

TECHNICAL EVALUATION REPORT
UCG TENDER # 69-09-2012

Opened on October 18, 2012 at Karachi at 1100 hours

A) Specification of Water Well Drilling Rig

Two number truck mounted 6x4, rotary water well drilling rig to be meter deep 500 mm dia. and to install 300 mm diameter steel casing of schedule 40. To supply mud pump and hoist with recommended drill string including drill string accessories. To be the truck engine.

Compressor and DTH along with necessary parts may also be quoted separately.

The supply should include 200 numbers drill pipe of 6 meter length, set of recommended drill bits upto 500 mm size including set of tricone and blade bits and other necessary drilling tools. The shipping list should include tool box, pipe wrenches etc. and full set of wear wearing parts.

Drilling tools like Retreat-style Shovelwing Spear Drilling Bits, Retract-style Slip Overshot, ZDM Series Reversing Spear Mill Shoes, Jar Bumper, Vibro-screw Taps, Safety Joints etc. may also be quoted.

Quotation must have item wise details with unit prices of all parts, accessories and spare parts.

The price should include the commissioning at site and training of project staff.

M/s Jaffar Brothers (Private) Limited

The Quoted model is KR350 rotary water drilling rig. It does not meet our specifications. The origin of rig is China. Therefore, recommended for opening of Financial Bid.

M/s Better Engineering Solutions (Pvt) Ltd

The quoted model is Bourne Drill Model 111D35 (Australian) assembled in Pakistan (Pak). This Rig is assembled locally. Recommended for opening of Financial Bid.

M/s YY Corporation

Quoted Rig model VZC350ZY-2 Shanong KLRI Y Petroleum and Engineering Limited China. Therefore, recommended for Opening of Financial Bid.

M/s Akbar Ali & Sons

Quoted Model URB3A3.13 Russian Origin. Not according to Specification. The main parameter of the depth and dia meter of the drilling rig is not according to our requirement. The quoted model is not supported by brochure. The technical bid is rejected so not recommended for opening of Financial Bid.

Handwritten signatures and dates at the bottom of the page, including "27/10/12" and "22/10/12".

M/s Iqbal Enterprises

Quoted Model is MC-13500. The certificate issued by M/s. ... International Italy does not show M/s Iqbal Enterprises as his authorized dealer in Pakistan. There is no previous history for supplying such equipment's in Pakistan. (Drilling depth & dia meter) are not mentioned in the technical quotation therefore not recommended for opening of Financial Bid.

M/s Paradigm Technologies

Quoted Model is BZC-350V, Origin China. Specification are ok. Therefore recommended for opening of Financial Bid.

M/s Oriental Enterprises

The quoted model para finds its counterpart drill bit (1300) in ... ERKSOYAK Turkey. The specifications are not in full compliance, particularly the both parameter i.e. drilling depth & drill pipe dia meter are not in compliance with quotation. The technical bid is rejected, therefore not recommended for opening of Financial Bid.

M/s Atlas Copco Pakistan

Not Quoted

M/s ICC (Private) Limited

Quoted Model is BZC350ZYH, make SHANGHAI ... METAFORMING MACHINERY FACTORY China. The specs are OK. Recommended for opening of Financial Bid.

B) Specification of Drilling Rig for Core Sample

Need a wire line diamond Core Drilling Rig, skid mounted, spooler, automatic clutch for getting core sample to a depth 300 meter of core size NQ1P2. Price should include cost of Drilling Rig with drill mast, 300m dia pipe of 200m length, drill tools with bits, mud pump, diesel engine, appropriate hoisting gear, mud pump shells, core lifter, case, core springs, casing & casing shoes, tool box, pipe etc. for two years wearing parts.

Quotation must have item wise details with unit prices of all parts, accessories & spare parts.

M/s Jaffar Brothers (Private) Limited

Model quoted for core drilling is a NY 1 Model of 2000. ... recommended for opening of Financial Bid.

M/s Better Engineering Solutions (Pvt) Ltd

M/s YY Corporation

Quoted Model is XY-3 (Large size) SHANDONG XINJIANG MACHINERY FACTORY Company Limited China. Therefore, recommended for Opening of Financial Bid.

M/s Akber Ali & Sons

Quoted Model URB3A3.13 Russian Origin. The main parameter i.e. depth of rig is not provided in the given offer. Therefore, the technical offer is rejected and not recommended for opening of Financial Bid.

M/s Iqbal Enterprises

Quoted Model is MC450P1. The certificate issued by M/s International Italy does not show M/s Iqbal Enterprises as its authorized agent. On this ground the technical offer is rejected and financial bid may not be opened.

M/s Paradigm Technologies

Quoted Model is GXY-2, Origin China. Specifications are OK. Therefore recommended for opening of Financial Bid.

M/s Oriental Enterprises

The quoted model EXPLORER 50 FULLY HYDRAULIC drill rig (Sight only mounted). The main specifications are not in fully conformity with our tender. Authority letter is only for limited time and there is no previous dealership experience in this regard, therefore the technical offer is rejected and the financial bid may not be opened.

M/s Atlas Copeo Pakistan

Model # CS1000 P4. The specs are OK. Therefore, recommended for opening of Financial Bid.

M/s ICC (Private) Limited

Quoted Model is XY-3, SHANDONG BENBIZHOU MACHINERY FACTORY China. The specs are OK. Therefore, recommended for opening of Financial Bid.
