## EVALUATION CRITERIA:-

For the purpose of determining the lowest evaluated bid, following facts other than price shall be taken into consideration by the Procurement Committee of this Hospital. The following merit point system for weighing evaluation factors/criteria can be applied for the TECHNICAL PROPOSALS. The number of points allocated to each factor shall be specified in the Evaluation Report.

Bidders are required to submit the authentic copy of IMS/SALS data reflecting ranking of company as well as for their products for Quarter First of 2013.

Bidder's attendance at the opening of financial proposals is optional.

Financial proposals shall be opened publicly in the presence of the bidders' representatives who choose to attend. The name of the bidders and the technical score of the bidder shall be read aloud. The financial proposal of the bidder who met the minimum qualifying marks shall then be inspected to confirm that they have remained sealed and unopened.
