BID EVALUATION

1. GENERAL

This report covers the evaluation of bids opened on 3 October, 2013 for the Project "Widening / Improvement of Road from Wango More to Thar Coal Field Area (Phase-II), Contract Package – II : Near Village Dadwari Thakar to Near Village Pasarko (Km 20+600 to Km 41+900).

2. THE BIDDING PROCESS

2.1 Pre-qualification Notice

The Director General, Sindh Coal Authority invited, through publication in National Newspapers on 10 & 11 April, 2012, interested bidders to present and submit their request for pre-qualification for Phase – I & II of the Project. The pre-qualification notice is attached to this report as Annexure 1.

From the submitted documents a list of pre-qualified bidders was established. The list of pre-qualified bidders for Phase-II is as under:

- i. M/s Mumtaz & Company
- ii. M/s Niaz Muhammad Khan & Brothers
- iii. M/s Umer Jan & Co
- iv. M/s Muhammad Ramzan & Co
- v. M/s Maqbool Associates (Pvt) Ltd.
- vi. M/s Mian Abdul Jabbar – Friends Enterprise (JV)
- vii. M/s Haji Sirajuddin Soomro
- viii. M/s Fazal & Brothers

2.2 Invitation of Bids

The Director General, Sindh Coal Authority invited bids from the pre-qualified bidders through letters dated 13 September, 2013, copies of letters are enclosed for reference at Annexure 2 of this report.

In response to the above invitation four companies out of eight pre-qualified companies purchased the bidding documents on payment of prescribed fee.

2.3 Pre-bid Meeting

A pre-bid meeting was held in the office of Director General, Sindh Coal Authority, Karachi on 26 September, 2013, at 14:00 hours, where all the prospective bidders were present and clarifications to all of their queries were provided.

2.4 Addenda

Bid Documents were modified and Addendum No. 1 was issued, which were communicated to all purchasers of the bidding documents. Copies of Addendum is attached as Annexure 3 to this report.

2.5 Submission and Opening of Bids

The closing date and time for submission of bids was 3 October, 2013 at 14:00 hours. The bids received were opened on the same day at 15:00 hours, in the presence of the bidder's representatives, by the Procurement Committee constituted by the Government of Sindh of the following personnel:

- i. Additional Secretary, Coal & Energy Development Department, Government of Sindh (Chairman)
- ii. Chief Engineer, Sindh Coal Authority (Member)
- iii. Deputy Secretary (Dev-I), Finance Deptt (Member)
- iv. Superintending Engineer, Sindh Coal Authority (Member)
- v. Executive Engineer, Provincial Building Division-II (Member)
- vi. Executive Engineer II, Sindh Coal Authority (Member)
- vii. Divisional Accounts Officer, Sindh Coal Authority (Member)

Co-opt Members for Packages of Scheme No.2 (Phase – II)

- viii. The Engineer (Team Leader), M/s AA Associates in Association with M/s ECIL.
- ix. Contract / Procurement Engineer, M/s AA Associates in Association with M/s ECIL.

All four bidders, who purchased the bid documents, participated in the bidding and submitted their bids.

In accordance with the bidding procedure, an attendance sheet was signed by all the bidder's representatives attending the bid opening and the above participants. Copy of the attendance sheet and bid opening record are attached as Annexure 4 to this report.

3. PRELIMINARY EVALUATION

3.1 Introduction

The preliminary evaluation of the bids was carried out to determine whether they were complete in order to assess their responsiveness.

3.2 Responsiveness Study

The responsiveness of the Bids is determined on the basis of the Instruction to Bidders Clause 26. Based on these standard procedures, a check list has been prepared for each of the bidders. All four bidders were found to have submitted substantially responsive bids. The record of checking for completeness/ responsiveness of bid documents showing the results of the preliminary examination of bids is attached as Annexure 5 to this report.

After Preliminary Evaluation, it was concluded that further detailed evaluation shall be carried out of all the four Bidders having submitted substantially responsive bids.

4. DETAILED EVALUATION

4.1 Introduction

This section of the evaluation report represents the detailed evaluation of the responsive bids to determine the corrected and discounted bid prices through arithmetic check.

4.2 Evaluation of Technical Requirements

a. Construction Schedule

The contract execution schedules and sequence of work activities were evaluated in detail and compared with the requirements of the bidding documents.

The construction schedules submitted by the bidders complied with the completion period specified in the bidding documents.

b. Construction Method

The construction methods proposed by the bidders were reviewed and evaluated in detail. Overall, the bidders' proposed construction methods were acceptable in general.

c. Availability of Major Equipment

Mobilization of construction equipment is important for the successful completion of the project. The bidders have demonstrated that they possess the key equipment to mobilize for the project.

d. Construction Camp & Housing Facilities

The construction facilities proposed by the bidders were evaluated and was found satisfactory in general.

e. Organizational Plan

Site organization proposed by the bidders were evaluated in detail with respect to the construction execution and proposed positions in the site organization. The site organizations proposed by all bidders were generally acceptable.

4.3 Arithmetical Check of Responsive Bids

The responsive bids have been checked for arithmetic errors and corrected in accordance with the provisions given in the Instruction to Bidders Clause 27. The corrected bid prices are attached to this report as Annexure 6.

The detailed evaluation of responsive bids is placed hereunder and the resulting (corrected) prices of each bidder are as follows:

1. M/s M. Ramzan & Co	
• Quoted Price (Read out)	Rs. 1,718,651,210
• Discount if any	Nil
• Corrected bid price	Rs. 1,718,605,210
2. M/s Fazal & Brothers	
• Quoted Price (Read out)	Rs. 1,699,397,780
• Discount if any	Nil
• Corrected bid price	Rs. 1,699,397,780
3. M/s Mumtaz & Co	
• Quoted Price (Read out)	Rs. 1,696,315,607
• Discount if any	Nil
• Corrected bid price	Rs. 1,696,317,429
4. M/s Umar Jan & Co.	
• Quoted Price (Read out)	Rs. 1,554,961,737
• Discount if any	Nil
• Corrected bid price	Rs. 1,554,961,737

4.4 Comparison of Bids

4.4.1 General Price Comparison

A general price comparison was undertaken based on the corrected bid prices of the bidders exhibited in the comparative statement attached to this report as Annexure 6. Bidder's prices variations were calculated relative to the Engineer's Estimated prices.

4.4.2 Comparison of Bid Price with Engineer's Cost Estimate

The bid prices are higher than the Engineers' Cost Estimate with the percentage varying between 33 % and 47 %.

Following table shows the overall percentage of variation of the bids from the Engineers' Estimate:

S.No.	Bidder's Name	Engineer's Estimate (Rs.)	Corrected / Discounted Price (Rs.)	Variation from Engineer's Estimate (%)	Ranking
1.	M/s Umar Jan & Co	1,168,715,454	1,554,961,737	33.00	1 st Lowest
2.	M/s Mumtaz & Co	1,168,715,454	1,696,317,429	45.14	2 nd Lowest
3.	M/s Fazal & Bros.	1,168,715,454	1,699,397,780	45.41	3 rd Lowest
4.	M/s Ramzan & Co	1,168,715,454	1,718,605,210	47.05	4 th Lowest

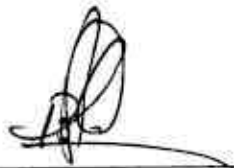

The bid prices vary significantly from the Engineer's Estimate. The prices quoted by the bidders are very high for Bill No.1 "Earth Works" 69.6% to 101.24% and Bill No.2 "Sub base and Base Courses" 47.2% to 66.26% above.

5. RECOMMENDATIONS BY THE CONSULTANTS

From comparison of the bidder's arithmetically corrected bid prices it is evident that the bid of M/s Umar Jan & Co is the lowest evaluated bid. However the lowest evaluated bid is 33 % higher than Engineer's Cost Estimate, which is substantially high and unacceptable, even considering the market inflation / escalation in prices.

On the basis of examination of the terms and conditions of the bidding documents and the schematic evaluation of bids as presented in this report, it is recommended that the whole bidding process may be called off and a fresh exercise may be undertaken to have a realistic competitive prices to decide for award of the Works.

The Bid Evaluation report is submitted to the Procurement Committee for review, consideration and approval.

Team Leader
A.A. Associates – ECIL

6. APPROVAL BY THE PROCUREMENT COMMITTEE

The Bid Evaluation Report submitted by the Consultants was reviewed by the Procurement Committee and found that the evaluation and preparation of Bid Evaluation Report is in the line with the Procurement Procedures laid down in SPPRA Rules and in Instructions to Bidders.

The Committee approves the recommendations of the Consultants.

BID EVALUATION

1. GENERAL

This report covers the evaluation of bids opened on 3 October, 2013 for the Project "Widening / Improvement of Road from Wango More to Thar Coal Field Area (Phase-II), Contract Package – V : Near Village Thakur-Ji-Dhani to Islamkot Bypass (Km 84+200 to Km 106+300).

2. THE BIDDING PROCESS

2.1 Pre-qualification Notice

The Director General, Sindh Coal Authority invited, through publication in National Newspapers on 10 & 11 April, 2012, interested bidders to present and submit their request for pre-qualification for Phase – I & II of the Project. The pre-qualification notice is attached to this report as Annexure 1.

From the submitted documents a list of pre-qualified bidders was established. The list of pre-qualified bidders for Phase-II is as under:

- i. M/s Mumtaz & Company
- ii. M/s Niaz Muhammad Khan & Brothers
- iii. M/s Umer Jan & Co
- iv. M/s Muhammad Ramzan & Co
- v. M/s Maqbool Associates (Pvt) Ltd.
- vi. M/s Mian Abdul Jabbar – Friends Enterprise (JV)
- vii. M/s Haji Sirajuddin Soomro
- viii. M/s Fazal & Brothers

2.2 Invitation of Bids

The Director General, Sindh Coal Authority invited bids from the pre-qualified bidders through letters dated 13 September, 2013, copies of letters are enclosed for reference at Annexure 2 of this report.

In response to the above invitation three companies out of eight pre-qualified companies purchased the bidding documents on payment of prescribed fee.

2.3 Pre-bid Meeting

A pre-bid meeting was held in the office of Director General, Sindh Coal Authority, Karachi on 26 September, 2013, at 14:00 hours, where all the prospective bidders were present and clarifications to all of their queries were provided.

2.4 Addenda

No Addendum was required and issued in respect of the Bidding Documents.

2.5 Submission and Opening of Bids

The closing date and time for submission of bids was 3 October, 2013 at 14:00 hours. The bids received were opened on the same day at 15:00 hours, in the presence of the bidder's representatives, by the Procurement Committee constituted by the Government of Sindh of the following personnel:

- i. Additional Secretary, Coal & Energy Development Department, Government of Sindh (Chairman)
- ii. Chief Engineer, Sindh Coal Authority (Member)
- iii. Deputy Secretary (Dev-I), Finance Deptt (Member)
- iv. Superintending Engineer, Sindh Coal Authority (Member)
- v. Executive Engineer, Provincial Building Division-II (Member)
- vi. Executive Engineer II, Sindh Coal Authority (Member)
- vii. Divisional Accounts Officer, Sindh Coal Authority (Member)

Co-opt Members for Packages of Scheme No.2 (Phase - II)

- viii. The Engineer (Team Leader), M/s AA Associates in Association with M/s ECIL.
- ix. Contract / Procurement Engineer, M/s AA Associates in Association with M/s ECIL.

All three bidders, who purchased the bid documents, participated in the bidding and submitted their bids.

In accordance with the bidding procedure, an attendance sheet was signed by all the bidder's representatives attending the bid opening and the above participants. Copy of the attendance sheet and bid opening record are attached as Annexure 4 to this report.

3. PRELIMINARY EVALUATION

3.1 Introduction

The preliminary evaluation of the bids was carried out to determine whether they were complete in order to assess their responsiveness.

3.2 Responsiveness Study

The responsiveness of the Bids is determined on the basis of the Instruction to Bidders Clause 26. Based on these standard procedures, a check list has been prepared for each of the bidders. All three bidders were found to have submitted substantially responsive bids. The record of checking for completeness/ responsiveness of bid documents showing the results of the preliminary examination of bids is attached as Annexure 5 to this report.

After Preliminary Evaluation, it was concluded that further detailed evaluation shall be carried out of all the three Bidders having submitted substantially responsive bids.

4. DETAILED EVALUATION

4.1 Introduction

This section of the evaluation report represents the detailed evaluation of the responsive bids to determine the corrected and discounted bid prices through arithmetic check.

4.2 Evaluation of Technical Requirements

a. Construction Schedule

The contract execution schedules and sequence of work activities were evaluated in detail and compared with the requirements of the bidding documents.

The construction schedules submitted by the bidders complied with the completion period specified in the bidding documents.

b. Construction Method

The construction methods proposed by the bidders were reviewed and evaluated in detail. Overall, the bidders' proposed construction methods were acceptable in general.

c. Availability of Major Equipment

Mobilization of construction equipment is important for the successful completion of the project. The bidders have demonstrated that they possess the key equipment to mobilize for the project.

d. Construction Camp & Housing Facilities

The construction facilities proposed by the bidders were evaluated and was found satisfactory in general.

e. Organizational Plan

Site organization proposed by the bidders were evaluated in detail with respect to the construction execution and proposed positions in the site organization. The site organizations proposed by all bidders were generally acceptable.

4.3 Arithmetical Check of Responsive Bids

The responsive bids have been checked for arithmetic errors and corrected in accordance with the provisions given in the Instruction to Bidders Clause 27. The corrected bid prices are attached to this report as Annexure 6.

The detailed evaluation of responsive bids is placed hereunder and the resulting (corrected) prices of each bidder are as follows:

1. M/s Umar Jan & Co.

- Quoted Price (Read out) Rs. 1,566,563,423
- Discount if any Nil
- Corrected bid price Rs. 1,567,998,824

2. M/s Fazal & Brothers

- Quoted Price (Read out) Rs. 1,424,481,188
- Discount if any Nil
- Corrected bid price Rs. 1,424,481,188

3. M/s Mumtaz & Co

- Quoted Price (Read out) Rs. 1,459,689,498
- Discount if any Nil
- Corrected bid price Rs. 1,450,374,849

4.4 Comparison of Bids

4.4.1 General Price Comparison

A general price comparison was undertaken based on the corrected bid prices of the bidders exhibited in the comparative statement attached to this report as Annexure 6. Bidder's prices variations were calculated relative to the Engineer's Estimated prices.

4.4.2 Comparison of Bid Price with Engineer's Cost Estimate

The bid prices are higher than the Engineers' Cost Estimate with the percentage varying between 34% and 52 %.

Following table shows the overall percentage of variation of the bids from the Engineers' Estimate:

S.No.	Bidder's Name	Engineer's Estimate (Rs.)	Corrected / Discounted Price (Rs.)	Variation from Engineer's Estimate (%)	Ranking
1.	M/s Fazal & Bros.	1,032,599,441	1,424,481,188	37.95	1 st Lowest
2.	M/s Mumtaz & Co	1,032,599,441	1,450,374,849	40.46	2 nd Lowest
3.	M/s Umar Jan & Co	1,032,599,441	1,567,998,824	51.85	3 rd Lowest

The bid prices vary significantly from the Engineer's Estimate. The prices quoted by the bidders are very high for Bill No.1 "Earth Works" 49% to 99% and Bill No.2 "Sub base and Base Courses" 50% to 59% above.

5. RECOMMENDATIONS BY THE CONSULTANTS

From comparison of the bidder's arithmetically corrected bid prices it is evident that the bid of M/s Fazal & Brothers is the lowest evaluated bid. However the lowest evaluated bid is 38 % higher than Engineer's Cost Estimate, which is substantially high and unacceptable, even considering the market inflation / escalation in prices.

On the basis of examination of the terms and conditions of the bidding documents and the schematic evaluation of bids as presented in this report, it is recommended that the whole bidding process may be called off and a fresh exercise may be undertaken to have a realistic competitive prices to decide for award of the Works.

The Bid Evaluation report is submitted to the Procurement Committee for review, consideration and approval.

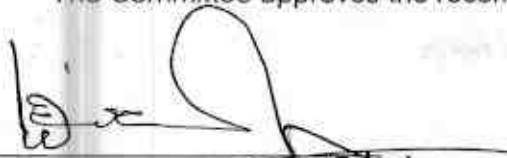

Team Leader
 A.A. Associates – ECIL

6. APPROVAL BY THE PROCUREMENT COMMITTEE

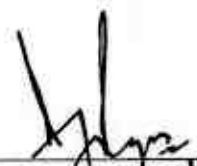

The Bid Evaluation Report submitted by the Consultants was reviewed by the Procurement Committee and found that the evaluation and preparation of Bid Evaluation Report is in the line with the Procurement Procedures laid down in SPPRA Rules and in Instructions to Bidders.

The Committee approves the recommendations of the Consultants.

BID EVALUATION

1. GENERAL

This report covers the evaluation of bids opened on 3 October, 2013 for the Project "Widening / Improvement of Road from Wango More to Thar Coal Field Area (Phase-II), Contract Package – VI : Islamkot Muslim Graveyard to Thar-Jo-Goth (Km 106+300 to Km 125+300).

2. THE BIDDING PROCESS

2.1 Pre-qualification Notice

The Director General, Sindh Coal Authority invited, through publication in National Newspapers on 10 & 11 April, 2012, interested bidders to present and submit their request for pre-qualification for Phase – I & II of the Project. The pre-qualification notice is attached to this report as Annexure 1.

From the submitted documents a list of pre-qualified bidders was established. The list of pre-qualified bidders for Phase-II is as under:

- i. M/s Mumtaz & Company
- ii. M/s Niaz Muhammad Khan & Brothers
- iii. M/s Umer Jan & Co
- iv. M/s Muhammad Ramzan & Co
- v. M/s Maqbool Associates (Pvt) Ltd.
- vi. M/s Mian Abdul Jabbar – Friends Enterprise (JV)
- vii. M/s Haji Sirajuddin Soomro
- viii. M/s Fazal & Brothers

2.2 Invitation of Bids

The Director General, Sindh Coal Authority invited bids from the pre-qualified bidders through letters dated 13 September, 2013, copies of letters are enclosed for reference at Annexure 2 of this report.

In response to the above invitation three companies out of eight pre-qualified companies purchased the bidding documents on payment of prescribed fee.

2.3 Pre-bid Meeting

A pre-bid meeting was held in the office of Director General, Sindh Coal Authority, Karachi on 26 September, 2013, at 14:00 hours, where all the prospective bidders were present and clarifications to all of their queries were provided.

2.4 Addenda

No Addendum was required and issued in respect of the Bidding Documents.

2.5 Submission and Opening of Bids

The closing date and time for submission of bids was 3 October, 2013 at 14:00 hours. The bids received were opened on the same day at 15:00 hours, in the presence of the bidder's representatives, by the Procurement Committee constituted by the Government of Sindh of the following personnel:

- i. Additional Secretary, Coal & Energy Development Department, Government of Sindh (Chairman)
- ii. Chief Engineer, Sindh Coal Authority (Member)
- iii. Deputy Secretary (Dev-I), Finance Deptt (Member)
- iv. Superintending Engineer, Sindh Coal Authority (Member)
- v. Executive Engineer, Provincial Building Division-II (Member)
- vi. Executive Engineer II, Sindh Coal Authority (Member)
- vii. Divisional Accounts Officer, Sindh Coal Authority (Member)

Co-opt Members for Packages of Scheme No.2 (Phase – II)

- viii. The Engineer (Team Leader), M/s AA Associates in Association with M/s ECIL.
- ix. Contract / Procurement Engineer, M/s AA Associates in Association with M/s ECIL.

All three bidders, who purchased the bid documents, participated in the bidding and submitted their bids.

In accordance with the bidding procedure, an attendance sheet was signed by all the bidder's representatives attending the bid opening and the above participants. Copy of the attendance sheet and bid opening record are attached as Annexure 4 to this report.

3. PRELIMINARY EVALUATION

3.1 Introduction

The preliminary evaluation of the bids was carried out to determine whether they were complete in order to assess their responsiveness.

3.2 Responsiveness Study

The responsiveness of the Bids is determined on the basis of the Instruction to Bidders Clause 26. Based on these standard procedures, a check list has been prepared for each of the bidders. All three bidders were found to have submitted substantially responsive bids. The record of checking for completeness/responsiveness of bid documents showing the results of the preliminary examination of bids is attached as Annexure 5 to this report.

After Preliminary Evaluation, it was concluded that further detailed evaluation shall be carried out of all the three Bidders having submitted substantially responsive bids.

4. DETAILED EVALUATION

4.1 Introduction

This section of the evaluation report represents the detailed evaluation of the responsive bids to determine the corrected and discounted bid prices through arithmetic check.

4.2 Evaluation of Technical Requirements

a. Construction Schedule

The contract execution schedules and sequence of work activities were evaluated in detail and compared with the requirements of the bidding documents.

The construction schedules submitted by the bidders complied with the completion period specified in the bidding documents.

b. Construction Method

The construction methods proposed by the bidders were reviewed and evaluated in detail. Overall, the bidders' proposed construction methods were acceptable in general.

c. Availability of Major Equipment

Mobilization of construction equipment is important for the successful completion of the project. The bidders have demonstrated that they possess the key equipment to mobilize for the project.

d. Construction Camp & Housing Facilities

The construction facilities proposed by the bidders were evaluated and was found satisfactory in general.

e. Organizational Plan

Site organization proposed by the bidders were evaluated in detail with respect to the construction execution and proposed positions in the site organization. The site organizations proposed by all bidders were generally acceptable.

4.3 Arithmetical Check of Responsive Bids

The responsive bids have been checked for arithmetic errors and corrected in accordance with the provisions given in the Instruction to Bidders Clause 27. The corrected bid prices are attached to this report as Annexure 6.

The detailed evaluation of responsive bids is placed hereunder and the resulting (corrected) prices of each bidder are as follows:

1. M/s M. Ramzan & Co	
• Quoted Price (Read out)	Rs. 1,392,883,620
• Discount if any	Nil
• Corrected bid price	Rs. 1,345,088,220
2. M/s Fazal & Brothers	
• Quoted Price (Read out)	Rs. 1,289,897,003
• Discount if any	Nil
• Corrected bid price	Rs. 1,265,213,468
3. M/s Mumtaz & Co	
• Quoted Price (Read out)	Rs. 1,262,533,114
• Discount if any	Nil
• Corrected bid price	Rs. 1,246,104,071

4.4 Comparison of Bids

4.4.1 General Price Comparison

A general price comparison was undertaken based on the corrected bid prices of the bidders exhibited in the comparative statement attached to this report as Annexure 6. Bidder's prices variations were calculated relative to the Engineer's Estimated prices.

4.4.2 Comparison of Bid Price with Engineer's Cost Estimate

The bid prices are higher than the Engineers' Cost Estimate with the percentage varying between 34% and 52 %.

Following table shows the overall percentage of variation of the bids from the Engineers' Estimate:

S.No.	Bidder's Name	Engineer's Estimate (Rs.)	Corrected / Discounted Price (Rs.)	Variation from Engineer's Estimate (%)	Ranking
1.	M/s Mumtaz & Co	871,118,231	1,246,104,071	43.05	1 st Lowest
2.	M/s Fazal & Bros	871,118,231	1,265,213,468	45.24	2 nd Lowest
3.	M/s M. Ramzan & Co	871,118,231	1,345,088,220	54.41	3 rd Lowest

The bid prices vary significantly from the Engineer's Estimate. The prices quoted by the bidders are very high for Bill No.1 "Earth Works" 42% to 105% and Bill No.2 "Sub base and Base Courses" 62% to 85% above.

5. RECOMMENDATIONS BY THE CONSULTANTS

From comparison of the bidder's arithmetically corrected bid prices it is evident that the bid of M/s Mumtaz & Co is the lowest evaluated bid. However the lowest evaluated bid is 43 % higher than Engineer's Cost Estimate, which is substantially high and unacceptable, even considering the market inflation / escalation in prices.

On the basis of examination of the terms and conditions of the bidding documents and the schematic evaluation of bids as presented in this report, it is recommended that the whole bidding process may be called off and a fresh exercise may be undertaken to have a realistic competitive prices to decide for award of the Works.

The Bid Evaluation report is submitted to the Procurement Committee for review, consideration and approval.

A.A. Associates – ECIL

6. APPROVAL BY THE PROCUREMENT COMMITTEE

The Bid Evaluation Report submitted by the Consultants was reviewed by the Procurement Committee and found that the evaluation and preparation of Bid Evaluation Report is in the line with the Procurement Procedures laid down in SPPRA Rules and in Instructions to Bidders.

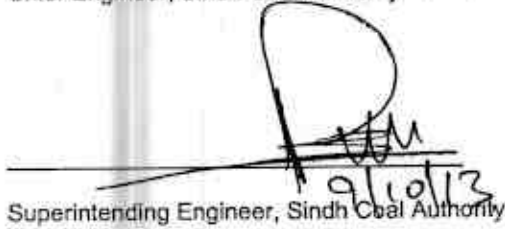

The Committee approves the recommendations of the Consultants.

CONTRACT AGREEMENT

THIS CONTRACT AGREEMENT (hereinafter called the "Agreement") made on the 31st day of January, 2012 between Sindh Coal Authority (hereafter called the "Procuring Agency") of the one part and M/s. Haji Sirajuddin Soomro (hereafter called the "Contractor") of the other part.

WHEREAS the Procuring Agency is desirous that certain works, viz **Mithi – Islamkot Road to Near Village Londhar (Km 63+000 to Km 84+200) Contract Package No.SCA/Phase-II/CP-IV** should be executed by the Contractor and has accepted a bid of Rs.1,243,689,785/- (Rupees one billion, two hundred forty three million, six hundred eighty nine thousand & seven hundred eighty five only) offered by the Contractor for the execution and completion of such works and the remedying of any defects therein.

NOW this Agreement witnesseth - as follows:

1. In this Agreement words and expressions shall have the same meanings as are respectively assigned to them in the Conditions of Contract hereinafter referred to.
2. The following documents after incorporating addenda, if any, except those parts relating to Instructions to bidders shall be deemed to form and be read and construed as part of this Agreement, viz:
 - (a) The Contract Agreement;
 - (b) The Letter of Acceptance;
 - (c) The completed Form of Bid;
 - (d) Special Stipulations (Appendix-A to Bid);
 - (e) The Special Conditions of Contract – Part II;
 - (f) The General Conditions – Part I;
 - (g) The completed Appendices to Bid (B, C, E to L);
 - (h) The Drawings;
 - (i) Special provisions
 - (j) Addenda to NHA General Specifications 1998
 - (i) The NHA General Specifications
 - (j) The priced Bill of Quantities (Appendix-D to Bid);
 - (k) Addendum issued by the Procuring Agency during bidding process

3. In consideration of the payments to be made by the procuring agency to the Contractor as hereinafter mentioned, the Contractor hereby covenants with the procuring agency to execute and complete the works and remedy defects therein in conformity and in all respects with the provisions of the contract.

Subject: Commencement Notice

Dear Sir,

You have been awarded the construction of above cited Works and the Contract Agreement has been signed between the Employer (Director General, SCA) and you as the Contractor on January 31, 2013.

In accordance with Clause 8.1, you are hereby directed to commence the Works as soon as is reasonably possible but not later than seven (7) days from the date of receipt of this Commencement Notice and proceed with the Works with due expedition and without delay.

The issue date of this Notice will be the Commencement Date i.e February 01, 2013 for the purposes of the Contract.

Time for completion, in accordance with Clause 1.1.3.3 of the Conditions of Contract, for whole of the Works is 540 days from the date of receipt of Engineer's Notice to Commence.

You are required under Clause 8.3 of the Contract Conditions to submit your Programme of Works for the agreement / approval of the Engineer.

Very truly yours,

For & on behalf of AA Associates in association with ECIL,

(Bux Ali Abro)
The Engineer

Project: **WIDENING / IMPROVEMENT OF ROAD FROM WANGO MOR TO NEAR VILLAGE MOODAR (KM 0+000 to KM 20+600) – CONTRACT PACKAGE NO. SCA/PHASE-II/CP-I**

Subject: Commencement Notice

Dear Sir,

You have been awarded the construction of above cited Works and the Contract Agreement has been signed between the Employer (Director General, SCA) and you as the Contractor on February 14, 2013.

In accordance with Clause 8.1, you are hereby directed to commence the Works as soon as is reasonably possible but not later than seven (7) days from the date of receipt of this Commencement Notice and proceed with the Works with due expedition and without delay.

The issue date of this Notice will be the Commencement Date i.e February 18, 2013 for the purposes of the Contract.

Time for completion, in accordance with Clause 1.1.3.3 of the Conditions of Contract, for whole of the Works is 540 days from the date of receipt of Engineer's Notice to Commence.

You are required under Clause 8.3 of the Contract Conditions to submit your Programme of Works for the agreement / approval of the Engineer.

Very truly yours,
For & on behalf of AA Associates in association with ECIL,

(Bux Ali Abro)
The Engineer

- vii. M/s Haji Sirajuddin Soomro
- viii. M/s Fazal & Brothers

2.2 Invitation of Bids

Initially, on 3 July 2012, bids were invited by The Director General, Sindh Coal Authority from the pre-qualified bidders. However the lowest evaluated bid, out of three bids received and opened on 26 July, 2012, was 39.44% higher than the Engineer's Cost Estimate. Owing to substantially high bid price of the lowest evaluated bid, it was recommended by the Procurement Committee that the whole bidding process may be called off and a fresh exercise undertaken to have a realistic competitive prices to decide for award of the Works. The recommendations of the Procurement Committee were approved by the competent authority.

The Director General, Sindh Coal Authority invited fresh bids from all the already pre-qualified bidders through letters dated 26 September, 2012, copies of invitation letters are enclosed for reference at Annexure 2 of this report.

In response to the above fresh invitations five companies out of eight pre-qualified companies purchased the bidding documents on payment of prescribed fee.

2.3 Pre-bid Meeting

A pre-bid meeting was held in the office of Director General, Sindh Coal Authority, Karachi on 08 October, 2012, at 12:00 hours, where all pre-qualified bidders were invited and clarifications to all of their queries were provided.

2.4 Addenda

No modifications/ changes to the Bidding Documents were required and as such no addendum was issued.

2.5 Submission and Opening of Bids

The original closing date and time for submission of bids was 16 October, 2012 at 13:00 hours, which was extended to 6 November, 2012. The bids received were opened on the same day at 14:00 hours, in the presence of the bidder's representatives, by the Procurement Committee constituted by the Government of Sindh of the following personnel:

- i. Additional Secretary, Coal & Energy Development Department, Government of Sindh (Chairman)
- ii. Chief Engineer, Sindh Coal Authority (Member)
- iii. Superintending Engineer, Sindh Coal Authority (Member)
- iv. Nominee of the Director General (Design), W&S Deptt. Sindh (Member)
- v. Nominee of the Finance Department, Government of Sindh. (Member)
- vi. Executive Engineer, Sindh Coal Authority (Member)
- vii. Divisional Accounts Officer, Sindh Coal Authority (Member)

Co-opt Members for Packages of Scheme No.2 (Phase - II)

- viii. The Engineer (Team Leader), M/s AA Associates in Association with M/s ECIL.
- ix. Contract / Procurement Engineer, M/s AA Associates in Association with M/s ECIL.

Out of five (5) pre-qualified bidders, who purchased the bid documents, three (3) bidders participated in the bidding and submitted their bids.

In accordance with the bidding procedure, an attendance sheet was signed by all the bidders representatives attending the bid opening, and the above participants. Copy of the attendance sheet and bid opening record are attached as Annexure 3 to this report.

3. PRELIMINARY EVALUATION

3.1 Introduction

The preliminary evaluation of the bids was carried out to determine whether they were complete in order to assess their responsiveness.

3.2 Responsiveness Study

The responsiveness of the Bids is determined on the basis of the Instruction to Bidders Clause 26. Based on these standard procedures, a check list has been prepared for each of the bidders. All three bidders were found to have submitted substantially responsive bids. The record of checking for completeness/ responsiveness of bid documents showing the results of the preliminary examination of bids is attached as Annexure 4 to this report.

After Preliminary Evaluation, it was concluded that further detailed evaluation shall be carried out of all the three Bidders having submitted substantially responsive bids.

4. DETAILED EVALUATION

4.1 Introduction

This section of the evaluation report represents the detailed evaluation of the responsive bids to determine the corrected and discounted bid prices through arithmetic check.

4.2 Evaluation of Technical Requirements

a. Construction Schedule

The contract execution schedules and sequence of work activities were evaluated in detail and compared with the requirements of the bidding documents.

The construction schedules submitted by the bidders complied with the completion period specified in the bidding documents. The work schedule of M/s MAJ - FE does not provide all activities in detail and based on summaries of the Bills.

b. Construction Method

The construction methods proposed by the three bidders were reviewed and evaluated in detail. Overall, the bidders' proposed construction methods were acceptable in general.

c. Availability of Major Equipment

Mobilization of construction equipment is important for the successful completion of the project. The bidders have demonstrated that they possess the key equipment to mobilize for the project.

d. Construction Camp & Housing Facilities

The construction facilities proposed by the three bidders were evaluated. Proposal of M/s NKB was satisfactory in general. The proposals of M/s MAJ - FE (JV) were not in detail and presented in a short form. They also did not submit any layout plan for the facilities.

e. Organizational Plan

Site organization proposed by the three bidders were evaluated in detail with respect to the construction execution and proposed positions in the site organization. The site organizations proposed by all three bidders were generally acceptable.

4.3 Arithmetical Check of Responsive Bids

The responsive bids have been checked for arithmetic errors and corrected in accordance with the provisions given in the Instruction to Bidders Clause 27. The corrected bid prices are attached to this report as Annexure 5.

The detailed evaluation of responsive bids is placed hereunder and the resulting (corrected) prices of each bidder are as follows:

1. M/s Niaz M. Khan & Brothers

• Quoted Price (Read out)	Rs. 1,104,576,361
• Discount if any	Nil
• Corrected bid price	Rs. 1,104,576,361

2. M/s Umar Jan & Co.

• Quoted Price (Read out)	Rs. 1,136,065,446
• Discount if any	4.5% on Bill No 1 - 6
• Corrected bid price	Rs. 1,139,407,946

3. M/s MAJ - FE (JV)

• Quoted Price (Read out)	Rs. 1,153,725,109
• Discount if any	Nil
• Corrected bid price	Rs. 1,156,862,609

4.4 Comparison of Bids

4.4.1 General Price Comparison

A general price comparison was undertaken based on the corrected bid prices of the bidders exhibited in the comparative statement attached to this report as Annexure 5. Bidder's prices variations were calculated relative to the Engineer's Estimated prices.

4.4.2 Comparison of Bid Price with Engineer's Cost Estimate

The bid prices are higher than the Engineers' Cost Estimate with the percentage varying between 10.92 % and 16.17 %.

Following table shows the overall percentage of variation of the bids from the Engineers' Estimate:

S.No.	Bidder's Name	Engineer's Estimate (Rs.)	Corrected / Discounted Price (Rs.)	Variation from Engineer's Estimate (%)	Ranking
1.	M/s Niaz M. Khan & Brothers	995,868,314	1,104,576,361	10.92	1 st Lowest
2.	M/s Umar Jan & Co	995,868,314	1,139,407,946	14.41	2 nd Lowest
3.	M/s MAJ - FE (JV)	995,868,314	1,156,862,609	16.17	3 rd Lowest

4.5 Balance of the Bids

The bids have been scrutinized for balancing. None of the bids were found to be extremely unbalanced.

4.6 Qualification

The updated qualification documents of the lowest evaluated bidder were checked to see that it still meets the minimum criteria set out in the prequalification documents and found as qualified.

5. RECOMMENDATIONS BY THE CONSULTANTS

From comparison of the bidder's arithmetically corrected bid prices it is evident that the bid of M/s Niaz M. Khan & Brothers is the lowest evaluated bid. However the lowest evaluated bid is 10.92 % higher than Engineer's Cost Estimate, which is acceptable considering the non adjustable work inputs like fuel, labour and other hardships of construction in desert areas.

On the basis of examination of the terms and conditions of the bidding documents and the schematic evaluation of bids as presented in this report, we are confident that the lowest evaluated bidder would be able to complete the Works in accordance with the Specifications and the Schedule.

It is recommended that Works of Contract Package - I may be awarded to **M/s Niaz M. Khan & Brothers**, the lowest evaluated substantially responsive bidder, for the Contract Amount of **Rs. 1,104,576,361**.

The Bid Evaluation report is submitted to the Procurement Committee for review, consideration and approval.

Team Leader
A.A. Associates - ECIL

6. APPROVAL BY THE PROCUREMENT COMMITTEE

The Bid Evaluation Report submitted by the Consultants was reviewed by the Procurement Committee and found that the evaluation and preparation of Bid Evaluation Report is in the line with the Procurement Procedures laid down in SPPRA Rules and in Instructions to Bidders.

The Committee approves the recommendations of the Consultants.

BID EVALUATION

1. GENERAL

This report covers the evaluation of bids opened on 6 November, 2012 for the Project "Widening / Improvement of Road from Wango More to Thar Coal Field Area (Phase-II), Contract Package – III : Near Village Rohiro to Marvi Petroleum at Mithi (Km 41+900 to Km 63+000).

2. THE BIDDING PROCESS

2.1 Pre-qualification Notice

The Director General, Sindh Coal Authority invited, through publication in National Newspapers on 10 & 11 April, 2012, interested bidders to present and submit their request for pre-qualification for Phase – I & II of the Project. The pre-qualification notice is attached to this report as Annexure 1.

From the submitted documents a list of pre-qualified bidders was established. The list of pre-qualified bidders is as under.

- i. M/s Mumtaz & Company
- ii. M/s Niaz Muhammad Khan & Brothers
- iii. M/s Umer Jan & Co
- iv. M/s Muhammad Ramzan & Co
- v. M/s Maqbool Associates (Pvt) Ltd.
- vi. M/s Mian Abdul Jabbar – Friends Enterprise (JV)
- vii. M/s Haji Sirajuddin Soomro
- viii. M/s Fazal & Brothers

2.2 Invitation of Bids

The Director General, Sindh Coal Authority invited from all the pre-qualified bidders through letters dated 26 September, 2012, copies of invitation letters are enclosed for reference at Annexure 2 of this report.

In response to the above invitations four companies out of eight pre-qualified companies purchased the bidding documents on payment of prescribed fee.

2.3 Pre-bid Meeting

A pre-bid meeting was held in the office of Director General, Sindh Coal Authority, Karachi on 08 October, 2012, at 12:00 hours, where all pre-qualified bidders were invited and clarifications to all of their queries were provided.

2.4 Addenda

No modifications/ changes to the Bidding Documents were required and as such no addendum was issued.

2.5 Submission and Opening of Bids

The original closing date and time for submission of bids was 16 October, 2012 at 13:00 hours, which was extended to 6 November, 2012. The bids received were opened on the same day at 14:00 hours, in the presence of the bidder's representatives, by the Procurement Committee constituted by the Government of Sindh of the following personnel:

- i. Additional Secretary, Coal & Energy Development Department, Government of Sindh (Chairman)
- ii. Chief Engineer, Sindh Coal Authority (Member)
- iii. Superintending Engineer, Sindh Coal Authority (Member)
- iv. Nominee of the Director General (Design), W&S Deptt. Sindh (Member)
- v. Nominee of the Finance Department, Government of Sindh. (Member)
- vi. Executive Engineer, Sindh Coal Authority (Member)
- vii. Divisional Accounts Officer, Sindh Coal Authority (Member)

Co-opt Members for Packages of Scheme No.2 (Phase – II)

- viii. The Engineer (Team Leader), M/s AA Associates in Association with M/s ECIL.
- ix. Contract / Procurement Engineer, M/s AA Associates in Association with M/s ECIL.

Out of four (4) pre-qualified bidders, who purchased the bid documents, three (3) bidders participated in the bidding and submitted their bids.

In accordance with the bidding procedure, an attendance sheet was signed by all the bidders representatives attending the bid opening, and the above participants. Copy of the attendance sheet and bid opening record are attached as Annexure 3 to this report.

3. PRELIMINARY EVALUATION

3.1 Introduction

The preliminary evaluation of the bids was carried out to determine whether they were complete in order to assess their responsiveness.

3.2 Responsiveness Study

The responsiveness of the Bids is determined on the basis of the Instruction to Bidders Clause 26. Based on these standard procedures, a check list has been prepared for each of the bidders. All three bidders were found to have submitted substantially responsive bids. The record of checking for completeness/ responsiveness of bid documents showing the results of the preliminary examination of bids is attached as Annexure 4 to this report.

After Preliminary Evaluation, it was concluded that further detailed evaluation shall be carried out of all the three Bidders having submitted substantially responsive bids.

4. DETAILED EVALUATION

4.1 Introduction

This section of the evaluation report represents the detailed evaluation of the responsive bids to determine the corrected and discounted bid prices through arithmetic check.

4.2 Evaluation of Technical Requirements

a. Construction Schedule

The contract execution schedules and sequence of work activities were evaluated in detail and compared with the requirements of the bidding documents.

The construction schedules submitted by the bidders complied with the completion period specified in the bidding documents.

b. Construction Method

The construction methods proposed by the three bidders were reviewed and evaluated in detail. Overall, the bidders' proposed construction methods were acceptable in general.

c. Availability of Major Equipment

Mobilization of construction equipment is important for the successful completion of the project. The bidders have demonstrated that they possess the key equipment to mobilize for the project.

d. Construction Camp & Housing Facilities

The construction facilities proposed by the three bidders were evaluated. Proposal of M/s Ramzan and M/s Haji Sirajuddin were satisfactory in general. The proposals of M/s MAJ - FE (JV) were not in detail and presented in a short form.

e. Organizational Plan

Site organization proposed by the three bidders were evaluated in detail with respect to the construction execution and proposed positions in the site organization. The site organizations proposed by all three bidders were generally acceptable.

4.3 Arithmetical Check of Responsive Bids

The responsive bids have been checked for arithmetic errors and corrected in accordance with the provisions given in the Instruction to Bidders Clause 27. The corrected bid prices are attached to this report as Annexure 5.

The detailed evaluation of responsive bids is placed hereunder and the resulting (corrected) prices of each bidder are as follows:

1. M/s MAJ - FE (JV)

- Quoted Price (Read out) Rs. 1,139,000,544 ✓
- Discount if any 3% on Bill No 1 - 6
- Corrected bid price Rs. 1,139,000,514

2. M/s M. Ramzan & Co.

- Quoted Price (Read out) Rs. 1,281,177,566 ✓
- Discount if any Nil
- Corrected bid price Rs. 1,281,177,566

3. M/s Haji Sirajuddin Soomro

- Quoted Price (Read out) Rs. 1,257,225,110 ✓
- Discount if any Nil
- Corrected bid price Rs. 1,257,225,110

4.4 Comparison of Bids ✓

4.4.1 General Price Comparison ✓

A general price comparison was undertaken based on the corrected bid prices of the bidders exhibited in the comparative statement attached to this report as Annexure 5. Bidder's prices variations were calculated relative to the Engineers' Estimated prices.

4.4.2 Comparison of Bid Price with Engineer's Cost Estimate

The bid prices are higher than the Engineers' Cost Estimate with the percentage varying between 11.03 % and 22.55 %.

Following table shows the overall percentage of variation of the bids from the Engineers' Estimate:

S.No.	Bidder's Name	Engineer's Estimate (Rs.)	Corrected / Discounted Price (Rs.)	Variation from Engineer's Estimate (%)	Ranking
1	M/s MAJ – FE (JV)	1,025,854,696	1,139,000,514	11.03	1 st Lowest
2	M/s Haji Sirajuddin Soomro	1,025,854,696	1,257,225,110	22.55	2 nd Lowest
3	M/s M. Ramzan & Co	1,025,854,696	1,281,177,566	24.89	3 rd Lowest

4.5 Balance of the Bids

The bids have been scrutinized for balancing. None of the bids were found to be extremely unbalanced.

4.6 Qualification

The updated qualification documents of the lowest evaluated bidder were checked to see that it still meets the minimum criteria set out in the prequalification documents and found as qualified.

5. RECOMMENDATIONS BY THE CONSULTANTS

From comparison of the bidder's arithmetically corrected bid prices it is evident that the bid of M/s MAJ – FE (JV) is the lowest evaluated bid. However the lowest evaluated bid is 11.03 % higher than Engineer's Cost Estimate, which is acceptable considering the non adjustable work inputs like fuel, labour and other hardships of construction in desert areas.

On the basis of examination of the terms and conditions of the bidding documents and the schematic evaluation of bids as presented in this report, we are confident that the lowest evaluated bidder would be able to complete the Works in accordance with the Specifications and the Schedule.

It is recommended that Works of Contract Package – III may be awarded to **M/s MAJ – FE (JV)**, the lowest evaluated substantially responsive bidder, for the Contract Amount of **Rs. 1,139,000,514**.

The Bid Evaluation report is submitted to the Procurement Committee for review, consideration and approval.

Team Leader
A.A. Associates – ECIL

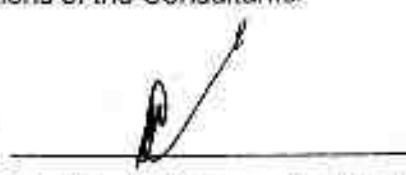

6. APPROVAL BY THE PROCUREMENT COMMITTEE

The Bid Evaluation Report submitted by the Consultants was reviewed by the Procurement Committee and found that the evaluation and preparation of Bid Evaluation Report is in the line with the Procurement Procedures laid down in SPPRA Rules and in Instructions to Bidders.

The Committee approves the recommendations of the Consultants.

BID EVALUATION

1. GENERAL

This report covers the evaluation of bids opened on 6 November, 2012 for the Project "Widening / Improvement of Road from Wango More to Thar Coal Field Area (Phase-II), Contract Package – IV : Mithi – Islamkot Road to Near Village Londhar (Km 63+000 to Km 84+200).

2. THE BIDDING PROCESS

2.1 Pre-qualification Notice

The Director General, Sindh Coal Authority invited, through publication in National Newspapers on 10 & 11 April, 2012, interested bidders to present and submit their request for pre-qualification for Phase – I & II of the Project. The pre-qualification notice is attached to this report as Annexure 1.

From the submitted documents a list of pre-qualified bidders was established. The list of pre-qualified bidders is as under:

- i. M/s Mumtaz & Company
- ii. M/s Niaz Muhammad Khan & Brothers
- iii. M/s Umer Jan & Co
- iv. M/s Muhammad Ramzan & Co
- v. M/s Maqbool Associates (Pvt) Ltd.
- vi. M/s Mian Abdul Jabbar – Friends Enterprise (JV)
- vii. M/s Haji Sirajuddin Soomro
- viii. M/s Fazal & Brothers

2.2 Invitation of Bids

Initially, on 3 July 2012, bids were invited by The Director General, Sindh Coal Authority from the pre-qualified bidders. However the lowest evaluated bid, out of three bids received and opened on 26 July, 2012, was 31.58% higher than the Engineer's Cost Estimate. Owing to substantially high bid price of the lowest evaluated bid, it was recommended by the Procurement Committee that the whole bidding process may be called off and a fresh exercise undertaken to have a realistic competitive prices to decide for award of the Works. The recommendations of the Procurement Committee were approved by the competent authority.

The Director General, Sindh Coal Authority invited fresh bids from all the already pre-qualified bidders through letters dated 26 September, 2012, copies of invitation letters are enclosed for reference at Annexure 2 of this report.

In response to the above fresh invitations four companies out of eight pre-qualified companies purchased the bidding documents on payment of prescribed fee

2.3 Pre-bid Meeting

A pre-bid meeting was held in the office of Director General, Sindh Coal Authority, Karachi on 08 October, 2012, at 12:00 hours, where all pre-qualified bidders were invited and clarifications to all of their queries were provided.

2.4 Addenda

No modifications/ changes to the Bidding Documents were required and as such no addendum was issued.

2.5 Submission and Opening of Bids

The original closing date and time for submission of bids was 16 October, 2012 at 13:00 hours, which was extended to 6 November, 2012. The bids received were opened on the same day at 14:00 hours, in the presence of the bidder's representatives, by the Procurement Committee constituted by the Government of Sindh of the following personnel:

- i. Additional Secretary, Coal & Energy Development Department, Government of Sindh (Chairman)
- ii. Chief Engineer, Sindh Coal Authority (Member)
- iii. Superintending Engineer, Sindh Coal Authority (Member)
- iv. Nominee of the Director General (Design), W&S Deptt. Sindh (Member)
- v. Nominee of the Finance Department, Government of Sindh. (Member)
- vi. Executive Engineer, Sindh Coal Authority (Member)
- vii. Divisional Accounts Officer, Sindh Coal Authority (Member)

Co-opt Members for Packages of Scheme No.2 (Phase - II)

- viii. The Engineer (Team Leader), M/s AA Associates in Association with M/s ECIL.
- ix. Contract / Procurement Engineer, M/s AA Associates in Association with M/s ECIL.

Out of four (4) pre-qualified bidders, who purchased the bid documents, three (3) bidders participated in the bidding and submitted their bids.

In accordance with the bidding procedure, an attendance sheet was signed by all the bidders representatives attending the bid opening, and the above participants. Copy of the attendance sheet and bid opening record are attached as Annexure 3 to this report.

3. PRELIMINARY EVALUATION

3.1 Introduction

The preliminary evaluation of the bids was carried out to determine whether they were complete in order to assess their responsiveness.

3.2 Responsiveness Study

The responsiveness of the Bids is determined on the basis of the instruction to Bidders Clause 26. Based on these standard procedures, a check list has been prepared for each of the bidders. All three bidders were found to have submitted substantially responsive bids. The record of checking for completeness/ responsiveness of bid documents showing the results of the preliminary examination of bids is attached as Annexure 4 to this report.

After Preliminary Evaluation, it was concluded that further detailed evaluation shall be carried out of all the three Bidders having submitted substantially responsive bids.

4. DETAILED EVALUATION

4.1 Introduction

This section of the evaluation report represents the detailed evaluation of the responsive bids to determine the corrected and discounted bid prices through arithmetic check.

4.2 Evaluation of Technical Requirements

a. Construction Schedule

The contract execution schedules and sequence of work activities were evaluated in detail and compared with the requirements of the bidding documents.

The construction schedules submitted by the bidders complied with the completion period specified in the bidding documents. The work schedules of M/s MAJ - FE & M/s Haji Sirajuddin do not provide all activities in detail and based on summaries of the Bills.

b. Construction Method

The construction methods proposed by the three bidders were reviewed and evaluated in detail. Overall, the bidders' proposed construction methods were acceptable in general.

c. Availability of Major Equipment

Mobilization of construction equipment is important for the successful completion of the project. The bidders have demonstrated that they possess the key equipment to mobilize for the project.

d. Construction Camp & Housing Facilities

The construction facilities proposed by the three bidders were evaluated. Proposal of M/s NKB was satisfactory in general. The proposal of M/s MAJ - FE (JV) and M/s Haji Sirajuddin were not in detail and presented in a short form.

e. Organizational Plan

Site organization proposed by the three bidders were evaluated in detail with respect to the construction execution and proposed positions in the site organization. The site organizations proposed by all three bidders were generally acceptable.

4.3 Arithmetical Check of Responsive Bids

The responsive bids have been checked for arithmetic errors and corrected in accordance with the provisions given in the Instruction to Bidders Clause 27. The corrected bid prices are attached to this report as Annexure 5.

The detailed evaluation of responsive bids is placed hereunder and the resulting (corrected) prices of each bidder are as follows:

1. M/s Haji Sirajuddin Soomro

• Quoted Price (Read out)	Rs. 1,243,689,779 ✓
• Discount if any	Nil
• Corrected bid price	Rs. 1,243,689,785

2. M/s MAJ - FE (JV)

• Quoted Price (Read out)	Rs. 1,269,140,672 ✓
• Discount if any	Nil
• Corrected bid price	Rs. 1,269,140,678

3. M/s NKB

• Quoted Price (Read out)	Rs. 1,277,037,809 ✓
• Discount if any	7.5% on Bill No 1 - 6.
• Corrected bid price	Rs. 1,277,037,809

4.4 Comparison of Bids

4.4.1 General Price Comparison

A general price comparison was undertaken based on the corrected bid prices of the bidders exhibited in the comparative statement attached to this report as Annexure 5. Bidder's prices variations were calculated relative to the Engineer's Estimated prices.

4.4.2 Comparison of Bid Price with Engineer's Cost Estimate

The bid prices are higher than the Engineers' Cost Estimate with the percentage varying between 11.40 % and 14.38 %.

Following table shows the overall percentage of variation of the bids from the Engineers' Estimate:

S.No.	Bidder's Name	Engineer's Estimate (Rs.)	Corrected / Discounted Price (Rs.)	Variation from Engineer's Estimate (%)	Ranking
1.	M/s Haji Sirajuddin Soomro	1,116,448,048	1,243,689,785	11.40	1 st Lowest
2.	M/s MAJ - FE (JV)	1,116,448,048	1,269,140,678	13.68	2 nd Lowest
3.	M/s NKB	1,116,448,048	1,277,037,809	14.38	3 rd Lowest

4.5 Balance of the Bids

The bids have been scrutinized for balancing. None of the bids were found to be extremely unbalanced.

4.6 Qualification

The updated qualification documents of the lowest evaluated bidder were checked to see that it still meets the minimum criteria set out in the prequalification documents and found as qualified.

5. RECOMMENDATIONS BY THE CONSULTANTS

From comparison of the bidder's arithmetically corrected bid prices it is evident that the bid of M/s Haji Sirajuddin Soomro is the lowest evaluated bid. However the lowest evaluated bid is 11.40 % higher than Engineer's Cost Estimate, which is acceptable considering the non adjustable work inputs like fuel and labour and construction hardships in desert area.

On the basis of examination of the terms and conditions of the bidding documents and the schematic evaluation of bids as presented in this report, we are confident that the lowest evaluated bidder would be able to complete the Works in accordance with the Specifications and the Schedule.

It is recommended that Works of Contract Package - IV may be awarded to **M/s Haji Sirajuddin Soomro**, the lowest evaluated substantially responsive bidder, for the Contract Amount of **Rs. 1,243,689,785**.

The Bid Evaluation report is submitted to the Procurement Committee for review, consideration and approval.

A.A. Associates - ECIL

6. APPROVAL BY THE PROCUREMENT COMMITTEE

The Bid Evaluation Report submitted by the Consultants was reviewed by the Procurement Committee and found that the evaluation and preparation of Bid Evaluation Report is in the line with the Procurement Procedures laid down in SPPRA Rules and in Instructions to Bidders.

The Committee approves the recommendations of the Consultants.

WIDENING / IMPROVEMENT OF ROAD FROM WANGO MOR TO THAR COAL FIELD AREA VIA
MITHI, ISLAMKOT (PHASE - II) 134 KM

PRE-QUALIFICATION EVALUATION OF CONSTRUCTORS

1.0 Preamble

The Government of Sindh, Coal & Energy Development Department is taking steps to provide infrastructure to generate power / energy from Coal, which is a natural gift available in mass quantity in the desert area of Tharparkar District in the Province of Sindh. For exploring the coal by open cast mining and power generation, heavy machinery and equipment is to be transported from Sea port Karachi to Thar Coal Field Area. As per requirement of the potential investors for providing save access to transport their heavy equipment and machinery to the Coal Field Area, the existing road network needs to be improved to cater for heavy loading requirements. The Government of Sindh, Coal Energy Development Department / Sindh Coal Authority has therefore decided to rehabilitate, Reconstruct, Widen and Improve / strengthen the existing road from Karachi (Ghagar railway Crossing) to Thar Coal Field Area via Thatta, Sujawal, Badin, Wango Mor, Mithi and Islam Kot.

To design and Construct the project road on fast track, the project road is divided into two (2) phases, Phase I and Phase II. Each phase will further be divided into 4 to 5 contract packages for construction.

Pre-qualification is a process to select firms or combination of firms that are suitably experienced in the type of proposed works and construction technology involved, that are financially and managerially sound, and that can mobilize resources in a timely manner to ensure successful execution of the contract. Pre-qualification is then followed by the closed competitive bidding in which only those Applicants meeting the specified criteria are invited to bid.

Pre-qualification Notice for both the Phases was published in the national newspapers on 10th & 11th April, 2012. Pre-qualification Documents were issued as per notified schedule.

This Prequalification Evaluation Report pertains to only Phase - II : Widening / Improvement Of Road From Wango Mor To Thar Coal Field Area Via Mithi, Islamkot (Phase - II) 134 Km.

A total of 30 firms purchased the pre-qualification Documents for Phase II, whereas 25 firms submitted pre-qualification applications to the Procuring Agency, Sindh Coal Authority (SCA) by the latest submission date of 27 April, 2012.

The following 25 firms submitted the applications along with their qualification documents:

S.NO	NAME OF COMPANIES
1	M/s Sultan Mahmood & Company
2	M/s Shaheen Construction Company + K.A Brothers (JV)
3	M/s Electric Services
4	M/s Friends Construction Syndicate
5	M/s Ramzan & Sons - China Guangxi Corporation (JV)
6	M/s Indusmens Corporation
7	M/s Mumtaz & Company
8	M/s Reliance Consultancy & Engineering Works (Pvt) Ltd.
9	M/s Frontier Works Organization
10	M/s Muhammad Ayub & Brothers
11	M/s Niaz Muhammad Khan & Brothers
12	M/s K.M. Sharif & Company
13	M/s Baluchistan Construction Company
14	M/s Umar Jan & Co
15	M/s Muhammad Ramzan & Co
16	M/s Evershine Constructors
17	M/s Iftikhar & taha
18	M/s Exceed Pvt Ltd.
19	M/s Maqbool Associates (Pvt) Limited
20	M/s Haji Sirajuddin Soomro
21	M/s Fazal & Brothers
22	M/s Mian Abdul Jabbar - Friends Enterprise MAJ - FE (JV)
23	M/s HRL - Sinohydro Joint Venture
24	M/s Echo West International (Pvt) Ltd.
25	M/s Naseeb Khan & Kainatt Enterprises (JV)

The received applications were opened by the Procurement Committee on 28 April, 2012 and then forwarded by SCA, vide Letter No. SCA-23(1)2012, dated 30 April, 2012 to the Project Consultant (Phase –II), M/s A.A. Associates in association with Engineering Consultants International (Pvt.) Ltd, for assessment of qualifications of firms and submission of evaluation report.

2.0 Pre-qualification Evaluation Criteria

Pre-qualification evaluation was carried out in accordance with Pass-Fail criteria provided in the Pre-qualification Documents.

2.1 Preliminary Examination

Prior to detailed evaluation, following points were observed to determine the responsiveness of applications and the result are presented in Table-1;

- a. Completeness and verification of Documents.
- b. Eligibility as defined in Documents.
- c. Joint Venture (if applicable) requirements.

In Preliminary Examination, nationality of the applicants was checked in accordance with SPPRA Rule 2 (1) (y) and 15 (2) (b) (i).

SPPRA Rule 15 (2) (b) (i) states "National Competitive Bidding shall be the procedure wherein bidding is open only to interesting national firms, companies or parties and international firms, companies or parties are not invited for the bidding."

2.2 Detailed Evaluation

The detailed evaluation was based primarily on following parameters, which were provided in the Prequalification Documents, Section II, Evaluation / Qualification Criteria. Following relevant important parameters, which are provided in the SPPRA Rules, were also made part of the detailed evaluation.

- a. Mandatory Provisions / Eligibility
- b. Financial Situation
- c. Experience.

2.2.1 Mandatory Provisions / Eligibility

In this section following sub sections was checked and evaluation, as established / documented in PQ document.

- (i) Registration with PEC:
Firms / Contractors must possess valid registration certificate of PEC in the category C1 (Financial limit of PKR 1,000 million) or above and in discipline (CE01, & CE02) for at least 05 years pursuant to Evaluation / Qualification Criteria 1.
- (ii) Registration with Income Tax Department:
Firms / Contractors must possess valid registration certificate from income tax authority (NTN) pursuant to Evaluation / Qualification Criteria 1
- (iii) Conflict of Interest:
As per SPPRA Rule 32 (1) (1), Applicants shall not have the Conflict of Interest. The "Conflict of Interest means:

- (a) Where a contractor, supplier or consultant provides, or could provide, or could be perceived as providing biased professional advice to a procuring agency to obtain an undue benefit for himself or those affiliated with him;
- (b) Receiving or giving any remuneration directly or indirectly in connection with the assignment except as provided in the contract;
- (c) Any engagement in consulting or other procurement activities of a contractor, consultant or services provider that conflict with his role or relationship with the procuring agency under the contract;
- (d) Where an official of the procuring agency engaged in the procurement process has a financial or economic interest in the outcome of the process of procurement, in a direct or an indirect manner;"

(iv) Government Owned Enterprises:

In accordance with SPPRA Rule 29(2) "Government owned enterprises or institutions may participate only if they can establish that they are:

- (a) legally and financially autonomous; and
- (b) operate under commercial law;

provided that where government owned universities or research centers in the country are of a unique and exceptional nature, and their participation is critical to project implementation, they may be allowed to participate."

(v) Blacklisting:

Applicant is not black listed pursuant to Evaluation / Qualification criteria 1 and SPPRA Rule 2 (1) (i). In accordance with SPPRA Rule 2 (1) (i), Blacklisting means:

"Barring a bidder, contractor, consultant or supplier from participating in any future procurement proceedings by the procuring agency"

2.2.2 Financial Situation

Under this section following sub sections were checked and evaluated

(i) Financial Performance:

The Applicants shall submit audited balance sheets for the last three (3) years to demonstrate the current soundness of the applicant's financial position and its prospective long term profitability. The criteria for financial soundness provided in the Evaluation / Qualification Criteria 1 (F) is:

- Average Net Working Capital for last 3 years = PKR 70 million
- Average Net Worth for last 3 years = PKR 140 million
- Cash Flow requirements = PKR 200 million

(ii) Average Annual Construction Turnover:

The average annual turnover of the applicant should be equal to or greater than that specified in Evaluation / Qualification Criteria 1 (E) for the last three (3) years as stated herein below as well;

Average Annual Construction Turnover for last 3 years = PKR 800 million

2.2.3 Experience

Under this section following sub sections were checked and evaluated

(i) General Construction Experience:
The Applicant shall submit that they have the experience under construction contracts in the role of contractor, subcontractor, or management contractor for at least the last ten (10) years prior to the applications submission deadline in accordance with Evaluation / Qualification Criteria 1 (A).

(ii) Experience and past Performance :
The Applicants have to establish that they have successfully / substantially complete 2 similar assignments having cost of each at least 50% of the project in the last 5 years in accordance with Evaluation / Qualification Criteria 1 (B) (i).
Similar Assignments = PKR 350 million each

Furthermore, in accordance with the Evaluation / Qualification Criteria 1 (B) (ii), the applicant have to establish that they have executed at least 1 project (out of two contracts mentioned above) in similar geographical condition in last 5 years.

(iii) Current Commitments:
The Applicant have to submit details of project in hand / progress along with (i) name of Contractor (ii) value of Contract (iii) Name of employer (iv) Value of outstanding work in PKR (v) Estimated completion date, to substantiate the adequacy of the financial resources to meet the cash flow requirements.

2.2.4 Key Personnel Qualification & Experience

The Applicant have to establish that they Key personnel of required qualification and experience are on their payroll in accordance with Evaluation / Qualification Criteria 1 (C).

- | | | |
|--------|----------------------|---|
| (i) | Project manger: | Qualification Msc (Civil) with 7 years experience (3 years relevant experience) or BE (Civil) with 15 years experience (8 years relevant experience). |
| (ii) | Planning Engineer: | BE (Civil) with 10 years experience. |
| (iii) | Contracts Engineer: | BE (Civil) with 15 years experience. |
| (iv) | Structures Engineer: | BE (Civil) with 15 years experience with 10 years relevant experience of bridges. |
| (v) | Highway Engineer; | BE (Civil) with 15 years experience with 10 years relevant experience of road. |
| (vi) | Material Engineer: | MSc (Geology) with 15 years experience |
| (vii) | Site Engineer: | Qualification: BE (Civil), Number, (2).
Experience: 3 similar assignments, 8 years experience. |
| (viii) | Sr. Surveyors: | Qualification: Diploma in Civil, Number: 01.
Experience: 3 similar assignment, 5 years experience. |
| (ix) | Surveyors: | Qualification: Diploma in Civil, Number: (4).
Experience: Dne (1) similar assignment, 5 years experience. |
| (x) | Quantity Surveyor: | Qualification: Diploma in Civil, Number: 01. |

Experience: 3 similar assignment, 10 years experience.

2.2.5 Equipment

The Applicants have to establish following requirement of plant & equipment pursuant to Evaluation / Qualification Criteria 1 (D).

Sr. No.	Description of Equipment	Capacity & Horse Power	Minimum Requirement for C1 Category Firms (Qty. in No.)
1	Bulldozer	200HP	3
2	Motor Grader	140HP	4
3	Vibratory Roller	10-12 Ton	4
4	Pneumatic Roller	18-21 Ton	3
5	Tandem Roller	8-12 Ton	2
6	Wheel Loader	2.5 Cum	4
7	Plate Compactor	11 HP (230 KG)	2
8	Dump Truck	18 Ton	10
9	Dump Truck	10 Ton	8
10	Excavator	105 HP	4
11	Water Tanker	10,000 Ltr	4
12	Aggregate Crushing & Screening Plant	45 Ton / hr	1
13	Asphalt Plant	120 Ton / Hr	1
14	Asphalt Distributor	3,000 Ltr	1
15	Asphalt Paver	145 HP (3-6m wide)	2
16	Concrete batching Plant	30 Cum	1
17	Wheel Tractor	80 Hp	4
18	Concrete transit Mixer	6 Cum	2
19	Concrete Vibrator	5 Hp	2
20	Road Marking Machine	Heavy Duty	1
21	Concrete Mixer	1 Cum	3
22	Air Compressor	300 CFM	2
23	Pneumatic Jack Hammer	-	2
24	Crane	25 Ton	2
25	Water Pump	4' Delivery	3
26	Concrete Pump		2

2.2.6 Misleading / false Representation / Poor Performance

Besides above, the applications were also checked to the extent possible within the available time and resources as to any misleading / false representation provided by the applicant beside performance exhibited on previous Works.

2.2.7 Conditional Pre-qualification

As provided in Evaluation / Qualification Criteria (C) "Failure to meet experience standards for candidates offered may not result in rejection at this pre-qualification stage. It could result in a Conditional Pre-qualification subject to corrections being made to the satisfaction of the Employer's requirements before bid submission".

Similarly, pursuant to Evaluation / Qualification Criteria (D) "Minor deviation in equipment requirement may not result in rejection at this pre-qualification stage, it could result in a Conditional Pre-qualification subject to corrections being made to the satisfaction of the Employer's requirements before bid submission."

However, no relaxation is considered in experience, financial soundness and other provisions provided in Pre-qualification Document and / or SPPRA Rules.

3.0 Qualification Evaluation

Prior to qualification evaluation, some of the general observations on applications are discussed below:

3.1 Observation on Applications

On the basis Pre-qualification criteria specified herein above, detailed evaluation was carried out. It was generally observed during the process of evaluation that the applicants general, except few, failed to understand the requirements as laid down in the Pre-qualification Documents. They had not provided PEC registration certificates for 5 years, they had not filled in the forms as required and many deficiencies were observed. For recording specific construction Experience, information provided was again deficient. Most of the Applicants did not fill the forms as desired. In case of financial information, the omissions and mistakes were manifold. The data about blacklisting was also not provided as requirement and the applicants tend to avoid the same.

3.2 Detailed Evaluation

The factors stated hereinabove led to affect detailed evaluation of applicants with some flexibility.

Any Applicant failing in meeting specified criteria for eligibility, minimum length of period in construction business, average annual turnover, financial soundness, and number and size of similar works executed has been rejected for pre-qualification.

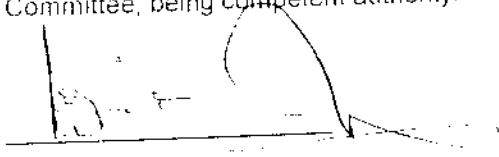

3.3 Pre-qualification Evaluation Decision

On above lines, Pre-qualification evaluation was carried out. The Pre-qualification Evaluation Summaries and details of evaluation are placed as Annexure- A to this report.
The final outcome of the evaluation of 25 submitted pre-qualification applications is as under:

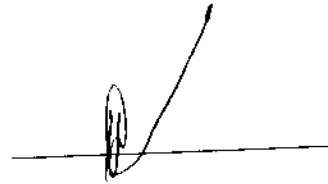

S.NO	NAME OF COMPANIES	RESULT	REMARKS
1	M/s Muntaz & Company	Qualified	
2	M/s Niaz Muhammad Khan & Brothers	Qualified	
3	M/s Umar Jan & Co	Qualified	
4	M/s Muhammad Ramzan & Co	Qualified	
5	M/s Maqbool Associates (Pvt) Limited	Qualified	
6	M/s Mian Abdul Jabbar - Friends Enterprise MAJ - FE (JV)	Qualified	
7	M/s Frontier Works Organization	Conditionally Qualified	Need to fulfill short comings in eligibility & Personnel Categories before inviting for bid
8	M/s Haji Sirajuddin Soomro	Conditionally Qualified	Need to fulfill short comings in eligibility, personnel & equipment Categories before inviting for bid
9	M/s Fazal & Brothers	Conditionally Qualified	Need to fulfill short comings in experience, personnel & equipment Categories before inviting for bid

4.0 Recommendations and Approval

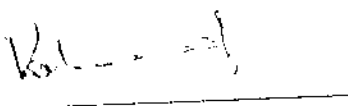

Pre-qualification Evaluation Committee unanimously recommends approval of Proposed Pre-qualification Decision placed under previous section 3.3 by Chairman Procurement Committee, being competent authority.
