The contractors having registered with Pakistan Engineering Council were eligible to apply and purchased documents for pre-qualification from this office suited at E-Block, Shahbaz Building, Hyderabad, on the payment of non-refundable fee of Rs.5000/- in response 20 Nos. firms/contractors applied and purchased pre-qualification documents after depositing cash amount of Rs.5000/- through DR.

At the time of opening, out of 20 Nos. applied agencies, the pre-qualification documents of following 17 only were found available duly sealed envelopes, which were opened in presence of all the authorized participating representatives. The advertised required mandatory documents attached with pre-qualification documents were announced loudly one by one of each and every firm.

#### Evaluation for Pre-Qualification

The Procurement committee evaluated the prequalification documents based on the Evaluation Criteria given in such documents, which were issued and received back. The total marks are 100, which comprises of five section with distribution as given below:-

1. Company Profile	15 Marks
2. General Experience	35 Marks
3. Personal Capability Record	20 Marks
4. Equipment Capability	20 Marks
5. Financial Sound	10 Marks

Note: The aggregate qualifying score is 60%, but it is mandatory that the contractor obtain at least 30% in each section.

The information and documents produced by the contractors / firms attached with prequalification documents were scrutinized one by one and processed to award points to each firm in accordance with the Evaluation Criteria.

The Summary of comparative score is shown as Annexure-I enclosed by detailed sheet.

The mandatory requirement for PEC registration was on line verified in the PEC website and found confirmed with the submitted PEC certificate attached with prequalification documents.

Where as the following 11 Nos. contractors are disqualified due to not securing minimum 30% marks any one of five sections or not securing aggregate qualification score i.e. 60%.
