# Shaviq Communications and Niche Consultant and Transformation Services' (NCTSx)

## Area of expertise:

Technology Infrastructure Solutions and Services

## Our Mission

Customer satisfaction by delivering the most cost effective Technology Infrastructure Solutions and services.

We strive hard to be the first choice solutions provider by delivering highest value to our customers, suppliers, employees and stakeholders.

Our team and professional values are our greatest strengths. Unique combination of talents, experiences, and perspectives of each team member makes our business success possible.

## Quality Policy

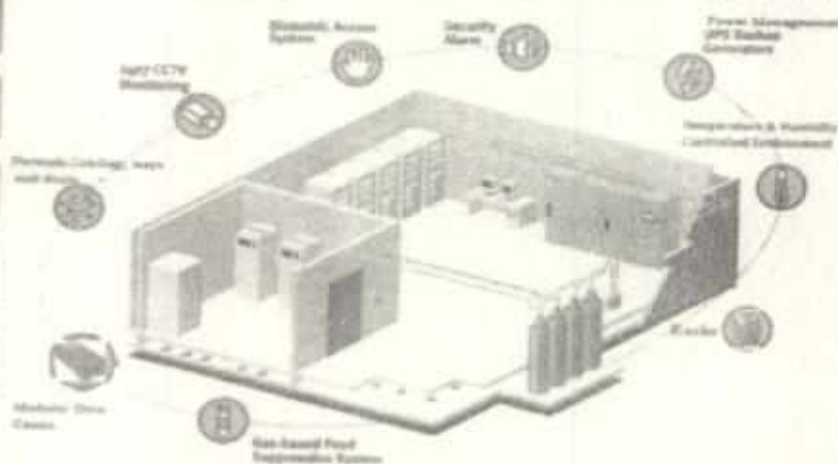

We strive to do it right the first time. Our commitment is to provide excellent quality solutions, professional services, effective project management and outstanding customer services.

Shaviq Communications was founded in the year 2004 and has been continuously growing. With maturity and expansion the focus was also enhanced to the current spectrum of entire IT Infrastructure and consultancy.

Accordingly the management decided on a more relevant name as 'Niche Consultant and Transformation Services' (NCTSx) which was also registered in year 2008.

We strive to provide customer centric cost effective best-fit solutions. The 'x' of our abbreviated name, NCTSx, demonstrates our commitment to 'go the extra mile' for complete customer satisfaction.

Our experienced and technically oriented team of professionals is well versed to handle challenges. We have success track record with projects across Pakistan that include active equipment as well as passive infrastructure.
