REF:

NIT NO. TC/2874/2014 DATED 17-10-2014.

Your office letter No.Dir(CB)SPPRA/37-14(PHED)/13-14/5517,
dated.24th December-2014.

Kindly refer the above correspondence, the para wise replies are submitted as
under:-

i)	At the time of preparation of NIT, cost of work was mentioned as Rs.44,400 Million and the amount for one year Operation & Maintenance (Non-Schedule Item) was erroneously not incorporated. However the bidding documents submitted are in line with the amount of technical sanctioned awarded. It is further stated that this erroneous omission dose not have any impact on the rate to be quoted by the bidders, as the bidders have calculated their bid rate according to the figures mentioned in the bid documents issued to them.
i) (a)	The contention of observation is not correct. The lowest bid cost is within allowable limit of 20% over technically sanctioned estimate. The calculation is produced below. Total Cost of Work :- Rs. 62,461,579/- Total Cost of Sanctioned Estimate Rs. 56,154,074/- Difference Rs. 63,07,505/- $\frac{6307505 \times 100}{56154074} = 11.23\% \text{ Above on Estimated Cost}$ As such approval of Finance Department does not apply.
i) (b)	The NIT has been floated for 11 Nos Schemes of District Tharparkar as one package. The bidders have also quoted rates against package as a whole, therefore the single BER and comparative statement are also worked out and no re-grouping is done.
ii)	The calculation given in reply i) (a) clarifies the confusion.
iii)	The bidders qualification report is prepared according to criteria published in the NIT (Rule-46-(c)). However the bidders' qualification report is corrected accordingly.
iv)	Attendance Sheet is annexed herewith.
