The meeting started with the recitation from Holy Quran by Prof. Dr. Mohammad Aslam Uqaili, Vice Chancellor, MUET Jamshoro. Afterwards, the Vice Chancellor welcomed the participants and thanked them for attending the meeting.

Later on, the agenda was discussed and following recommendations were made as under:

**ITEM NO. 01**      **TO CONSIDER AND APPROVE THE RECOMMENDATIONS OF PROCUREMENT COMMITTEE FOR LIBRARY OPERATIONS / SECURITY SURVEILLANCE AT MUET, SHAHEED Z.A BHUTTO CAMPUS KHAIRPUR MIR'S.**

The Project Director presented the following documents before the approving and contract award committee for scrutiny and consideration.

Sr.#	Subject	Page No.
(i)	Notification	Annexed as Annexure-A on Page No. 6 of working paper.
(ii)	Advertisement in newspapers	Annexed as Annexure-B on Page No. 7 to 9 of working paper.
(iii)	Number of bids purchased by interested parties/suppliers	Annexed as Annexure-C on Page No. 10 of working paper.
(iv)	Attendance sheet of the contractors and Committee Members	Annexed as Annexure-D on Page No. 11 to 12 of working paper.
(v)	Evaluation criteria mentioned in the Bid document	Annexed as Annexure-E on Page No. 13 of working paper.
(vi)	comparative statement, as per bid evaluation criteria laid down in bidding documents	Annexed as Annexure-F on Page No. 14 to 16 of working paper.
(vii)	concluding results and recommendations of the procurement committee	Annexed on Page No. 17 of working paper.

During discussion the Pro-Vice Chancellor informed the committee that four firms had purchased the tenders but only one bidder namely M/s Enterprise Solution Pakistan, Lahore participated who were the sole distributor of 3M product in Pakistan "Bibliotheca RFID Library Systems AG".

The Project Director presented the letter of M/s Enterprise Solution Pakistan, Lahore stating that they were the authorized distributor of 3M product in Pakistan but the committee desired that the authorization certificate from the owner of the company be obtained it should prove that M/s Enterprise Solution Pakistan, Lahore are the sole / authorized distributor of 3M product in Pakistan.

Later on, committee scrutinized the both offers of M/s Enterprise Solution Pakistan, Lahore which they had given on FOR and C&F basis as well as email sent by them. After detailed discussion it was observed that even if the university had to pay custom duty a saving of 24% would be made on account of GST etc therefore it was decided that the offer of M/s Enterprise

Solution Pakistan, Lahore on C&F basis be accepted at the cost of US \$ 57637.57 equivalent to Rs.6,075,000.00 excluding Koha software integrated charges which was not awarded to them due to the reason that the M/s Enterprise Solution Pakistan, Lahore were not the sole distributor for this item and also the rates of this item were found higher than the market rates.

**ITEM NO. 02**      **TO CONSIDER AND APPROVE THE RECOMMENDATIONS OF PROCUREMENT COMMITTEE FOR I.T. EQUIPMENT FOR LIBRARY OPERATIONS FOR CENTRAL LIBRARY AT MUET, SHAHEED Z.A BHUTTO CAMPUS KHAIRPUR MIR'S.**

At the outset of the discussion, the Director Finance told the committee that though the revised scheme had been submitted with the Sindh Government and the provision for the I.T and operational equipment of Library had been made in the accordance with present requirements but he was of the opinion that the excess should not be made from the provision available in the original scheme which was agreed by the committee.

In this connection the Pro-Vice Chancellor informed the committee the original and revised provision in the head of Library books and integrated library system and its breakup as under:

Sr.No.	Description	Approved PC-I Cost	Revised PC-I Cost
1	Physical Collection	24.000	31.476
2	Library Operations	22.919	37.730
	Total Amount Rs.(M)	46.919	71.206

Later on, the Project Director presented the following documents before the approving and contract award committee for scrutiny and consideration.

Sr.#	Subject	Page No.
(i)	Notification	Annexed as Annexure-A on Page No. 6 of working paper.
(ii)	Advertisement in newspapers	Annexed as Annexure-B on Page No. 7 to 9 of working paper.
(iii)	Number of bids purchased by interested parties/suppliers	Annexed as Annexure-C on Page No. 18 of working paper.
(iv)	Attendance sheet of the contractors and Committee Members	Annexed as Annexure-D on Page No. 19 to 20 of working paper.
(v)	Evaluation criteria mentioned in the Bid document	Annexed as Annexure-E on Page No. 21 of working paper.
(vi)	comparative statement, Technical Score, Financial Score as per bid evaluation criteria laid down in bidding documents	Annexed as Annexure-F,G on Page No. 22 to 25 of working paper.
(vii)	concluding results and recommendations of the procurement committee	Annexed as annexure-J on Page No. 26 of working paper.

Afterward the committee went through the quantities of each and every item and reduced quantities in order to bring the cost of the equipment needed for operation of the library within the Rs.22.919(M). After reducing the quantities it was observed that the cost of the security surveillance system and I.T equipment of Library was coming Rs.22.906 (M) Security Surveillance System Rs.6.075 (M) + I.T Equipment Rs.16.831 (M)=22.906 (M) which was found within the Rs.22.919(M).

However it was observed that in case the custom duly was to be paid then it could be met from the provision of Physical collection because a facility of e-books would be made available in shape of establishing on-line information centre within the Library.

In the light of above discussion the Approving and Contract Award Committee decided to award the work of procurement of I.T related Equipment to M/s Ideal Distribution Line, Karachi at the cost of Rs.16, 830,950.00 being the lowest and having competitive rates. Also it was decided that the details of the cost worked out of both vendors may be annexed with the minutes of the meeting.
