SUBJECT DISQUALIFICATION IN TENDER

Reference No. LUMHS/PSS/-5029 Dated: 15/5/2018

To The Chairman CRC,

Dear Sir/Madam,

It was astonishing for us to find out that our tender has been disqualified as per technical evaluation by the technical committee of LUMHS Jamshoro. I would like to state as follows:

1. All of our products are imported from USA and Netherland marking them as branded (NOT Chinese or low branded items) and are duly approved by the FDA (brochure's of products are enclosed here for quick reference).
2. These are not new products and have already been in the market for more than a decade. You can do your inquiry as per your convenience and satisfaction.
3. We have never been disqualified for your aforementioned reason. Our instruments have been operating in numerous government and private institutions to present day so your reason for disqualification seems pretty absurd. Please let us know if there has been a change in criteria for qualification as your affiliated institutions have never once added this to our knowledge.
4. Attached is a list of reputable hospitals that have had a positive and productive working experience with us and can be contacted for your future queries regarding the standard of our operating instruments: JPMC, Civil Karachi, LNH Karachi, Hashmanis (Dr. Hasmani) , Alain (Dr. Mukhtar), Advanced eye hospital (Dr. Tariq Aziz) etc
