Subject: **N.I.T/TC/56/2018 DATED: 16-01-2018 SR NO. 36265.**
Reference: Your office letter No. AD/ASMT/SPPRA/36265/2018/2953 dt: 10-05-2018.

In response to your office letter No. referred above the cancellation letter No. TC/308 dt: 9-4-2018, bidding process was erroneously, issued by a new posted Executive Engineer in haste, who did not process the N.I.T later on, after veracity of documents he felt his mistake and promptly issued withdrawal of cancellation letter just after 03 days on 12-04-2018 of his earlier letter, because the bidding process had already completed on 02-02-2018 and the BER and other relevant papers were submitted to the Authority vide this office letter No. TCC/138 dt: 9-2-2018, which has been rescind in your office on 12-4-2018 and hoisted on SPPRA website on the same date. Later on, the work started at site by successful bidders, and the work is going on.

The ambiguity as occurred due to newly posting of fresh promoted Executive Engineer, who couldn't understand the bidding process and nothing else.
