Employer shall have made available to the Contractor, before the submission by the contractor of the Tender, such data on hydrological and sub-surface conditions as have been obtained by or on behalf of the Employer from investigations undertaken relevant to the Works but the Contractor shall be responsible for his own interpretation thereof.

The Contractor shall be deemed to have inspected and examined the Site and its surroundings and information available in connection therewith and to have satisfied himself (so far as is practicable, having regard to considerations of cost and time) before submitting his Tender, as to

- (a) the form and nature thereof, including the sub-surface conditions;
- (b) the hydrological and climatic conditions;
- (c) the extent and nature of work and materials necessary for the execution and completion of the Works and the remedying of any defects therein; and
- (d) the means of access to the Site and the accommodation he may require and, in general, shall be deemed to have obtained all necessary information subject as above mentioned, as to risks, contingencies and all other circumstances which may influence or affect his Tender.

The Contractor shall be deemed to have based his Tender on the data made available by the Employer and on his own inspection and examination, all as aforementioned.

Sufficiency of Tender 12.1

The Contractor shall be deemed to have satisfied himself as to the correctness and sufficiency of the Tender and of the rates and prices stated in the Bill of Quantities, all of which shall, except in so far as it is otherwise provided in the contract, cover all his obligations under the Contract (including those in respect of the supply of goods, materials, Plant or services or of contingencies for which there is a Provisional Sum) and all matters and things necessary for the proper execution and completion of the Works and the remedying of any defects therein.

Adverse Physical Obstructions or Conditions	12.2	<p>If, however, during the execution of the Works the Contractor encounters physical obstructions or physical conditions, other than climatic conditions, on the Site, which obstructions or conditions were, in his opinion, not foreseeable by an experienced contractor, the Contractor shall forthwith give notice thereof to the Engineer, with a copy to the Employer. On receipt of such notice, the Engineer shall, if in his opinion such obstructions or conditions could not have been reasonably foreseen by an experienced contractor, after due consultation with the Employer and the Contractor, determine:</p> <ul style="list-style-type: none"> (a) any extension of time to which the Contractor is entitled under Clause-14, and (b) the amount of any costs which may have been incurred by the Contractor by reason of such obstructions or conditions having been encountered, which shall be added to the Contract Price. <p>and shall notify the Contractor accordingly, with a copy to the Employer. Such determination shall take account of any instruction which the Engineer may issue to the Contractor in connection therewith, and any proper and reasonable measures acceptable to the Engineer which the Contractor may take in the absence of specific instructions from the Engineer.</p>
Work to be in Accordance with Contract	13.1	<p>Unless it is legally or physically impossible, the Contractor shall execute and complete the Works and remedy any defects therein in strict accordance with the Contract to the satisfaction of the Engineer. The Contractor shall comply and adhere strictly to the Engineer's instructions on any matter, whether mentioned in the Contract or not, touching or concerning the Works. The Contractor shall take instructions only from the Engineer or, subject to the provisions of Clause-2, from the Engineer's representative.</p>
Programme to be Submitted	14.1	<p>The Contractor shall, within the time stated in Part-II of these Conditions, after the date of the Letter of Acceptance, submit to the Engineer for his consent a programme, in such form and detail as the Engineer may reasonably prescribe, for the execution of the Works. The contractor shall, whenever required by the Engineer, also provide in writing for his information a general description of the arrangements and methods which the Contractor proposes to adopt for the execution of the Works.</p>
Revised Programme	14.2	<p>If at any time it should appear to the Engineer that the actual progress of the Works does not conform to the programme to which consent has been given under Sub-Clause-14.1, the Contractor shall produce, at the request of the Engineer, a revised programme showing the modifications to such programme necessary to ensure completion of the Works within the Time for Completion.</p>
Cash Flow Estimate to be Submitted	14.3	<p>The Contractor shall, within the time stated in Part-II of these Conditions, after the date of the Letter of Acceptance, provide to the Engineer for his information a detailed cash flow estimate, in quarterly period, of all payment to which the Contractor will be entitled under the Contract and the</p>

		Contractor shall subsequently supply revised cash flow estimates at regular intervals, if required to do so by the Engineer.
Contractor not Relieved of Duties or Responsibilities	14.4	the submission to and consent by the Engineer of such programmes or the provision of such general descriptions or cash flow estimates shall not relieve the Contractor of any of his duties and responsibilities under the Contract.
Contractor's Superintendence	15.1	<p>The Contractor shall provide all necessary superintendence during the execution of the Works and as long thereafter as the Engineer may consider necessary for the proper fulfilling of the Contractor's obligations under the Contract. The Contractor, or a competent and authorized representative approved of by the Engineer, which approval may at any time be withdrawn, shall give his whole time to the superintendence of the Works. Such authorized representative shall receive, on behalf of the Contractor, instructions from the Engineer or, subject to the provisions of Clause 2, the Engineer's Representative.</p> <p>If approval of the representative is withdrawn by the Engineer, the Contractor shall, as soon as is practicable, having regard to the requirement of replacing him as hereinafter mentioned, after receiving notice of such withdrawal, remove the representative from the Works and shall not thereafter employ him again on the Works in any capacity and shall replace him by another representative approved by the Engineer.</p>
Contractor's Employees	16.1	<p>The Contractor shall provide on the Site in connection with the execution and completion of the Works and the remedying of any defects therein:</p> <ul style="list-style-type: none"> (a) only such technical assistants as are skilled and experienced in their respective callings and such foremen and leading hands as are competent to give proper superintendence of the Works, and (b) such skilled, semi-skilled and unskilled labour as is necessary for the proper and timely fulfilling of the Contractor's obligations under the Contract.
Engineer at Liberty to Object	16.2	The Engineer shall be at liberty to object to and require the Contractor to remove forthwith from the Works any person provided by the Contractor who, in the opinion of the Engineer, misconducts himself, or is incompetent or negligent in the proper performance of his duties, or whose presence on site is otherwise considered by the Engineer to be undesirable, and such person shall not be again allowed upon the Works without the consent of the Engineer. Any person so removed from the Works shall be replaced as soon as possible.
Setting-out	17.1	<p>The Contractor shall be responsible for:</p> <ul style="list-style-type: none"> (a) the accurate setting-out of the Works in relation to original points, lines and levels of reference given by the Engineer in writing, (b) the correctness, subject as above mentioned, of the position, levels, dimensions and alignment of all parts of the Works, and

(c) the provision of all necessary instruments, appliances and know-how in connection with the foregoing responsibilities.

If, at any time during the execution of the Works, any error appears in the position, levels, dimensions or alignment of any part of the Works, the Contractor, on being required so to do by the Engineer, shall at his own cost rectify such error to the satisfaction of the Engineer, unless such error is based on incorrect data supplied in writing by the Engineer, in which case the Engineer shall determine an addition to the Contract Price in accordance with Clause-22 and shall notify the Contractor accordingly, with a copy to the Employer.

The checking of any setting-out or of any line or level by the Engineer shall not in any way relieve the Contractor of his responsibility for the accuracy thereof and the Contractor shall carefully protect and preserve all bench marks, sign rails, pegs and other things used in setting-out the Works.

**Boreholes and
Exploratory
Excavation**

- 18.1** If, at any time during the execution of the Works, the Engineer requires the Contractor to make boreholes or to carry out exploratory excavation, such requirement shall be the subject of an instruction in accordance with Clause-51, unless an item or a Provisional Sum in respect of such work is included in the Bill of Quantities.

**Safety, Security and
protection of the
Environment**

- 19.1** The Contractor shall, throughout the execution and completion of the Works and the remedying of any defects therein:

- (a) have full regard for the safety of all persons entitled to be upon the Site and keep the Site (so far as the same is under his control) and the Works (so far as the same are not completed or occupied by the Employer) in an orderly state appropriate to the avoidance of danger to such persons; and
- (b) provide and maintain at his own cost all lights, guards, fencing, warning signs and watching, when and where necessary or required by the Engineer or by any duly constituted authority, for the protection of the Works or for the safety and convenience of the public or others; and
- (c) take all reasonable steps to protect the environment on and off the Site and to avoid damage or nuisance to persons or to property of the public or others resulting from pollution, noise or other causes arising as a consequence of his methods of operation.

**Employer's
Responsibilities**

- 19.2** If under Clause-31 the Employer shall carry out work on the Site with his own workmen he shall, in respect of such works:
- (a) have full regard to the safety of all persons entitled to be upon the Site; and
 - (b) keep the Site in an orderly state appropriate to the avoidance of danger to such persons.

If under Clause-3, the Employer shall employ other contractors on the Site, he shall require them to have the same regard for safety and avoidance of damage to the Works.

Care of Works 20.1

The Contractor shall take full responsibility for the care of the Works and materials and Plant for incorporation therein from the Commencement Date until the date of issue of the Taking Over Certificate for the whole of the Works, when the responsibility for the said care shall pass to the Employer. Provided that:

- (a) if the Engineer issues a Taking-Over Certificate for any Section or Part of the permanent Works the Contractor shall cease to be liable for the care of that Section or part from the date of issue of the Taking-over Certificate, when the responsibility for the care of Section or part shall pass to the Employer, and
- (b) the Contractor shall take full responsibility for the care of any outstanding Works and materials and Plant for incorporation therein which he undertakes to finish during the Defects Liability Period until such outstanding Works have been completed pursuant to Clause-49.

Responsibility to Rectify Loss or Damage

- 20.2 If any loss or damage happens to the Works, or any part thereof, or material or Plant for incorporation therein, during the period for which the Contractor is responsible for the care thereof, from any cause whatsoever, other than risks defined in Sub-Clause-20.4, the Contractor shall, at his own cost, rectify such loss or damage so that the permanent Works conform in every respect with the provisions of the Contract to the satisfaction of the Engineer. The Contractor shall also be liable for any loss or damage to the Works occasioned by him in the course of any operations carried out by him for the purpose of complying with his obligations under Clause-49 and 50.

Loss or Damage Due to Employer's Risks

- 20.3 In the event of any such loss or damage happening from any of the risks defined in Sub-Clause-20.4 or in combination with other risk, the Contractor shall, if and to the extent required by the Engineer, rectify the loss or damage and the Engineer shall determine an addition to the Contract Price in accordance with Clause-52 and shall notify the Contractor accordingly, with a copy to the Employer. In the case of a combination of risk causing loss or damage any such determination shall take into account the proportional responsibility of the Contractor and the Employer.

Employer's Risk

- 20.4 The Employer's risks are:

- (a) war, hostilities (whether war be declared or not), invasion, act of foreign enemies,
- (b) rebellion, revolution, insurrection, or military or usurped power, or civil war
- (c) ionising radiations, or contamination by radio-activity from any nuclear fuel, or from any nuclear waste from the combustion of nuclear fuel, radio activity toxic explosive, or other hazardous

properties of any explosive or flame-producing material or thereof.

- (d) pressure waves caused by aircraft or other aerial devices travelling at sonic or supersonic speed;
- (e) riot, commotion or disorder, unless solely restricted to employees of the Contractor or of his Subcontractors and arising from the conduct of the Works;
- (f) loss or damage due to the use or occupation by the Employer of any Section or part of the Permanent Works, except as may be provided for in the Contract;
- (g) loss or damage to the extent that it is due to the design of the Works other than any part of the design provided by the Contractor or to which the Contractor's responsible;
- (h) any operation of the forces of nature against which an experienced contractor could not reasonably have been expected to take precautions.

Insurance of Works and Contractor's Equipment

21.1 The Contractor shall, without limiting his or the Employer's obligations and responsibilities under Clause-20, insure:

- (a) the Works, together with materials and Plant for incorporation therein, to the full replacement cost
- (b) an additional sum of 15 percent of such replacement cost, or as may be specified in Part-II of these Conditions, to cover any additional cost of and incidental to the rectification of loss or damage including professional fees and the cost of demolishing and removing any part of the Works and of removing debris of whatever nature
- (c) the Contractor's Equipment and other things brought onto the Site by the Contractor, for a sum sufficient to provide for their replacement at the Site.

Scope of Cover 21.2

The insurance in paragraphs (a) and (b) of Sub-Clause 21.1 shall be in the joint names of the Contractor and the Employer and shall cover:

- (a) the Employer and the Contractor against all loss or damage from whatsoever cause arising, other than as provided in Sub-Clause 21.4, from the start of work at the Site until the date of issue of the relevant Taking-Over Certificate in respect of the Works or any Section or part thereof as the case may be, and

		(b) the Contractor's liability
		(c) during the Defects Liability Period for loss or damage arising from a cause occurring prior to the commencement of the Defects Liability Period; and
		(d) for loss or damage occasioned by the Contractor in the course of any operations carried out by him for the purpose of complying with his obligations under Clause 49(a);
Responsibility for Amounts not Recovered	21.3	Any amounts not insured or not recovered from the insurers shall be borne by the Employer or the Contractor in accordance with their responsibilities under Clause 40.
Exclusions	21.4	There shall be no obligation for the insurances in Sub-Clause 21.1 to include loss or damage caused by: <ul style="list-style-type: none"> (a) war, hostilities (where war be declared or not), invasion, acts of foreign enemies; (b) rebellion, revolution, insurrection or military or usurped power or civil war; (c) ionising radiations, or contamination by radio activity from any nuclear fuel, or from any nuclear waste from the combustion of nuclear fuel, radio-active toxic explosive, or other hazardous properties of any explosive nuclear assembly or nuclear component thereof; (d) pressure waves caused by aircraft or other aerial devices travelling at sonic or supersonic speeds.
Damage to Persons and Property	22.1	The Contractor shall, except if and so far as the Contractor provides otherwise, indemnify the Employer against all losses and claims in respect of: <ul style="list-style-type: none"> (a) death of or injury to any person; or (b) loss of or damage to any property (other than the Works), which may arise out of or in consequence of the execution and completion of the Works and the remedying of any defects therein, and against all claims, proceedings, damages, costs, charges and expenses whatsoever in respect thereof in relation thereto subject to the exceptions defined in Sub-Clause 22.2.
Exceptions	22.2	The "exceptions" referred to in Sub-Clause 22.1 are: <ul style="list-style-type: none"> (a) the permanent use or occupation of land by the Works, or any part thereof; (b) the right of the Employer to execute the Works, or any part thereof, on, over, under, in or through any land;

		(c)	damage to property which is the unavoidable result of the execution and completion of the Works, or the remedying of any defect therein, in accordance with the Contract.
		(d)	death of or injury to persons or loss of or damage to property resulting from any act of negligence of the Employer, his agents, servants or other Contractors, not being employed by the Contractor, or in respect of any claims, proceedings, damages, costs, charges and expenses in respect thereof or in relation thereto or, where the injury or damage was contributed to by the Contractor, his servants or agents, such part of the said injury or damage as may be just and equitable having regard to the extent of the responsibility of the Employer, his servants or agents or other contractors for the injury or damage.
Indemnity by Employer	22.3		The Employer shall indemnify the Contractor against all claims, proceedings, damage, costs, charges and expenses in respect of the matters referred to in the exceptions defined in Sub-Clause 22.2.
Third Party Insurance (including Employer's Property)	23.1		The Contractor shall, without limiting his or the Employer's obligations and responsibilities under Clause 22, insure, in the joint names of the contractor and the Employer, against liabilities for death of or injury to any person (other than as provided in Clause 24) or loss of or damage to any property (other than the Works) arising out of the performance of the Contract, other than the exceptions defined in paragraphs (a), (b) and (c) of Sub-Clause 22.2.
Minimum Amount of Insurance	23.2		Such insurance shall be for at least the amount stated in the Appendix to Tender.
Cross Liabilities	23.3		The insurance policy shall include a cross liability clause such that the insurance shall apply to the Contractor and to the Employer as separately insured.
Accident or Injury to Workmen	24.1		The Employer shall not be liable for or in respect of any damages or compensation payable to any workman or other person in the employment of the Contractor or any Subcontractor, other than death of injury resulting from any act or default of the Employer, his agents or servants. The Contractor shall indemnify and keep indemnified of the Employer against all such damages and compensation, other than those for which the Employer is liable as aforesaid, and against all claims, proceedings, damages, costs, charges, and expenses whatsoever in respect thereof or in relation thereto.
Insurance Against Accident to Workmen	24.2		The Contractor shall insure against such liability and shall continue such insurance during the whole of the time that any persons are employed by him on the Works, Provided that, in respect of any persons employed by any Subcontractor, the Contractor's obligations to insure as aforesaid under this Sub-Clause shall be satisfied if the Subcontractor shall have insured against the liability in respect of such persons in such manner that the Employer is indemnified under the policy, but the Contractor shall require such

Subcontractor to produce to the Employer, when required, such evidence of insurance and the receipt for the payment of the current premium.

Evidence and

Terms of Insurance

25.1

The Contractor shall provide evidence to the Employer prior to the start of work at the Site that the insurance required under the Contract have been effected and shall, within 8-1 days of the Commencement Date, provide the insurance policies to the Employer. When providing such evidence and such policies to the Employer, the Contractor shall notify the Engineer of so doing. Such insurance policies shall be consistent with the general terms agreed prior to the issue of the Letter of Acceptance. The Contractor shall effect all insurance for which he is responsible with insurance and in term approved by the Employer.

Adequacy of

Insurance

25.2

The Contractor shall notify the insurers of changes in the nature, extent or programme for the execution of the Works and ensure the adequacy of the insurance at all times in accordance with the terms of the Contract and shall, when required, produce to the Employer the insurance policies in force and the receipts for payment of the current premiums.

Remedy on

Contractor's

Failure to Insure

25.3

If the Contractor fails to effect and keep in force any of the insurance required under the Contract, or fails to provide the policies to the Employer within the period required by Sub-Clause-25.1, then and in any such case the Employer may effect and keep in force any such insurance and pay any premium as may be necessary for that purpose and from time to time deduct the amount so paid any monies due or to become due to the Contractor, or recover the same as a debt due from the Contractor.

Compliance with

Policy Conditions

25.4

In the event that the Contractor or the Employer fails to comply with conditions imposed by the insurance policies effected pursuant to the Contract, each shall indemnify the other against all losses and claims arising from such failure.

Compliance with

Statutes Regulations

26.1

The contractor shall conform in all respects, including by the giving of all notices and the paying of all fees, with the provisions of:

- (a) any National or State Statute, Ordinance, or other Law, or any regulation, or bye law of any local or other duly constituted authority in relation to the execution and completion of the Works and the remedying of any defects therein, and
- (b) the rules and regulations of all public bodies and companies whose property or right are affected or may be affected in any way by the Works,

and the Contractor shall keep the Employer indemnified against all penalties and liability of every kind for breach of any such provisions, Provided always that the Employer shall be responsible for obtaining any planning, zoning or other similar permission required for the Works to proceed and shall indemnify the Contractor in accordance with Sub-Clause-22.3

Fossils	27.1	<p>All fossils, bones, articles of value or antiquity and structures and other remains or things of geological or archaeological interest discovered on the Site shall, as between the Employer and the Contractor, be deemed to be the absolute property of the Employer. The Contractor shall take every possible precaution to prevent his workmen or any other persons from removing or damaging any such article or thing and shall, immediately upon discovery thereof and before removal, acquaint the Engineer of such discovery and carry out the Engineer's instructions for dealing with the same. If, by reason of such instructions, the Contractor suffers delay and/or incurs costs then the Engineer shall, after due consultation with the Employer and the Contractor, determine:</p> <ul style="list-style-type: none"> (a) any extension of time to which the Contractor is entitled, in the event of Clause-11, and (b) the amount of such costs, which shall be added to the Contract Price, <p>and shall notify the Contractor accordingly, with a copy to the Employer.</p>
Patent Rights	28.1	<p>The Contractor shall save harmless and indemnify the Employer from and against all claims and proceedings for or on account of infringement of any patent rights, design trademark or name or other protected right in respect of any Contractor's Equipment, materials or Plant used for or in connection with or for incorporation in the Works and from and against all damages, costs, charges and expenses whatsoever in respect thereof or in relation thereto, except where such infringement results from compliance with the design or Specification provided by the Engineer.</p>
Royalties	28.2	<p>Except where otherwise stated, the Contractor shall pay all tonnage and other royalties, rent and other payments or compensation, if any, for getting stone, sand, gravel, clay or other materials required for the Works.</p>
Interference with Traffic and Adjoining Properties	29.1	<p>All operations necessary for the execution and completion of the Work and the remedying of any defects therein shall, so far as compliance with the requirements of the Contract permits, be carried on so as not to interfere unnecessarily or improperly with:</p> <ul style="list-style-type: none"> (a) the convenience of the public, or (b) the access to, use and occupation of public or private roads and footpaths to or of properties whether in the possession of the Employer or of any other person. <p>The Contractor shall save harmless and indemnify the Employer in respect of all claims, proceedings, damages, costs, charges and expenses whatsoever arising out of, or in relation to, any such matters insofar as the Contractor is responsible therefore.</p>
Avoidance of Damage to Roads	30.1	<p>The Contractor shall use every reasonable means to prevent any of the roads or bridges communicating with on the routes to the Site from being damaged or injured by any traffic of the Contractor or any of his Subcontractors and</p>

in particular, shall select routes, choose and use vehicles and restrict and distribute loads so that any such extraordinary traffic as will inevitably arise from the moving of materials, Plant, Contractor's Equipment or Temporary Works from and to the Site shall be limited, as far as reasonable possible, and so that no unnecessary damage or injury may be occasioned to such roads and bridges.

**Transport of
Contractor's
Equipment or
Temporary Works**

30.2

Save insofar as the Contract otherwise provides, the Contractor shall be responsible for and shall pay cost of strengthening any bridges or altering or improving any road communicating with or on the routes to the Site to facilitate the movement of Contractor's Equipment or Temporary Works and the Contractor shall indemnify and keep indemnified the Employer against all claims for damage to any such road or bridge caused by such movement, including such claims as may be made directly against the Employer, and negotiate and pay all claims arising solely out of such damage.

**Transport of
Materials or Plant**

30.3

If, notwithstanding Sub-Clause-30.1, any damage occurs to any bridge or road communicating with or on the routes to the Site arising from the transport of materials or Plant, the Contractor shall notify the Engineer with a copy to the Employer, as soon as he becomes aware of such damage or as soon as he receives any claim from the authority entitled to make such claim. Where under any law or regulation the haulier of such materials or Plant is required to indemnify the road authority against damage the Employer shall not be liable for any costs, charges or expenses in respect thereof or in relation thereto. In other cases the Employer shall negotiate the settlement of and pay all sums due in respect of such claim and shall indemnify the Contractor in respect thereof and in respect of all claims, proceedings, damages, cost, charges and expenses in relation thereto provided that if and insofar as any such claim or part thereof is, in the opinion of the Engineer, due to any failure on the part of the Contractor to observe and perform his obligations under Sub-Clause-30.1, then the amount, determined by the Engineer, after due consultation with the Employer and the Contractor, to be due to such failure shall be recoverable from the Contractor by the Employer and may be deducted by the Employer from any monies due or to become due to the contractor and the Engineer shall notify the Contractor accordingly, with a copy to the Employer. Provided also that the Employer shall notify the Contractor whenever a settlement is to be negotiated and, where any amount may be due from the Contractor, the Employer shall consult with the Contractor before such settlement is agreed.

Waterborne Traffic

30.4

Where the nature of the Works is such as to require the use by the Contractor of waterborne transport the foregoing provisions of this Clause shall be construed as though "road" included a lock, dock, sea wall or other structure related to a waterway and "vehicle" included craft, and shall have effect accordingly.

**Opportunities for
Other Contractors**

31.1

The Contractor shall, in accordance with the requirements of the Engineer afford all reasonable opportunities for carrying out their work to:

- (a) any other contractors employed by the Employer and their workmen,

		(b) the workmen of the Employer, and
		(c) the workmen of any duly constituted authorities who may be employed in the execution on or near the Site of any work not included in the Contract or of any contract which the Employer may enter into in connection with or ancillary to the Works
Facilities for Other Contractors	31.2	If, however, pursuant to Sub Clause 31.1 the Contractor shall, on the written request of the Engineer: <ul style="list-style-type: none"> (a) make available to any such other Contractor, or to the Employer or any such authority, any roads or ways for the maintenance of which the Contractor is responsible, or (b) permit the use, by any such, of Temporary Works or Contractor's Equipment on the Site, or (c) provide any other service of whatsoever nature for any such, the Engineer shall determine an addition to the Contract Price in accordance with Clause 57 and shall notify the Contractor accordingly, with a copy to the Employer.
Contractor to Keep Site Clear	32.1	During the execution of the Works the Contractor shall keep the Site reasonably free from all unnecessary obstruction and shall store or dispose of the Contractor's Equipment and surplus materials and clear away and remove from the Site any wreckage, rubbish or Temporary Works no longer required
Clearance of Site on Completion 33.1		Upon the issue of any Taking-Over Certificate the Contractor shall clear away and remove from that part of the Site to which such Taking-Over Certificate relates all Contractor's Equipment, Surplus material, rubbish and Temporary Works of every kind, and leave such part of the Site and Works clean and in a workmanlike condition to the satisfaction of the Engineer. Provided that the Contractor shall be entitled to retain on Site, until the end of the Defects Liability Period, such materials, Contractor's Equipment and Temporary Works as are required by him for the purpose of fulfilling his obligations during the Defects Liability Period.

L A B O U R

Engagement of Staff and Labour	34.1	The Contractor shall, unless otherwise provided in the Contract, make his own arrangements for the engagement of all staff and labour, local or other, and for their payment, housing, feeding and transport.
Returns of Labour and Contractor's Equipment	35.1	The Contractor shall, if required by the Engineer, deliver to the Engineer a return in detail, in such form and at such intervals as the Engineer may prescribe showing the staff and the numbers of the several classes of labour from time to time employed by the Contractor on the Site and such information respecting Contractor's Equipment as the Engineer may require.

MATERIALS, PLANT AND WORKMANSHIP

Quality of Materials Plant and Workmanship

36.1 All materials, Plant and workmanship shall be

- (a) of the respective kinds described in the Contract and in accordance with the Engineer's instructions, and
- (b) subjected from time to time to such test as the Engineer may require at the place of manufacture, fabrication or preparation, or on the Site, or at such other place or places as may be specified in the Contract or at all or any of such place.

The Contractor shall provide such assistance, labour, electricity, fuel, stores, apparatus and instruments as are normally required for examining, measuring and testing any materials or Plant and shall supply samples of materials, before incorporation in the Works, for testing as may be selected and required by the Engineer.

Cost of Sample 36.2

All samples shall be supplied by the Contractor at his own cost if the supply thereof is clearly intended by or provided for in the Contract.

Cost of Tests

36.3 The cost of making any test shall be borne by the Contractor if such test is

- (a) clearly intended by or provided for in the Contract, or
- (b) particularised in the Contract (in cases only of a test under load or of a test to ascertain whether the design of any finished or partially finished work is appropriate for the purposes which it was intended to fulfill) in sufficient detail to enable the Contractor to price or allow for the same in his Tender.

Cost of Tests not Provided for

36.4 If any test required by the Engineer which is

- (a) not so intended by or provided for, or
- (b) (in the cases above mentioned) not so particularised, or
- (c) (though so intended or provided for) required by the Engineer to be carried out at any place other than the Site or the place of manufacture, fabrication or preparation of the materials or Plant tested,

shows the materials, Plant or workshop not to be in accordance with the provisions of the Contract to the satisfaction of the Engineer, then the cost of such test shall be borne by the Contractor, but in any other case Sub-Clause 36.5 shall apply.

Engineer's Determination where Tests not Provided for

36.5 Where, pursuant to Sub-Clause-36.4, this Sub-Clause applies the Engineer shall, after due consultation with the Employer and the Contractor, determine:

(c) any extension of time to which the Contractor is entitled under Clause 34, and

(d) the amount of such costs, which shall be added to the Contract Price and shall notify the Contractor accordingly, with a copy to the Employer.

Inspection of Operations

37.1 The Engineer, and any person authorized by him, shall at all reasonable times have access to the Site and to all workshops and places where materials or Plant are being manufactured, fabricated or prepared for the Works and the Contractor shall afford every facility for and every assistance in obtaining the right to such access.

Inspection and Testing

37.2 The Engineer shall be entitled, during manufacture, fabrication or preparation to inspect and test the materials and Plant to be supplied under the Contract. If materials or Plant are being manufactured, fabricated or prepared in workshops or places other than those of the Contractor, the Contractor shall obtain permission from the Engineer to carry out such inspection and testing in those workshops or places. Such inspection or testing shall not release the Contractor from any obligation under the Contract.

Dates for Inspection and Testing

37.3 The Contractor shall agree with the Engineer on the time and place for the inspection or testing of any materials or Plant as provided in the Contract. The Engineer shall give the Contractor not less than 24 hours notice of this intention to carry out the inspection or to attend the tests. If the Engineer, or his duly authorized representative, does not attend on the date agreed, the Contractor may, unless otherwise instructed by the Engineer, proceed with the test, which shall be deemed to have been made in the presence of the Engineer. The Contractor shall forthwith forward to the Engineer duly certified copies of the test readings; if the Engineer has not attended the test, he shall accept the said readings as accurate.

Rejection

37.4 If, at the time and place agreed in accordance with Sub-Clause 37.3, the materials or Plant are not ready for inspection or testing or if, as a result of the inspection or testing referred to in this Clause, the Engineer determines that the materials or Plant are defective or otherwise not in accordance with the Contract, he may reject the materials or Plant and shall notify the Contractor thereof immediately. The notice shall state the Engineer's objections with reasons. The Contractor shall then promptly make good the defect or ensure that rejected materials or Plant comply with the Contract. If the Engineer so requests, the tests of rejected materials or Plant shall be made or repeated under the same terms and conditions. All costs incurred by the Employer by the repetition of the tests shall, after due consultation with the Employer and the Contractor, be determined by the Engineer and shall be recoverable from the Contractor by the Employer and may be deducted from any monies due or to become due to the Contractor and the Engineer shall notify the Contractor accordingly, with a copy to the Employer.

Independent Inspection

37.5 The Engineer may delegate inspection and testing of materials or Plant to an independent inspector. Any such delegation shall be effected in accordance with Sub-Clause 2.4 and for this purpose such independent inspector shall

be considered as an assistant of the Engineer, notice of such appointment (not being less than 14 days) shall be given by the Engineer to the Contractor.

**Examination of Work
before Covering up**

38.1

No part of the Works shall be covered up or put out of view without the approval of the Engineer and the Contractor shall afford full opportunity for the Engineer to examine and measure any such part of the Works which is about to be covered up or put out of view and to examine foundations before any part of the Works is placed thereon. The Contractor shall give notice to the Engineer whenever any such part of the Works or foundations is, or are, ready or about to be ready for examination and the Engineer shall, without unreasonable delay, unless he considers it unnecessary and advises the Contractor accordingly, attend for the purpose of examining and measuring such part of the Works or of examining such foundations.

**Uncovering and
Making Openings**

38.2

The Contractor shall uncover any part of the Works or make openings in or through the same as the Engineer may from time to time instruct and shall reinstate and make good such part. If any such part has been covered up or put out of view after compliance with the requirement of Sub-Clause 38.1 and is found to be executed in accordance with the Contract, the Engineer shall, after due consultation with the Employer and the Contractor, determine the amount of the Contractor's costs in respect of such of uncovering, making openings in or through, reinstating and making good of the same, which shall be added to the Contract Price and shall notify the Contractor accordingly, with a copy to the Employer. In any other case all costs shall be borne by the Contractor.

**Removal of Improper
Work Materials or
Plant**

39.1

The Engineer shall have authority to issue instructions from time to time, for

- (a) the removal from the Site, within such time or times as may be specified in the instruction, of any materials or Plant which, in the opinion of the Engineer, are not in accordance with the Contract;
- (b) the substitution of proper and suitable materials or Plant; and
- (c) the removal and proper re-execution, notwithstanding any previous test thereof or interim payment thereof, of any work which, in respect of:
 - (i) materials, Plant or Workmanship, or
 - (ii) design by the Contractor or for which he is responsible,

is not, in the opinion of the Engineer, in accordance with the Contract.

**Default of Contractor
in Compliance 39.2**

In case of default on the part of the Contractor in carrying out such instruction within the time specified therein or, if none, within a reasonable time, the Employer shall be entitled to employ and pay other persons to carry out the same and all costs consequent thereon or incidental thereto shall, after due consultation with the Employer and the Contractor, be determined by the Engineer and shall be recoverable from the Contractor by the Employer, and may be deducted by the Employer from any monies due or to become due to the Contractor and the Engineer shall notify the Contractor accordingly, with a copy to the Employer.

SUSPENSION

- Suspension of Work - 40.1** The Contractor shall, on the instructions of the Engineer, suspend the progress of the Works or any part thereof for such time and in such manner as the Engineer may consider necessary and shall, during suspension, properly protect and secure the Works or such part thereof so far as is necessary in the opinion of the Engineer, unless such suspension is
- (a) otherwise provided for in the Contract, or
 - (b) necessary by reason of some default of or breach of contract by the Contractor or for which he is responsible, or
 - (c) necessary by reason of climatic conditions on the Site, or
 - (d) necessary for the proper execution of the Works or for the safety of the Works or any part thereof (save to the extent that such necessity arises from any act or default by the Engineer or the Employer or from any of the risks defined in Sub-Clause-20.4).
- Sub-Clause 40.2 shall apply.
- Engineer's Determination following Suspension - 40.2** Where, pursuant to Sub-Clause-40.1, this Sub Clause applies the Engineer shall, after due consultation with the Employer and the Contractor, determine:
- (a) any extension of time to which the Contractor is entitled under Clause-44, and
 - (b) the amount, which shall be added to the Contract Price, in respect of the cost incurred by the Contractor by reason of such suspension,
- and shall notify the Contractor accordingly, with a copy to the Employer.
- Suspension Lasting more than 84 Days - 40.3** If the progress of the Works or any part thereof is suspended on the written instructions of the Engineer and if permission to resume work is not given by the Engineer within a period of 84 days from the date of suspension then, unless such suspension is within paragraph (a), (b), (c) or (d) of Sub-Clause 40.1, the Contractor may give notice to the Engineer reacquiring permission, within 28 days from the receipt thereof, to proceed with the Works or that part thereof in regard to which progress is suspended. If, within the said time, such permission is not granted, the Contractor may, but is not bound to elect to treat the suspension, where it affects part only of the Works, as an omission of such part under Clause-51 by giving a further notice to the Engineer to that effect, or, where it affects the whole of the Works, treat the suspension as an event of default by the Employer and terminate his employment under the Contract in accordance with the provisions of Sub-Clause-69.1, whereupon the provisions of Sub-Clause-69.2 and 69.3 shall apply.

COMMENCEMENT AND DELAYS

Commencement of Work	41.1	The Contractor shall commence the Works as soon as is reasonably practicable after the receipt by him of a notice to this effect from the Engineer, which notice shall be issued within the time stated in the Appendix to Tender, or the date of the Letter of Acceptance. Thereafter, the Contractor shall proceed with the Works with due expedition and without delay.
Possession of Site and Access Thereto	42.1	<p>Save insofar as the Contract may prescribe:</p> <ul style="list-style-type: none"> (a) the extent of portions of the Site of which the Contractor is to be given possession from time to time; and (b) the order in which such portions shall be made available to the Contractor and subject to any requirement in the Contract as to the order in which the Works shall be executed, the Employer will, at the Engineer's notice to commence the Works, give to the Contractor possession of: (c) so much of the Site; and (d) such access as, in accordance with the Contract, is to be provided to the Employer as may be required to enable the Contractor to commence and proceed with the execution of the Works in accordance with the programme referred to in Clause 14, and/or, and otherwise in accordance with such reasonable proposals as the Contractor shall, by notice to the Engineer with a copy to the Employer, make. The Employer will, from time to time as the Works proceed, give to the Contractor possession of such further portions of the Site as may be required to enable the Contractor to proceed with the execution of the Works with due dispatch in accordance with such programme or proposals, as the case may be.
Failure to Give Possession	42.2	<p>If the Contractor suffers delay and/or incurs costs from failure on the part of the Employer to give possession in accordance with the terms of Sub-Clause 42.1, the Engineer shall, after due consultation with the Employer and the Contractor, determine:</p> <ul style="list-style-type: none"> (a) any extension of time to which the Contractor is entitled under Clause 44; and (b) the amount of such costs, which shall be added to the Contract Price, <p>and shall notify the Contractor accordingly, with a copy to the Employer.</p>
Way leaves and Facilities	42.3	The Contractor shall bear all costs and charges for special or temporary way leaves required by him in connection with access to the Site. The Contractor shall also provide at his own cost any additional facilities outside the Site required by him for the purposes of the Works.

Time for Completion	43.1	The whole of the Works and, if applicable, any Section required to be completed within a particular time as stated in the Appendix to Tender, shall be completed in accordance with the provisions of Clause 48, within the time stated in the Appendix to Tender for the whole of the Works or the Section (as the case may be), calculated from the Commencement Date or such extended time as may be allowed under Clause 44.
Extension of Time for Completion	44.1	In the event of <ul style="list-style-type: none"> (a) the amount or nature of extra or additional work, or (b) any cause of delay referred to in these Conditions, or (c) exceptionally adverse climatic conditions, or (d) any delay, impediment or prevention by the Employer, or (e) other special circumstances which may occur, other than through a default of or breach of contract by the Contractor or for which he is responsible, being such as fairly to entitle the Contractor to an extension of the Time for Completion of the Works, or any Section or part thereof, the Engineer shall, after due consultation with the Employer and the Contractor, determine the amount of such extension and shall notify the Contractor accordingly, with a copy to the Employer.
Contractor to Provide Notification and Detailed Particulars	44.2	Provided that the Engineer is not bound to make any determination unless the Contractor has <ul style="list-style-type: none"> (a) within 28 days after such event has first arisen notified the Engineer with a copy to the Employer, and (b) within 28 days, or such other reasonable time as may be agreed by the Engineer, after such notification submitted to the Engineer detailed particulars of any extension of time to which he may consider himself entitled in order that such submission may be investigated at the time.
Interim Determination of Extension	44.3	Provided also that where an event has a continuing effect such that it is not practicable for the contractor to submit detailed particulars within the period of 28 days referred to in Sub-Clause-44.2(b), he shall nevertheless be entitled to an extension of time provided that he has submitted to the Engineer interim particulars at intervals of not more than 28 days and final particular within 28 days of the end of the effects resulting from the event. On receipt of such interim particulars, the Engineer shall, without undue delay, make an interim determination of extension of time and on receipt of the final particulars, the Engineer shall review all the circumstances and shall determine an overall extension of time in regard to the event. In both such cases the Engineer shall, notify the Contractor accordingly, with a copy to the Employer. No final review shall result in a decrease of any extension of time already determined by the Engineer.
Restriction on Working Hours	45.1	Subject to any provision to the contrary contained in the Contract, none of the Works shall, save as hereinafter provided, be carried on during the night or on locally recognized days of rest without the consent of the Engineer.

except when work is unavoidable or absolutely necessary for the protection of life or property or for the safety of the Works, in which case the Contractor shall immediately advise the Engineer. Provided that the provisions of this Clause shall not be applicable in the case of any work which is required to be carried out by multiple shifts.

Rate of progress	46.1	If for any reason, which does not entitle the Contractor to an extension of time, the rate of progress of the Works or any Section is at any time, in the opinion of the Engineer, too slow to comply with the Time for Completion, the Engineer shall so notify the Contractor who shall thereupon take such steps as are necessary, subject to the consent of the Engineer, to expedite progress so as to comply with the Time for Completion. The Contractor shall not be entitled to any additional payment for taking such steps. If as a result of any notice given by the Engineer under this Clause, the Contractor considers that it is necessary to do any work at night or on locally recognized days of rest, he shall be entitled to seek the consent of the Engineer so to do. Provided that if any steps, taken by the Contractor in meeting his obligation under this Clause, involve the Employer in additional supervision costs, such cost shall, after due consultation with the Employer and the Contractor, be determined by the Engineer and shall be recoverable from the Contractor by the Employer, and may be deducted by the Employer from any monies due or to become due to the Contractor and the Engineer shall notify the Contractor accordingly, with a copy to the Employer.
Liquidated Damages for Delay	47.1	If the Contractor fails to comply with the Time of Completion in accordance with Clause-48, for the whole of the Works or, if applicable, any Section within the relevant time prescribed by Clause-43, then the Contractor shall pay to the Employer the relevant sum stated in the Appendix to Tender as liquidated damages for such default and not as a penalty (which sum shall be the only monies due from the Contractor for such default) for every day or part of a day which shall elapse between the relevant Time for Completion and the date stated in a Taking-Over Certificate of the whole of the Works or the relevant Section, subject to the applicable limit stated in the Appendix to Tender. The Employer may, without prejudice to any other method of recovery, deduct the amount of such damages from any monies due or to become due to the Contractor. The payment or deduction of such damages shall not relieve the Contractor from his obligation to complete the Works, or from any other of his obligation and liabilities under the Contract.
Reduction of Liquidated Damages	47.2	If, before the Time for Completion of the whole of the Works or, if applicable any Section, a Taking-Over Certificate has been issued for any part of the Works or of a Section, the liquidated damages for delay in completion of the remainder of the Works or of that Section shall, for any period of delay after the date stated in such Take-Over Certificate, and in the absence of alternative provisions in the Contract, be reduced in the proportion which the value of the part so certified bears to the value of the whole of the Works or Section, as applicable. The provisions of this Sub-Clause shall only apply to the rate of liquidated damages and shall not affect the limit thereof.
Taking-Over Certificate	48.1	When the whole of the Works have been substantially completed and have satisfactorily passed any Test on Completion prescribed by the Contract, the Contractor may give a notice to that effect to the Engineer, with a copy to the

Employer, accompanied by a written undertaking to complete with due expedition any outstanding work during the Defects Liability Period. Such notice and undertaking shall be deemed to be a request by the Contractor for the Engineer to issue a Taking Over Certificate in respect of the Works. The Engineer shall within 21 days of the date of delivery of such notice either issue to the Contractor, with a copy to the Employer, a Taking Over Certificate, stating the date on which, in his opinion, the Works were substantially completed in accordance with the Contract, or give instructions in writing to the Contractor specifying all the work which, in the Engineer's opinion, is required to be done by the Contractor before the issue of such Certificate. The Engineer shall also notify the Contractor of any defect in the Works affecting substantial Completion that may appear after such instructions and before completion of the Works specified therein. The Contractor shall be entitled to receive such Taking Over Certificate therein. The Contractor shall be entitled to receive such Taking Over Certificate within 21 days of completion, to the satisfaction of the Engineer, of the Works so specified and remedying and defect so notified.

Taking-Over of Sections or Parts

48.2 Similarly, in accordance with the procedure set out in Sub Clause 48.1, the Contractor may request and the Engineer shall issue a Taking Over Certificate in respect of:

- (a) any Section in respect of which a separate Time for Completion is provided in the Appendix to Tender, or
- (b) any substantial part of the Permanent Works which has been both completed to the satisfaction of the Engineer and, otherwise than as provided for in the Contract, occupied or used by the Employer, or
- (c) any part of the Permanent Works which the Employer has elected to occupy or use prior to completion (where such prior occupation or use is not provided for in the Contract has not been agreed by the Contractor as a temporary measure).

Substantial Completion of Part

48.3 If any part of the Permanent Works has been substantially completed and has satisfactorily passed any Test on Completion prescribed by the Contract, the Engineer may issue a Taking-Over Certificate in respect of that part of the Permanent Works before completion of the whole of the Works and, upon the issue of such Certificate, the contractor shall be deemed to have undertaken to complete with due expedition any outstanding work in that part of the Permanent Works during the Defects Liability Period.

Surfaces Requiring Reinstatement

48.4 Provided that a Taking-Over Certificate given in respect of any Section or part of the Permanent Works before completion of the whole of the Works shall not be deemed to certify completion of any ground or surfaces requiring reinstatement unless such Taking-Over Certificate shall expressly so state.

DEFECTS LIABILITY

Defects Liability
Period

- 49.1 In these Conditions the expression "Defects Liability Period" shall mean the defects liability period named in the Appendix to Tender, calculated from:
- (a) the date of substantial completion of the Works certified by the Engineer in accordance with Clause 48; or
 - (b) in the event of more than one certificate having been issued by the Engineer under Clause 48, the respective dates so certified

and in relation to the Defect Liability Period the expression "the Works" shall be construed accordingly.

Completion of
Outstanding
Work and
Remedying Defects

- 49.2 To the extent that the Works shall, at or as soon as practicable after the expiration of the Defects Liability Period, be delivered to the Employer in the condition required by the Contract, fair wear and tear excepted, to the satisfaction of the Engineer, the Contractor shall
- (a) complete the work, if any, outstanding on the date stated in the Taking Over Certificate as soon as practicable after such date and
 - (b) execute all such work of amendment, reconstruction, and remedying defects, shrinkages or other faults as the Engineer may, during the Defects Liability Period or within 14 days after its expiration, as a result of an inspection made by or on behalf of the Engineer prior to its expiration, instruct the Contractor to execute.

Costs of
Remedying Defects

- 49.3 All work referred to in Sub-Clause 49.2(b) shall be executed by the Contractor at his own cost if the necessity thereof is, in the opinion of the Engineer, due to:
- (a) the use of materials, Plant or workshop not in accordance with the Contract, or
 - (b) where the Contractor is responsible for the design of part of the Permanent Works, any fault in such design, or
 - (c) the neglect or failure on the part of the Contractor to comply with any obligation, expressed or implied, on the contractor's part under the Contract.

If, in the opinion of the Engineer, such necessity is due to any other cause, he shall determine an addition to the Contract Price in accordance with Clause 52 and shall notify the Contractor accordingly, with a copy to the Employer.

Contractor's Failure
to Carry Out
Instructions

- 49.4 In case of default of the Contractor in carrying out such instruction within a reasonable time, the Employer shall be entitled to employ and pay other persons to carry out the same and if such work which, in the opinion of the

Engineer, the Contractor was liable to do at his own cost under the Contract, then all costs consequent thereon or incidental thereto shall, after due consultation with the Employer and the Contractor, be determined by the Engineer and shall be recoverable from the Contractor by the Employer and may be deducted by the Employer from any monies due or to become due to the Contractor and the Engineer shall notify the Contractor accordingly, with a copy to the Employer.

Contractor to Search 50.1

If any defect, shrinkage or other fault in the Works appears at any time prior to the end of the Defect Liability Period, the Engineer may instruct the Contractor with copy to the Employer, to search under the directions of the Engineer for the cause thereof. Unless such defect, shrinkage or other fault is one for which the Contractor is liable under the Contract, the Engineer shall, after due consultation with the Employer and the Contractor, determine the amount in respect of the costs of such search incurred by the Contractor which shall be added to the Contract Price and shall notify the Contractor accordingly, with a copy to the Employer. If such defect, shrinkage or other fault is one for which the Contractor is liable, the cost of the work carried out in searching as aforesaid shall be borne by the Contractor and he shall in such case remedy such defect, shrinkage or other fault at his own cost in accordance with the provisions of Clause 40.

ALTERATIONS, ADDITIONS AND OMISSIONS

Variations

51.1

The Engineer shall make any variation of the form, quality or quantity of the Works or any part thereof that may, in his opinion, be necessary and for that purpose or if for any other reason it shall, in his opinion, be appropriate, he shall have the authority to instruct the Contractor to do and the Contractor shall do any of the following:

- (a) increase or decrease the quantity of any work included in the Contract,
- (b) omit any such work (but not if the omitted work is to be carried out by the Employer or by another contractor),
- (c) change the character or quality or kind of any such work,
- (d) change the levels, lines, position and dimensions of any part of the Works,
- (e) execute additional work of any kind necessary for the completion of the Works,
- (f) change any specified sequence or timing of construction of any part of the Works.

No such variation shall in any way vitiate or invalidate the Contract, but the effect, if any, of all such variations shall be valued in accordance with Clause 52. Provided that where the issue of an instruction to vary the Works is necessitated by some default of or breach of contract by the Contractor or for which he is responsible, any additional cost attributable to such default shall be borne by the Contractor.

Instructions for Variations

- 51.2 The Contractor shall not make any such variation without instruction of the Engineer. Provided that no instruction shall be required for an increase or decrease in the quantity of any work where such increase or decrease is the result of an instruction given under this Clause, but is the result of quantities exceeding or being less than those stated in the Bill of Materials.

Valuation of Variations

- 52.1 All variations referred to in Clause 51 and any addition to the Contract Price which are required to be determined in accordance with Clause 51 (for the purposes of this Clause referred to as "varied work") shall be valued at the rates and prices set out in the Contract if, in the opinion of the Engineer, the same shall be applicable. If the Contract does not contain any rates or prices applicable to the varied work, the rates and price in the Contract shall be used as the basis for valuation so far as may be reasonable, failing which, after due consultation by the Engineer with the Employer and the Contractor, suitable rates or prices shall be agreed upon between the Engineer and the Contractor. In the event of disagreement the Engineer shall fix such rates or prices as are, in his opinion, appropriate and shall notify the Contractor accordingly, with a copy to the Employer. Until such time as rates or prices are agreed or fixed, the Engineer shall determine provisional rates or prices to enable on-account payment to be included in certificates issued in accordance with Clause-60.

Power of Engineer to Fix Rates

- 52.2 Provided that if the nature or amount of any varied work relative to the nature or amount of the whole of the Works or to any part thereof, is such that, in the opinion of the Engineer, the rate or price contained in the Contract for any item of the Works is, by reason of such varied work, rendered inappropriate or inapplicable, then, after due consultation by the Engineer with the Employer and the Contractor, a suitable rate or price shall be agreed upon between the Engineer and the Contractor. In the event of disagreement the Engineer shall fix such other rate or price as is, in his opinion, appropriate and shall notify the Contractor accordingly, with a copy to the Employer. Until such time as rates or prices are agreed or fixed, the Engineer shall determine provisional rates or price to enable on-account payment to be included in certificates issued in accordance with Clause 60.

Provided also that no varied work instructed to be done by the Engineer pursuant to Clause-51 shall be valued under Sub-Clause-52.1 or under this Sub-Clause unless, within 14 days of the date of such instruction and, other than in the case of omitted work, before the commencement of the varied work, notice shall have been given either:

- (a) by the contractor to the Engineer of his intention to claim extra payment or a varied rate or price, or
- (b) by the Engineer to the Contractor of his intention to vary a rate or price.

Variations Exceeding 15 percent

- 52.3 If, on the issue of the Taking-Over Certificate for the whole of the Works, it is found that as a result of:
- (a) all varied work valued under Sub-Clauses-52.1 and 52.2, and

net — an adjustments upon measurement of the estimated quantities set out in the Bill of Quantities, excluding Provisional Sums, daywork and adjustments of price made under Clause 40.

not not from any other cause, there have been additions to or deductions from the Contract Price which taken together are in excess 15% of the "Effective contract Price" (which for the purposes of this Sub-Clause shall mean the Contract Price, excluding Provisional Sums, all allowance for dayworks, if any) then and in such event (subject to any action already taken under any other Sub-Clause of this Clause), after due consultation by the Engineer with the Employer and the Contractor, there shall be added to or deducted from the Contract Price such further sum as may be agreed between the Contractor and the Engineer or, failing agreement, determined by the Engineer having regard to the Contractor's Site and general overhead costs of the Contract. The Engineer shall notify the Contractor of any determination made under this Sub-Clause, with a copy to the Employer. Such sum shall be based only on the amount by which such additions or deductions shall be in excess of 15% of the Effective Contract Price.

Daywork

52.4 The Engineer may, if in his opinion it is necessary or desirable, issue an instruction that any varied work shall be executed on a daywork basis. The contractor shall then be paid for such varied work under the terms set out in the daywork schedule included in the Contract and at the rates and Prices affixed thereto by him in the Tender.

The Contractor shall furnish to the Engineer such receipts or other vouchers as may be necessary to prove the amounts paid and, before ordering materials, shall submit to the Engineer quotations for the same for his approval.

In respect of such of the Works executed on a daywork basis, the Contractor shall, during the continuance of such work, deliver each day to the Engineer an exact list in duplicate of the names, occupation and time of all workmen employed on such work and a statement, also in duplicate, showing the description and quantity of all materials and Contractor's Equipment used thereon or therefor other than Contractor's Equipment which is included in the percentage addition in accordance with such daywork schedule. One copy of each list and statement will, if correct, or when agreed, be signed by the Engineer and returned to the Contractor.

At the end of each month the Contractor shall deliver to the Engineer a priced statement of the labour, materials and Contractor's Equipment, except as aforesaid, used and the Contractor shall not be entitled to any payment unless such lists and statements have been fully and punctually rendered. Provided always that if the Engineer considers that for any reason the sending of such lists or statements by the Contractor, in accordance with the foregoing provision, was impracticable he shall nevertheless be entitled to authorize payment for such work, either as daywork, on being satisfied as to the time employed and the labour, materials and Contractor's Equipment used on such work, or at such value therefor as shall, in his opinion, be fair and reasonable.

PROCEDURE FOR CLAIMS

Notice of Claims	53.1	Notwithstanding any other provision of the Contract, if the Contractor intends to claim any additional payment pursuant to any Clause of these conditions or otherwise, he shall give notice of his intention to the Engineer, with a copy to the Employer, within 28 days after the event giving rise to the claim has first arisen.
Contemporary Records	53.2	Upon the happening of the event referred to in Sub-Clause 53.1, the Contractor shall keep such contemporary record as may reasonably be necessary to support any claim he may subsequently wish to make. Without necessarily admitting the Employer's liability, the Engineer shall, on receipt of a notice under Sub-Clause 53.1, inspect such contemporary records and may instruct the Contractor to keep any further contemporary record as are reasonable and may be material to the claim of which notice has been given. The Contractor shall permit to the Engineer to inspect all records kept pursuant to this Sub-Clause and shall supply him with copies thereof as and when the Engineer so instructs.
Substantiation of Claims	53.3	Within 28 days, or such other reasonable time as may be agreed by the Engineer, of giving notice under Sub-Clause 53.1, the Contractor shall send to the Engineer an account giving detailed particulars of the amount claimed and the grounds upon which the claim is based. Where the event giving rise to the claim has a continuing effect, such account shall be considered to be an interim account and the Contractor shall, at such intervals as the Engineer may reasonably require, send further interim accounts giving the accumulated amount of the claim and any further grounds upon which it is based. In cases where interim accounts are sent to the Engineer, the Contractor shall send a final account within 28 days of the end of the effects resulting from the event. The Contractor shall, if required by the Engineer so to do, copy to the Employer all accounts sent to the Engineer pursuant to this Sub-Clause.
Failure to Comply	53.4	If the Contractor fails to comply with any of the provisions of this Clause in respect of any claim which he seeks to make, his entitlement to payment in respect thereof shall not exceed such amount as the Engineer or any arbitrator or arbitrators appointed pursuant to Sub-Clause 67.3 assessing the claim considers to be verified by contemporary record (whether or not such records were brought to the Engineer's notice as required under Sub-Clause 53.2 and 53.3).
Payment of Claims	53.5	The contractor shall be entitled to have included in any interim payment certified by the Engineer pursuant to Clause 60 such amount in respect of any claim as the Engineer, after due consultation with the Employer and the Contractor, may consider due to the Contractor provided that the Contractor has supplied sufficient particulars to enable the Engineer to determine the amount due. If such particulars are insufficient to substantiate the whole of the claim, the Contractor shall be entitled to payment in respect of such part of the claim as such particulars may substantiate to the satisfaction of the Engineer. The Engineer shall notify the Contractor of any determination made under this Sub-Clause, with a copy to the Employer.

CONTRACTOR'S EQUIPMENT TEMPORARY WORKS AND MATERIALS

Contractor's Equipment, Temporary Works and Materials; Exclusive Use for the Works	54.1	All Contractor's Equipment, Temporary Works and materials provided for the Contractor shall, when brought on to the Site, be deemed to be exclusively intended for the execution of the Works and the Contractor shall not remove the same or any part thereof, except for the purpose of moving it from one part of the Site to another, without the consent of the Employer. Provided that consent shall not be required for vehicles engaged in transporting any staff, labour, Contractor's Equipment, Temporary Works, Plant or materials to or from the Site.
Employer not Liable for Damage	54.2	The Employer shall not at any time be liable, save as mentioned in Clauses 20 and 65, for the loss of or damage to any of the said Contractor's Equipment, Temporary Works or materials.
Customs Clearance	54.3	The Employer will use his best endeavors in assisting the Contractor, when required, in obtaining clearance through the Customs of Contractor's Equipment, materials and other things required for the Works.
Re-export of Contractor's Equipment	54.4	In respect of any Contractor's Equipment which the Contractor has imported for the purposes of the Works, the Employer will use his best endeavors to assist the Contractor, where required, in procuring any necessary Government consent to the re-export of such Contractor's Equipment by the Contractor upon the removal thereof pursuant to the terms of the Contract.
Conditions of Hire of Contractor's Equipment	54.5	With a view to securing, in the event of termination under Clause 63, the continued availability, for the purpose of executing the Works, of any hired Contractor's Equipment, the Contractor shall not bring on to the Site any hired Contractor's Equipment unless there is an agreement for the hire thereof (which agreement shall be deemed not to include an agreement for hire purchase) which contains a provision that the owner thereof will, on request in writing made by the Employer within 7 days after the date on which any termination has become effective, and on the Employer undertaking to pay all hire charges in respect thereof from such date, hire such Contractor's Equipment to the Employer on the same terms in all respects as the same was hired to the Contractor save that the Employer shall be entitled to permit the use thereof by any other contractor employed by him for the purpose of executing and completing the Works and remedying any defects therein, under the terms of the said Clause-63.
Costs for the Purpose of Clause-63	54.6	In the event of the Employer entering into any agreement for the hire of Contractor's Equipment pursuant to Sub-Clause-54.5, all sums properly paid by the Employer under the provisions of any such agreement and all costs incurred by him (including stamp duties) in entering into such agreement shall be deemed for the purpose of Clause-63, to be part of the cost of

by, claim and completion of Works and the remedying of them.

**Incorporation of Clause
in Subcontracts** 54.7

The Contractor shall, when entering into any subcontract for the execution of any part of the Works, incorporate in such subcontract (by reference or otherwise) the provisions of this Clause in relation to Contractor's Equipment, Temporary Works or materials brought on to the Site by the Subcontractor.

**Approval of Materials
not Implied** 54.8

The operation of this Clause shall not be deemed to imply any approval by the Engineer of the materials or other matters referred to therein nor shall it prevent the rejection of any such materials at any time by the Engineer.

MEASUREMENT

Quantities 55.1

The Quantities set out in the Bill of Quantities are the estimated quantities for the Works, and they are not to be taken as the actual and correct quantities of the Works to be executed by the Contractor in fulfillment of his obligations under the Contract.

**Works to be
Measured** 56.1

The Engineer shall, except as otherwise stated, ascertain and determine by measurement the value of the Works in accordance with the Contract and the Contractor shall be paid that value in accordance with Clause 60. The Engineer shall, when he requires any part of the Works to be measured, give reasonable notice to the Contractor's authorized agent, who shall:

- (a) forth with attend or send a qualified representative to assist the Engineer in making such measurement, and
- (b) supply all particulars required by the Engineer.

Should the Contractor not attend, or neglect or omit to send representative then the measurement made by the Engineer or approved by him shall be taken to be the correct measurement of such part of the Works. For the purpose of measuring such permanent Works as are to be measured by records and drawings, the Engineer shall prepare records and drawings as the work proceeds and the Contractor, as and when called upon to do in writing, shall, within 14 days, attend to examine and agree such records and drawings with the Engineer and shall sign the same when so agreed. If the Contractor does not attend to examine and agree such records and drawings, they shall be taken to be correct. If, after examination of such records and drawings, the Contractor does not agree the same or does not sign the same as agreed, they shall nevertheless be taken to be correct, unless the Contractor, within 14 days of such examination, lodges with the Engineer notice of the respects in which such records and drawings are claimed by him to be incorrect. On receipt of such notice, the Engineer shall review the records and drawings and either confirm or vary them.

**Method of
Measurement** 57.1

The Works shall be measured net, notwithstanding any general or local custom, except where otherwise provided for in the Contract.

Breakdown of
Lump Sum Items

- 57.2 For the purpose of statements submitted in accordance with Sub-Clause 57.1, the Contractor shall submit to the Engineer, within 28 days after the receipt of the Letter of Acceptance, a breakdown for each of the lump sum items contained in the Tender. Such breakdowns shall be subject to the approval of the Engineer.

PROVISIONAL SUMS

Definition of

"Provisional Sums"

- 58.1 "Provisional Sum" means a sum included in the Contract and so designated in the Bill of Quantities for the execution of any part of the Works or for the supply of goods, materials, Plant or services or for contingencies, which sum may be used, in whole or in part, or not at all, on the instructions of the Engineer. The Contractor shall be entitled to only such amounts in respect of the works, supply or contingencies to which such Provisional Sums relate as the Engineer shall determine in accordance with this Clause. The Engineer shall notify the Contractor of any determination made under this Sub-Clause, with a copy to the Employer.

Use of

Provisional Sums

- 58.2 In respect of every Provisional Sum the Engineer shall have authority to issue instructions for the execution of work or for the supply of goods, materials, Plant or services by:
- (a) the Contractor, in which case the Contractor shall be entitled to an amount equal to the value thereof determined in accordance with Clause-52,
 - (b) a nominated Subcontractor, as hereinafter defined, in which case the sum to be paid to the Contractor therefor shall be determined and paid in accordance with Sub-Clause-59.4.

Production of
Vouchers

- 58.3 The Contractor shall produce to the Engineer all quotation, invoices, vouchers and accounts or receipts in connection with expenditure in respect of Provisional Sums, except where work is valued in accordance with rates or prices set out in the Tender.

NOMINATED SUBCONTRACTORS

Definition of

"Nominated
Subcontractors"

- 59.1 All specialists, merchants, tradesmen and other executing any work or supplying any goods, materials, Plant or services for which Provisional Sums are included in the Contract, who may have been or be nominated or selected or approved by the Employer or the Engineer, and all persons to whom by virtue of the provisions of the Contract the Contractor is required to subcontract shall, in the execution of such work or the supply of such goods, materials, Plant or services be deemed to be subcontractors to the Contractor and are referred to in this Contract as "nominated Subcontractors".

**Nominated
Subcontractors:
Objection to
Nomination**

59.2 The Contractor shall not be required by the Employer or the Engineer to be deemed to be under any obligation, to employ any nominated Subcontractor against whom the Contractor may raise reasonable objection, or who declines to enter into a subcontract with the Contractor containing the following provisions:

- (a) that in respect of the work, goods, materials, Plant or services the subject of the subcontract, the nominated Subcontractor will undertake towards the Contractor such obligations and liabilities as will enable the Contractor to discharge his own obligations and liabilities towards the Employer under the terms of the Contract and will save harmless and indemnify the Contractor from and against the same and from all claims, proceedings, damages, costs, charges, and expenses whatsoever arising out of or in connection therewith, or arising out of or in connection with any failure to perform such obligations or to fulfil such liabilities; and
- (b) that the nominated Subcontractor will save harmless and indemnify the Contractor from and against any negligence by the nominated Subcontractor, his agents, workmen and servants and from and against any misuse by him or them of any Temporary Work, provided by the Contractor for the purposes of the Contractor and from all claims as aforesaid.

**Design Requirements to
be Expressly Stated**

59.3 If in connection with any Provisional Sum the services to be provided include any matter of design or specification of any part of the Permanent Works or of any Plant to be incorporated therein, such requirement shall be expressly stated in the Contract and shall be included in any nominated Subcontract. The nominated Subcontract shall specify that the nominated Subcontractor providing such services will save harmless and indemnify the Contractor from and against the same and from all claims, proceedings, damages, costs, charges and expenses whatsoever arising out of or in connection with any failure to perform such obligations or to fulfill such liabilities.

**Payments to Nominated
Subcontractors**

59.4 For all work executed or goods, materials, Plant or services supplied by any nominated Subcontractor, the Contractor shall be entitled to:

- (a) the actual price paid or due to be paid by the Contractor, on the instructions of the Engineer, and in accordance with the subcontract;
- (b) in respect of labour supplied by the Contractor, the sum, if any, entered in the Bill of Quantities or, if instructed by the Engineer pursuant to paragraph (a) of Sub-Clause-58.2, as maybe determined in accordance with Clause-52;
- (c) in respect of all other charges and profit, a sum being a percentage rate of the actual price paid or due to be paid calculated, where provision has been made in the Bill of Quantities for a rate to be set against the relevant Provisional Sum, at the rate inserted by the

Contractor against total amount of the work done or to be made, at the rate inserted by the Contractor in the Bill of Materials and repeated where provision for such work is made in the item provided in the Bill of Quantities for such purpose.

Certification of Payments to Nominated

Subcontractors

59.5

Before issuing, under Clause 60, any certificate which includes any payment in respect of work done or goods, materials, Plant or services supplied by any nominated Subcontractor, the Engineer shall be entitled to demand from the Contractor reasonable proof that all payments less retention, included in previous certificates in respect of the work or goods, materials, Plant or services of such nominated Subcontractor have been paid or discharged by the Contractor. If the Contractor fail to supply such proof then, unless the Contractor

- (a) satisfies the Engineer in writing that he has reasonable cause for withholding or refusing to make such payments and
- (b) produces to the Engineer reasonable proof that he has so informed such nominated Subcontractor in writing.

the Employer shall be entitled to pay to such nominated Subcontractor direct upon the certificate of the Engineer, all payments, less retention, provided for in the nominated Subcontractor, which the Contractor has failed to make to such nominated Subcontractor and to deduct by way of set off the amount so paid by the Employer from any sums due to become due from the Employer to the Contractor.

Provided that, where the Engineer has certified and the Employer has paid direct as aforesaid, the Engineer shall, in issuing any further certificate in favour of the Contractor, deduct from the amount thereof the amount so paid; direct as aforesaid, but shall not withhold or delay the issue of the certificate itself when due to be issued under the terms of the contract.

CERTIFICATES AND PAYMENT

Monthly Statements

60.1

The Contractor shall submit to the Engineer after the end of each month six copies, each signed by the Contractor's representative approved by the Engineer in accordance with Sub-Clause-15.1, of a statement, in such form as the Engineer may from time to time prescribe, showing the amounts to which the Contractor considers himself to be entitled up to the end of the month in respect of

- (a) the value of the Permanent Works executed
- (b) any other items in the Bill of Quantities including those for Contractor's Equipment, Temporary Works, dayworks and the like
- (c) the percentage of the invoice value of listed materials, all as stated in the Appendix to Tender, and Plant delivered by the Contractor on the Site for incorporation in the Permanent Works but not incorporated in such Works

(d) a Trustment under Clause 49;

(e) any other sum to which the Contractor may be entitled under the Contract.

Monthly Payment **60.2** The Engineer shall, within 28 days of receiving such statement, certify to the Employer the amount of payment to the Contractor which he considers due and payable in respect thereof, subject:

- (a) firstly, to the retention of the amount calculated by applying the Percentage of retention stated in the Appendix to Tender to the amount to which the Contractor is entitled under paragraphs (a), (b), (c) and (e) of Sub-Clause 60.1 until the amount so retained reaches the Limit of Retention Money stated in the appendix to Tender; and
- (b) secondly, to the deduction, other than pursuant to Clause 47, of any sums which may have become due and payable by the Contractor to the Employer.

Provided that the Engineer shall not be bound to certify any payment under this Sub-Clause if the net amount thereof, after all retention and deductions, would be less than the Minimum Amount of Interim Certificates stated in the Appendix to Tender.

Notwithstanding the terms of this Clause or any other Clause of the Contract no amount will be certified by the Engineer for payment until the performance security, if required under the Contract, has been provided by the Contractor and approved by the Employer.

Payment of Retention Money **60.3** (a) Upon the issue of the Taking-Over Certificate with respect to the whole of the Works, one half of the Retention Money, or upon the issue of a Taking-Over Certificate with respect to a Section or part of the Permanent Works only such proportion thereof as the Engineer determines having regard to the relative value of such Section or part of the Permanent Works, shall be certified by the Engineer for payment to the Contractor.

(b) Upon the expiration of the Defects Liability Period for the Works the other half of the Retention Money shall be certified by the Engineer for payment to the Contractor. Provided that, in the event of different Defects Liability Periods having become applicable to different Sections or parts of the Permanent Works pursuant to Clause-48, the expression "expiration of the Defects Liability Period" shall, for the purposes of this Sub-Clause, be deemed to mean the expiration of the latest of such periods.

Provided also that if at such time, there shall remain to be executed by the Contractor any work ordered, pursuant to Clause 49 and 50, in respect of the Works, the Engineer shall be entitled to withhold certification until completion of such work of so much of the balance of the Retention Money as shall, in the opinion of the Engineer, represent the cost of the work remaining to be executed.

Correction of Certificates	60.4	The Engineer may by any interim certificate make any correction or modification in any previous certificate which shall have been issued to him and have authority, if any work is not being carried out to his satisfaction, to omit or reduce the value of such work in any interim certificate.
Statement at Completion	60.5	<p>Not later than 84 days after the issue of the Taking Over Certificate, in respect of the whole of the Works, the Contractor shall submit to the Engineer a Statement on Completion with supporting documents showing in detail, in the form approved by the Engineer,</p> <ul style="list-style-type: none"> (a) the final value of all work done in accordance with the Contract up to the date stated in such Taking-over Certificate (b) any further sums which the Contractor considers to be due and (c) an estimate of amounts which the Contractor considers will become due to him under the Contract. <p>Estimated amount shall be shown separately in such Statement at Completion. The Engineer shall certify payment in accordance with Sub-Clause-60.2</p>
Final Statement	60.6	<p>Not later than 56 days after the issue of the Defect Liability Certificate, pursuant to Sub-Clause-62.1, the Contractor shall submit to the Engineer for consideration a draft final statement with supporting documents showing in detail, in the form approved by the Engineer,</p> <ul style="list-style-type: none"> (a) the value of all work done in accordance with the Contract and (b) any further sums which the Contractor considers to be due to him under the Contract. <p>If the Engineer disagrees with or cannot verify any part of the draft final statement, the Contractor shall submit such further information as the Engineer may reasonably require and shall make such changes in the draft as may be agreed between them. The Contractor shall then prepare and submit to the Engineer the final statement as agreed (for the purposes of these Conditions referred to as the "Final Statement").</p>
Discharge	60.7	Upon submission of the Final Statement, the Contractor shall give to the Employer, with a copy to the Engineer, a written discharge confirming that the total of the Final Statement represents full and final settlement of all monies due to the Contractor arising out of or in respect of the Contract. Provided that such discharge shall become effective only after payment due under the Final Certificate issued pursuant to Sub-Clause-60.8 has been made and the performance security referred to in Sub-Clause-10.1, if any has been returned to the Contractor.
Final certificate	60.8	Within 28 days after receipt of the final Statement, and the written discharge, the Engineer shall issue to the Employer (with a copy to the Contractor) a Final Certificate stating

- (a) the amount which in the opinion of the Engineer is due to the Contractor under the Contract; and
- (b) after giving credit to the Employer for all amounts previously paid by the Employer and for all sums to which the Employer is entitled under the Contract, other than Clause-47, the balance, if any, due from the Employer to the Contractor or from the Contractor to the Employer as the case may be.

Cessation of

Employer's Liability 60.9

The Employer shall not be liable to the Contractor for any matter or thing arising out of or in connection with the Contract or execution of the Works, unless the Contractor shall have included a claim in respect thereof in the Final Statement and (except in respect of matters or things arising after the issue of the Taking Over Certificate in respect of the whole of the Works) in the Statement at completion referred in Sub-Clause 60.5.

Time for Payment 60.10

The amount due to the Contractor under any interim certificate issued by the Engineer pursuant to the Clause, or to any other term of the Contract, shall, subject to Clause 47, be paid by the Employer to the Contractor within 28 days after such interim certificate has been delivered to the Employer, or, in the case of the Final Certificate referred to in Sub-Clause 60.8, within 70 days, after such Final Certificate has been delivered to the Employer. In the event of the failure of the Employer to make payment within the times stated, the Employer shall pay to the Contractor interest at the rate stated in the Appendix to Tender upon all sums unpaid from due date by which the same should have been paid. The provisions of this Sub-Clause are without prejudice to the Contractor's entitlement under Clause-69.

Approval only by Defect

Liability Certificate 61.1

Only the Defects Liability Certificate, referred to in Clause 62, shall be deemed to constitute approval of the Works.

Defects Liability Certificate

62.1

The Contract shall not be considered as completed until a Defects Liability Certificate shall have been signed by the Engineer and delivered to the Employer with a copy to the Contractor, stating the date on which the Contractor shall have completed his obligations to execute and complete the Works and remedy any defects therein to the Engineer's satisfaction. The Defects Liability Certificate shall be given by the Engineer within 28 days after the expiration of the Defects Liability Period, or if, different defects liability periods shall become applicable to different Sections or part of the Permanent Works, the expiration of the latest such period, or as soon thereafter as any works instructed, pursuant to Clauses 49 and 50, have been completed to the satisfaction of the Engineer. Provided that the issue of the Defect Liability Certificate shall not be a condition precedent to payment to the Contractor of the second portion of the Retention Money in accordance with the conditions set out in Sub-Clause-60.3.

Unfulfilled Obligations

62.2

Notwithstanding the issue of the Defect Liability Certificate the Contractor and the Employer shall remain liable for the fulfillment of any obligation incurred under the provisions of the Contract prior to the issue of the Defect Liability Certificate which remains unperformed at the time such Defect Liability Certificate is issued and, for the purposes of determining the nature

and extent of any such obligation, the Contractor shall be deemed to have agreed to the force between the parties to the Contract.

REMEDIES

Default of Contractor 63.1

If the Contractor is deemed by law unable to pay his debts as they fall due or enters into voluntary or involuntary bankruptcy, liquidation or dissolution (other than a voluntary liquidation for the purposes of amalgamation or reconstruction), or becomes insolvent, or makes an arrangement with or assignment in favour of, his creditors, or agrees to carry out the Contract under a committee of inspection of his creditors, or if a receiver, administrator, trustee or liquidator is appointed over any substantial part of his assets, or if, under any law or regulation relating to reorganization, arrangement or readjustment of debts proceedings are commenced against the Contractor or resolutions passed in connection with dissolution or liquidation or if any steps are taken to enforce any security interest over a substantial part of the assets of the Contractor, or if any act is done or event occurs with respect to the Contractor or his assets which under any applicable law has a substantially similar effect to any of the foregoing acts or events, or if the Contractor has contravened Sub-Clause 3.1, or has an execution levied on his goods, or if the Engineer certifies to the Employer, with a copy to the Contractor, that, in his opinion, the Contractor:

- a) has repudiated the Contract, or
- b) without reasonable excuse has failed
 - i) to commence the Works in accordance with Sub-Clause 41.1, or
 - ii) to proceed with the Works, or any Section thereof, within 28 days after receiving notice pursuant to Sub-Clause 46.1, or
- c) has failed to comply with a notice issued pursuant to Sub-Clause 37.4 or an instruction issued pursuant to Sub-Clause 39.1 within 28 days after having received it, or
- d) despite previous warning from the Engineer, in writing, is otherwise persistently or flagrantly neglecting to comply with any of his obligations under the Contract, or
- e) has contravened Sub-Clause 4.1,

then the Employer may, after giving 14 days notice to the Contractor, enter upon the Site and the Works and terminate the employment of the Contractor without thereby releasing the Contractor from any of his obligations or liabilities under the Contract, or affecting the rights and authorities conferred on the Employer or the Engineer by the Contract, and may himself complete the Works or may employ any other contractor to complete the Works. The Employer or such other contractor may use for such completion so much of the Contractor's Equipment, Temporary Works and materials as he or they may think proper.

Valuation at Date of Termination	63.2	<p>The Engineer shall, as soon as may be practicable after any such entry and termination by the Employer, fix and determine ex-parte, or by award in reference to the parties or after such investigation or enquiry as he may think fit to make or institute, and shall certify:</p> <ul style="list-style-type: none"> a) what amount (if any) had, at the time of such entry and termination, been reasonably earned by or would reasonably assured to the Contractor in respect of work then actually done by him under the Contract, and b) the value of any of the said unused or partially used materials, any Contractor's Equipment and any Temporary Works.
Payment after Termination	63.3	<p>If the Employer terminates the Contractor's employment under this Clause he shall not be liable to pay to the Contractor any further amount (including damages) in respect of the Contract until the expiration of the Defects Liability Period and thereafter until the costs of execution, completion and remedying of any defects, damages for delay in completion (if any) and all other expenses incurred by the Employer have been ascertained and the amount thereof certified by the Engineer. The Contractor shall then be entitled to receive only such sum or sums, if any, as the Engineer may certify would have been payable to him upon due completion by him after deducting the said amount. If such amount shall exceed the sum which would have been payable to the Contractor shall, upon demand, pay to the Employer the amount of such excess and it shall be deemed a debt due by the Contractor to the Employer and shall be recoverable accordingly.</p>
Assignment of Benefit of Agreement	63.4	<p>Unless prohibited by law, the Contractor shall, if so instructed by the Engineer within 14 days of such entry and termination referred to in Sub-Clause 63.1 assign to the Employer the benefit of any agreement for the supply of any goods or materials or services and/or for the execution of any work for the purposes of the Contract, which the Contractor may have entered into.</p>
Urgent Remedial Work	64.1	<p>If, by reason of any accident, or failure, or other event occurring to in or in connection with the Works, or any part thereof, either during the execution of the Works, or during the Defects Liability Period, any remedial or other work is in the opinion of the Engineer, urgently necessary for the safety of the Works and the Contractor is unable or unwilling at once to do such work, the Employer shall be entitled to employ and pay other persons to carry out such work as the Engineer may consider necessary. If the work or repair so done by the Employer is work which, in the opinion of the Engineer, the Contractor was liable to do on his own cost under the Contract, then all cost, consequent thereon or incidental thereto shall, after due consultation with the Employer and the Contractor be determined by the Engineer and shall be recoverable from the Contractor by the Employer, and may be deducted by the Employer from any monies due or to become due to the Contractor and the Engineer shall notify the Contractor accordingly with a copy to the Employer. Provided that the Engineer shall as soon after the occurrence of any such emergency as may be reasonably practicable, notify the Contractor thereof.</p>

SPECIAL RISKS

No Liability for Special Risks

65.1 The Contractor shall be under no liability whatsoever for loss or damage of any of the special risks referred to in Sub-Clause 65.2, whenever by way of indemnity or otherwise for or in respect of:

- a) destruction of or damage to the Works, save to work so far as is required under the provisions of Clause 39 prior to the occurrence of any of the said special risks or
- b) destruction of or damage to property, whether of the Employer or third parties, or
- c) injury or loss of life.

Special Risks

65.2 The special risks are:

- a) the risks defined under paragraphs (a), (c) (d) and (e) of Sub-Clause 20.4 and
- b) the risks defined under paragraphs (b) of Sub-Clause 20.4 insofar as these relate to the country in which the Works are to be executed.

Damage to Works by Special Risks

65.3 If the Works or any materials or Plant on or near or in transit to the Site, or any of the Contractor's Equipment, sustain destruction or damage by reason of any of the said special risks, the Contractor shall be entitled to payment in accordance with the Contract for any Permanent Works duly executed and for any materials or Plant so destroyed or damaged and, so far as may be required by the Engineer or as may be necessary for the completion of the Works, to payment for:

- a) rectifying any such destruction or damage to the Works; and
- b) replacing or rectifying such materials or Contractor's Equipment

and the Engineer shall determine an addition to the Contract Price in accordance with Clause 52 (which shall in the case of the cost of replacement of Contractor's Equipment include the fair market value thereof as determined by the Engineers and shall notify the Contractor accordingly with a copy to the Employer.

Projectile, Missile

65.4 Destruction, damage, injury or loss of life caused by the explosion or impact whenever and wherever occurring, of any mine bomb, shell, grenade, or other projectile, missile, ammunition, or explosive of war, shall be deemed to be a consequence of the said special risks.

Increased Costs arising from Special Risks

65.5 Save to the extent that the Contractor is entitled to payment under any other provision of the Contract, the Employer shall repay to the Contractor any costs of the execution of the Works (other than such as may be attributable to the cost of reconstructing work condemned under the provisions of Clause 39 prior to the occurrence of any special risk) which are howsoever attributable to or consequent on or the result of or in any way whatsoever connected with the said special risks, subject, however, to the provisions in

this Clause, materials contained in regard to completion of work Contractor shall, as soon as any such cost comes to his knowledge, forthwith notify the Engineer thereon. The Engineer shall, after due consultation with the Employer and the Contractor, determine the amount of any additional costs in respect thereof which shall be added to the Contract Price and shall notify the Contractor accordingly, with a copy to the Employer.

|---|-------------|--|
| Outbreak of War | 65.6 | If, during the currency of the Contract, there is an outbreak of war, whether war is declared or not, in any part of the world which, whether financially or otherwise materially affects the execution of the Works, the Contractor shall, unless and until the Contract is terminated under the provisions of this Clause, continue to use his best endeavors to complete the execution of the Works. Provided that the Employer shall be entitled, at any time after such outbreak of war, to terminate the Contract by giving notice to the Contractor and upon such notice being given, the Contract shall, except as to the rights of the parties under this Clause and to the operation of Clause 67, be terminated, but without prejudice to the rights of either party in respect of any antecedent breach thereof. |
| Removal of Contractor's Equipment on Termination | 65.7 | If the Contract is terminated under the provisions of Sub Clause 65.6 the Contractor shall with all reasonable dispatch remove from the Site all Contractor's Equipment and shall give similar facilities to his Sub-Contractors to do so. |
| Payment if Contract Terminated | 65.8 | <p>If the Contract is terminated as aforesaid, the Contractor shall be paid by the Employer insofar as such amounts or items, have not already been covered by payment on account made to the Contractor for all work executed prior to the date of termination at the rates and prices provided in the Contract and in addition:</p> <ul style="list-style-type: none"> a) the amounts payable in respect of any preliminary items referred to in the Bill of Quantities so far as the work or service comprised therein has been carried out or performed and a proper proportion of any such items which have been partially carried out or performed. b) The cost of materials, Plant or goods reasonably ordered for the Works which have been delivered to the Contractor or of which the Contractor is legally liable to accept delivery, such materials, Plant or goods becoming the property of the Employer upon such payments being made by him. c) A sum being the amount of any expenditure reasonably incurred by the Contractor in the expectation of completing the whole of the Works insofar as such expenditure has not been covered by any other payments referred to in this Sub-Clause. d) Any additional sum payable under the provisions of Sub Clause 65.3 & 65.5. e) Such proportion of the cost as may be reasonable, taking into account payments made or to be made for work executed, of removal of Contractor's Equipment under Sub-Clause 65.7 and of |

required by the Contractor, return thereof the Contractor to his plant yard in his country of registration or to other destination at a greater cost.

- (f) The reasonable cost of repatriation of all the Contractor's staff and workmen employed on or in connection with the Works at the time of such termination.

Provided that against any payment due from the Employer under this Sub-Clause the Employer shall be entitled to be credited with any outstanding balances due from the Contractor for advances in respect of Contractor's Equipment, materials and Plant and any other sums which, at the date of termination, were recoverable by the Employer from the Contractor under the terms of the Contract. Any sums payable under this Sub-Clause shall, after due consultation with the Employer and the Contractor, be determined by the Engineer who shall notify the Contractor accordingly, with a copy to the Employer.

RELEASE FROM PERFORMANCE

Payment in Event of Release from Performance

- 66.1 If any circumstance outside the control of both parties arises after the issue of the Letter of Acceptance which renders it impossible or unlawful for either party to fulfill his contractual obligations, or under the law governing the Contract the parties are released from further performance, then the sum payable by the Employer to the Contractor in respect of the work executed shall be the same as that which would have been payable under Clause 65 if the Contract had been terminated under the provisions of Clause 65.

SETTLEMENT OF DISPUTES

Engineer's Decision

- 67.1 If a dispute of any kind whatever arises between the Employer and the Contractor in connection with, or arising out of, the Contract or the execution of the Works, whether during the execution of the Works or after their completion and whether before or after repudiation or other termination of the Contract including any dispute as to any opinion, instruction, determination, certificate or valuation of the Engineer, the matter in dispute shall, in the first place, be referred in writing to the Engineer, with a copy to the other party. Such reference shall state that it is made pursuant to this Clause. No later than the eighty-fourth day after the day on which he received such reference the Engineer shall give notice of his decision to the employer and the Contractor. Such decision shall state that it is made pursuant to this Clause.

Unless the Contract has already been repudiated or terminated, the Contractor shall, in every case, continue to proceed with the Works with all due diligence and the Contractor and the Employer shall give effect forthwith to every such decision of the Engineer unless and until the same shall be revised, as hereinafter provided in an amicable settlement or an arbitral award.

If either the Employer or the Contractor be dissatisfied with any decision of the Engineer, or if the Engineer fails to give notice of his decision on or before the eighty-fourth day after the day on which he received the reference then either the Employer or the Contractor may, on or before the seventieth

day after the day on which he received notice of such decision, or, if the said period has expired, before the seventieth day after the day on which the said period has expired, as the case may be, give notice to the other party, with a copy of the information to the Engineer, of his intention to commence arbitration as to such dispute hereinafter provided as to the matter in dispute. Such notice shall constitute the entitlement of the party giving the same to commence arbitration as to such dispute hereinafter provided, as to such dispute and, subject to Sub-Clause 67.3, arbitration in respect thereof may be commenced unless such notice is withdrawn.

If the Engineer has given notice of his decision as to a matter in dispute to the Employer and the Contractor and no notification of intention to commence arbitration as to such dispute has been given by either the Employer or the Contractor on or before the seventieth day after the day on which the parties received notice as to such decision from the Engineer, the said decision shall become final and binding upon the Employer and the Contractor.

Amicable Settlement 67.2

Where notice of intention to commence arbitration as to dispute has been given in accordance with Sub-Clause 67.1, arbitration of such dispute shall not be commenced unless an attempt has first been made by the parties to settle such dispute amicably. Provided that, unless the parties otherwise agree, arbitration may be commenced on or after the fifty-sixth day after the day on which notice of intention to commence arbitration of such dispute was given, whether or not any attempt at amicable settlement thereof has been made.

Arbitration

67.3

Any dispute in respect of which:

- (a) the decisions, if any, of the Engineer has not become final and binding pursuant to Sub-Clause-67.1, and
- (b) amicable settlement has not been reached within the period stated in Sub-Clause-67.2

shall be finally settled, unless otherwise specified in the Contract, under the Rules of Conciliation and Arbitration of the International Chamber of Commerce by one or more arbitrators appointed under such Rules. The said arbitrator/s shall have full power to open up, review and revise any decision, opinion, instruction, determination, certificate or valuation of the Engineer related to the dispute.

Neither party shall be limited in the proceedings before such arbitrators to the evidence or arguments put before the Engineer for the purpose of obtaining his said decision pursuant to Sub-Clause-67.1, no such decision shall disqualify the Engineer from being called as a witness and giving evidence before the arbitrator/s any matter whatsoever relevant to the dispute.

Arbitration may be commenced prior to or after completion of the Works, provided that the obligations of the Employer, the Engineer and the Contractor shall not be altered by reason of the arbitration being conducted during the progress of the Works.

**Failure to Comply with
Engineer's Decision 67.4**

Where neither the Employer nor the Contractor has given notice of intention to commence arbitration of a dispute within the period stated in Sub-Clause 67.4 and the related decision has become final and binding, either party may, if the other party fails to comply with such decision, and without prejudice to any other right it may have, refer the failure to arbitration in accordance with Sub-Clause 67.5. The provisions of Sub-Clauses 67.4 and 67.5 shall not apply to any such reference.

NOTICES

Notice to Contractor 68.1

All certificates, notices or instructions to be given to the Contractor by the Employer to the Engineer under the terms of the Contract shall be sent by post, cable, telex or facsimile transmission to or left at the Contractor's principal place of business or such other address as the Contractor shall nominate for that purpose.

**Notice to Employer
and Engineer 68.2**

Any notice to be given to the Employer or to the Engineer under the terms of the Contract shall be sent by post, cable, telex or facsimile transmission to or left at the respective address nominated for that purpose in Part II of these Conditions.

Change of Address 68.3

Either party may change a nominated address to another address in the country where the Works are being executed by prior notice to the other party, with a copy to the Engineer, and the Engineer may do so by prior notice to both parties.

DEFAULT OF EMPLOYER

Default of Employer 69.1

In the event of the Employer:

- (a) failing to pay to the Contractor the amount due under any certificate of the Engineer within 28 days after the expiry of the time stated in Sub-Clause 60.10 within which payment is to be made, subject to any deduction that the Employer is entitled to make under the Contract, or
- (b) interfering with or obstructing or refusing any required approval to the issue of any such certificate, or
- (c) becoming bankrupt or, being a company, going into liquidation, other than for the purpose of a scheme of reconstruction or amalgamation, or
- (d) giving notice to the Contractor that for unforeseen reasons, due to economic dislocation it is impossible for him to continue to meet his contractual obligations.

the contractor shall be entitled to terminate his employment under the Contract by giving notice to the Employer, with a copy to the Engineer. Such termination shall take effect 14 days after the giving of the notice.

Removal of Contractor's Equipment	69.2	Upon the expiry of the 14 days' notice referred to in Sub-Clause 69.1, the Contractor shall, notwithstanding the provisions of Sub-Clause 64.1, with an reasonable dispatch, remove from the Site all Contractor's Equipment brought by him thereon.
Payment on Termination	69.3	In the event of such termination the Employer shall be under the same obligations to the Contractor in regard to payment as if the Contract had been terminated under the provisions of Clause-65, but, in addition to the payment specified in Sub-Clause-65.8, the Employer shall pay to the Contractor the amount of any loss or damage to the Contractor arising out of or in connection with or by consequence of such termination.
Contractor's Entitlement to Suspend Work	69.4	<p>Without prejudice to the Contractor's entitlement to interest under Sub-Clause-60.10 and to terminate under Sub-Clause-69.1, the Contractor may, if the Employer fails to pay the Contractor the amount due under any certificate of the Engineer within 28 days after the expiry of the time stated in Sub-Clause-60.10 within which payment is to be made, subject to any deduction that the Employer is entitled to make under the Contract, after giving 28 days' prior notice to the Employer, with a copy to the Engineer, suspend work or reduce the rate of work.</p> <p>If the Contractor suspends work or reduces the rate of work in accordance with the provisions of this Sub-Clause and thereby suffers delay or incurs cost the Engineer shall, after due consultation with the Employer and the Contractor determine,</p> <p>(a) any extension of time to which the Contractor is entitled under Clause-44, and</p> <p>(b) the amount of such costs, which shall be added to the Contract Price,</p> <p>and shall notify the Contractor accordingly, with a copy to the Employer.</p>
Resumptions of Work	69.5	Where the Contract suspends work or reduces the rate of work, having giving notice in accordance with Sub-Clause-69.4, and the Employer subsequently pays the amount due, including interest pursuant to Sub-Clause-60.10, the Contractor's entitlement under Sub-Clause 69.1 shall, if notice of termination has not been given, lapse and the Contractor shall resume normal working as soon as is reasonably possible.

CHANGES IN COSTS AND LEGISLATION

Increase or Decrease of Cost	70.1	There shall be added to or deducted from the Contract Price such sums in respect of rise or fall in the cost of labour and/or materials or any other matters affecting the cost of the execution of the Works as may be determined in accordance with Part-II of these Conditions.
------------------------------	------	--

**Subsequent
Legislation**

- 70.2** If, after the date 28 days prior to the latest date for submission of tenders for the Contract there occur in the country in which the Works are being or are to be executed changes to any National or State Statute, Ordinance, Decree, or other Law or any regulation or bye-law of any local or other constituted authority or the introduction of any such State Statute, Ordinance, Decree, Law regulation or bye-law which causes additional or reduced cost to the Contractor other than under Sub-Clause 9.1 in the execution of the Contract, such additional or reduced cost shall, after due consultation with the Employer and the Contractor, be determined by the Engineer and shall be added to or deducted from the Contract Price and the Engineer shall notify the Contractor accordingly, with a copy to the Employer.

CURRENCY AND RATES OF EXCHANGE

**Currency
Restrictions**

- 71.1** If, after the date 28 days prior to the latest date for submission of tender for the Contract, the Government or authorized agency of the Government of the country in which the Works are being or are to be executed imposes currency restrictions and/or transfer of currency restrictions in relation to the currency or currencies in which the Contract Price is to be paid, the Employer shall reimburse or any loss or damage to the Contractor arising there from, without prejudice to the right of the Contractor to exercise any other right or remedies to which he is entitled in such event.

Rates of Exchange

- 72.1** Where the Contract provides for payment in whole or in part to be made to the Contractor in foreign currency or currencies, such payment shall not be subject to variations in the rate or rates of exchange between such specified foreign currency or currencies and the currency of the country in which the Works are to be executed.

**Currency
Proportions**

- 72.2** Where the Employer has required the Tender to be expressed in a single currency but with payment to be made in more than one currency and the Contractor has stated the proportions or amounts of other currency or currencies in which he requires payment to be made, the rate or rates of exchange applicable for calculating the payment of such proportions or amount shall, unless otherwise stated in Part-II of these Conditions be those prevailing, as determined by the Central Bank of the country in which the Works are to be executed, on the date 28 days prior to the latest date for the submission of tenders for the Contract, as has been notified to the Contractor by the Employer prior to the submission of tenders or as provided for in the Tender.

**Currencies of Payment
for Provisional Sums**

- 72.3** Where the Contract provides for payment in more than one currency, the proportions or amounts to be paid in foreign currencies in respect of Provisional Sums shall be determined in accordance with the principles set forth in Sub-Clause-72.1 and 72.2 as and when these sums are utilised in whole or in part in accordance with the provisions of Clause-58 and 59.

REFERENCE TO PART-II

As stated in the Foreword at the beginning of this document, the EHB Conditions comprise both Part-I and Part-II. Certain Clauses, namely, 8.00 Clause-I.1 paragraph (a)(ii) and (v), 11.00 (parts 11.1, 11.3, 68.00.1) must include additional wording in Part-II for the Conditions to be complete. Other Clauses may require additional wording to supplement Part-I or to cover particular circumstances or the type of work (dredging is an example).

Part-II Conditions of Particular Application with guidelines for the preparation of Part-II are printed in a separately bound document.

PART II-A - CONDITIONS OF PARTICULAR APPLICATION
(Mandatory Provisions not to be Amended / Substituted)

1.1 Definitions
