**EVALUATION REPORT OF BROCHURES RECEIVED FROM FIRMS / CONTRACTORS
FOR PRE-QUALIFICATION FOR EXECUTION OF FLOOD PROTECTION SCHEME
"REHABILITATION OF SHORT SPUR / STUDS ALONG SUKKUR BEGARI BUND MILE 0/0 TO
0/3 VULNERABLE POINT SUKKUR".**

S. NO.	Name of Firm / Contractor	Evaluation Report
1.	M/S Zawal A.S Costr: Engg: Co:	The firm was established in 2002. They have produced sufficient document evidence in support of their financial soundness. The firm has executed many major works over all Sindh Province in different Departments specially Bund works in Irrigation Department. The firm has produced list of machinery as well as technical staff which shows that the firm is capable for execution of Bund works. Hence recommended for pre-qualification.
2.	M/S Sher Muhammad Mugheri & Co:	The firm was established in 1979. The firm is financially sound, they have executed many major works in Irrigation Department and have sufficient experience. The firm has produced list of technical staff as well as machinery which shows that the firm is capable to execute the major Bund works in Irrigation Department. Hence recommended for pre-qualification.
3.	Mr. Nazimuddin Dahar	The firm has carried out the works since last 15 years. The firm has produced Bank statements issued by various reputed Banks along with annual turnover duly checked by the Charter Accountant. From the Bank statement as well as annual turnover for last three years it reveals that the firm is financially sound. The firm has executed many major works including Bund works in Irrigation Department with entire satisfaction of the concerned procuring agencies. Hence recommended for pre-qualification.
4.	M/S Khalid Masood Channa	The firm was established in 2000. The firm have been registered from Pakistan Engineering Council since last 12 years. They have executed many small and major works in Sindh Irrigation Department and completed the projects with satisfaction of the concerned procuring agencies. The firm is financially sound having sufficient machinery as well as main power / technical staff and capable to execute the Bund works. Hence recommended for pre-qualification.
5.	M/S Tariq Hussain Abbasi & Co:	The firm has not produced valid license of Pakistan Engineering Council which is the main requirement for award of the work. In spite of personal contact with the representative of the firm by the committee during meeting, but he has failed to produce the required valid license of Pakistan Engineering Council. Hence his request for pre-qualification can not be considered.
6.	Haji Abdul Hakeem Chachar & Sons	The firm was established in 1984 and since that the firm has executed many major projects in Sindh Irrigation

		the firm appears financially sound. The firm has sufficient experience in Bund works. According to list of technical staff / machinery produced by the firm, they have a capable to execute the Bund works. Hence recommended for pre-qualification.
7.	M/S Mir Muhammad Sario & Co:	The firm was established in 1989 and executed many works in Sindh Irrigation Department but the firm has carried out all the works prior to 2000. The firm has produced Bank statements of past years. They have neither produced fresh Bank statements for last 3 to 5 years nor any work order as well as completion certificate for the works executed duly last 3 years. This clearly shows their financial soundness as well as capability to award any important Bund work. Hence the firm can not be qualified.
