✓ Mr. A.W.Soomro,
The Director (CB),

SUBJECT:- **SUBMISSION OF BID EVALUATION REPORT FOR THE WORK OF
PROCUREMENT & INSTALLATION OF 5 NOS: X 1 MGD REVERSE
OSMOSIS WATER DESALINATION PLANTS AT LYARI TOWN.**

Reference:- NO.DIR(CB)/SPPRA/35-1(KW&SB)/10-11/3247 dt: 29-06-2011.

With reference to above referred subject, it is intimated that the reason regarding disqualification of the 2nd bidder i.e M/s.ARA Joint Ventures are as under :-

The proposal of M/s. ARA Joint Ventures was found substantially non responsive as it was not properly signed nor basic requirements of Joint Venture Agreement and registration with PEC were provided. However, as only two bids were received their technical proposal was also evaluated in detail. The proposal was awarded 52 marks out of total 100 marks. Since it failed to attain minimum 75 marks as per the evaluation criteria as well as failed to meet basic requirements of the bid, it was considered non-responsive and not qualified to meet the requirements of the bid and therefore the bid was proposed to be rejected and not considered further.

Therefore, in accordance with the Sindh Public Procurement Authority, Rules-2010, the Evaluation Committee recommended that the Financial Proposal of M/s. ARA Joint Venture be returned unopened to the bidder. M/s. ARA Joint Venture whose technical proposal was found non-responsive to the bid requirements and failed to achieve the minimum score in the Evaluation was rejected and the bidder may collect their Financial Proposal unopened from the office where the bids were submitted on any working day.

Further, such information was also communicated to M/s. ARA Joint Ventures vide letter No.KW&SB/ZONE-II-B/2011/67 dated: 20th June, 2011, besides personal meeting with the representatives of concerned firm which they agreed in the light of reasons explained to them.

This is for your kind information please.
