**SUBJECT: REPORT ON COMPLAINT OF M/s. SCIENCE & COMPUTER LINK, KARACHI  
DATED 25.11.2013 ON BID EVALUATION REPORT OF TENDER  
REFERENCE STEVTA/SSDP-01/2012-13**

Meeting of the redressal committee constituted vide STEVTA order No. STEVTA/SSDP/10(446)/2013/ dated 02.12.2013 was held in the convener ship of Director (Works & Services) was held on 04.12.2013.

The Committee considered the complain of M/s. Science & Computer Link, Karachi in detail and examined/investigated allegations leveled by the complainant with relevant record in detail found as under:-

- The tender in question was earlier invited in the June, 2013 but same was not materialized and re-advertised due to some technical reasons as pointed out vide SPPRA letter No. DIR/CBS/SPPRA/PD-STEVTA/20(3)/5890 dated 10.06.2013.

- The advertisement for re-inviting the bids in question was published in daily "Jang" Urdu Karachi and Daily "Dawn" English Karachi and put on the Website of SPPRA WITH Sr. No. 17180 dated 28.08.2013.

- As regards violation of the SPPRA Rules as pointed out in the complaint it was revealed from the tender document that the specification of all the items as mentioned in the tender were generic and no brand name was mentioned against any item in conformity with Rules-13-I SPPRA Rules, 2010.

- As such the bids were required to be evaluated package wise. The bids of the firm who have not technically qualified for all the items of the Package have been rejected, and the firm who technically qualified for all items have been approved, by the committee for that package.

- In the tender document Branded Computer were required and M/s. Science & Computer Link, Karachi has not submitted any documentary proof reorganization of One Apple computer as a Branded computer. As such the bid of M/s. Science & Computer Link, Karachi was rejected.

M/s. A.J. Enterprises, Karachi whose bid for Package-I were accepted has offered 1 + 2 year warranty for item No. 2 Laptop i.e. one year warranty and two year service warranty. (28)

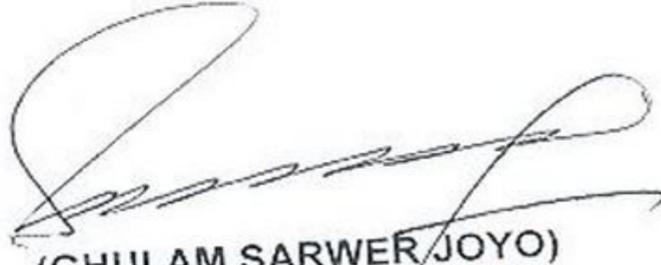

The Package-2 consist of 2 items i.e. Photocopier, and Fax Machine, no bidder was technically qualified for both the items. As such the committee has decided to place the order on item wise hence the comparative statement was placed on Website under which the Photocopier goes to A.J. Enterprises, Karachi and the Fax Machine goes to M/s. Science & Computer Link, Karachi

In light of above the Committee is of the opinion that whole process of the tender has been conducted transparent manner observing the relevant rules of SPPRA Rules, 2010.

The complainant has made irrelevant personal remarks again the Sindh Technical Education & Vocational Training Authority (STEVTA) and its officers which is tact to pressurized the concerned officers for obtaining business for unfamiliar brand of computer.
