Dear Sir,

We were participated in subjected work and found 6th lowest as mentioned in bid evaluation report. We have reservations on technical qualification of 2nd lowest firm M/S NOMAN BUILDERS (which is accepted as 1ST lowest).

- 1) The said firm was failing to provide turn-over certificate/statement on bid opening day.
 - 2) The procuring agency calculated the turn-over of firm from bank statement which is not acceptable.
- You are therefore requested to stop the issue of work order and provide the copy of result of technical evaluation of said firm.

I'm agree with the decision of Redressal Committee
