BARRACKS OF PTC SAEEDABAD, KARACHI.

Respected Sir,

With due respect, it is stated that I have been learned through reliable sources that my firm has been disqualified from the above subject work in which my firm was lowest bidder and successor amongst the participants. The reason of disqualification is that turnover of 10 million for the year 2016, but I have already provided the Bank statement and stamp paper for the year 2016 before the concerned quarter, the another copy of turnover for the year 2016 is attached herewith for your kind perusal.

The reason raised by the concerned quarter that stamp paper and bank statement provided by me after opening of tenders. So that it is pointed out that 2nd lowest bidder whose bid accepted and which is under consideration for award of work order, the above firm also provided the stamp paper and bank statement after opening of tenders.

Further stated that if my firm was not lowest bidder that why the concerned quarter required sample of items and rate analysis, which was provided by me within due course.

Your honour humbly requested that my bid may kindly be considered in the interest of justice and save your department from financial loss at least 700,000/- which is difference between my firm rate and 2nd lowest bidders rate.

You are therefore requested that appropriate orders may kindly be issued in the best interest of justice.

Thanking you,

Yours faithfully,

M/s. Salafa & Alizha Constructors
