GOVERNMENT OF SINDH
SCHOOL EDUCATION DEPARTMENT
KARACHI, DATED 17-04-2017

To,

The Director School Education (AI)
Government of Sindh

SUBJECT: REQUEST FOR ISSUANCE OF CORRIGENDUM WITH REFERENCE TO THE TENDERS ADVERTISEMENT PUBLISHED FOR REPAIR & MAINTAINANCE AND PURCHASES BY DISTRICT EDUCATION OFFICERS.

I am directed to refer on subject cited above and to state that in connection with the Education Emergency in the province, two meetings were chaired by Chief Minister Sindh on 21st and 22nd March, 2017. During the meetings the issue of missing facilities at school level was the main focus as the available facilities in public sector schools were deemed not up to the required standards. In this context, the Honorable Chief Minister directed for re-appropriation of the un-utilized SSB & SC funds and their effective utilization on filling such gaps of basic facilities in public schools of the Province. Therefore, Finance Department was approached on 27.03.2017 for re-appropriation of such amount for repair & maintenance, purchase and installation of solar panel and arrangement of clean drinking water tanks for various public schools in the province.

2. Accordingly under such directives, all the District Education Officers (concerned) have got published respective tender notices advertisement widely in the newspapers under School Specific Budget (SSB) and School Consolidation (SC) initiatives. This has been done in accordance with SPPRA requirement for wide publication. All the respective DEOs are also the chairmen of such procurement committees.

3. However, while examining the proposal of this department, Finance Department has advised that this re-appropriation is to be made in the cost centers of respective XENs instead of DEOs. Therefore, you are requested to issue a corrigendum of the advertisements already published by your respective offices, draft corrigendum duly approved by the Secretary School Education is attached for your convenience as a sample for issuance. You are also advised that if the work cost is equal or below than One million Rupees, only hoisting on website is required, while if its above than One million Rupees it should be hoisting on website as well as it will publish in newspapers.

4. You are requested to examine that if the last date of opening is lesser than one week time, then you should also extend the date of opening upto 3-4 days to avoid any missing of codal formalities.
