Subject: **NIT NO:EE/HPCD-II/H.D.A/344/2014 DATED:9.06.2014**

REFERENCE Letter No.Dir(CB) SPPRA/3.2.(HPCD-II)/13-14/72, dated: 04.07.2014, received on 07.07.2014.

The complainant has leveled allegation that after issuance of blank SBD, he reached in relevant office to deposit the tender documents but there was no drop box and no person was present to receive back the tenders he has further stated that as per terms and condition of NIT the bidding documents were to be deposited back up till 12.30 P.M on 30.06.2014, and same were to be opened at 1.00 P.M on same day and the Executive Engineer, came office, at 1.15 and said tenders has been opened.

The comments / views of allegations leveled of M/s Meesam Construction Co: are given as under.

The complainant has indicated the time of submission and opening of bidding documents in his complaint but has not mentioned the time when he reached in the office for submission of bidding documents, though the procurement agency returned the bidding documents to the complainant in writing over envelop with a remarks **RECEIVED AT 1.15 PM HENCE RETURNED UN OPENED.**

As a matter of facts the tender box was kept in the office and the interested bidders, dropped their respective bidding documents in the tender box up till 12.30 P.M after dead line of submission of bidding documents the tender box sealed and at 1.00 P.M sharp the tender were opened by the procurement committee in presence of representative of bidders as well as staff of procurement agency such attendance sheet is enclosed herewith as a proof that sufficient number of persons were available at the time of opening of bids Annexure-A.

The allegations leveled are nothing but to black mail the procurement agency to materialized his ill design as per past practice. In past he level base less allegation of non issuance of bidding documents, through he has never apply for issuance of bidding documents, when the bidding documents hoisted on SPPRA web site he got issued the bidding documents and change the nature of allegation of non receiving back bidding documents but the facts are completely strange as narated above.

The procurement committee concluded the bid opening process at about 1-10 PM. The members of procurement committee and representative of bidders left the office. At about 1.15 PM two person entered in the office of undersigned demanded inclusion of bidding documents in bids opening process but they were refused to do so on the ground that the dead line of bids submission was up till 12.30 PM and you came at 1.15 PM therefore, your bids can not be entertained

15.7.14

After that state of affairs one person stood and started recording movie of the premises, in mobile phone and the other person threatening dire consequences and filing of suit in Honorable High Court of Sindh. The SPPRA may call a recorded movie of the premises, from the complainant and witness whether the tender box and person were available in premises or not.

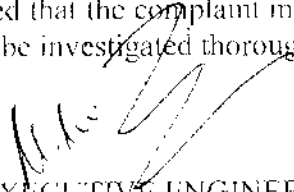

It is honestly stated that the procurement agency has conducted procurement process in most transparent manner from floating to conclusion in accordance of SPPRA rules 2010, as the NIT was got published in leading National Dailies, in English, Urdu, and Sindhi, and also hoisted on SPPRA web site, besides this to ensure healthy competition the SBD, were also hoisted on SPPRA web site but the vested interested persons, are trying to sabotages the transparent process by leveling base less, fictitious and fake allegation to denounce, and black mail the procurement agency just to materialized ill design.

The Meesam Construction Co: always used black mailing tactics and leveled false, fabricated allegation to all procurement agencies of Sindh specially Hyderabad and Dadu district, such record of base less allegation is lying with your kind authority some record of base less allegation leveled against different procurement agencies are enclosed herewith for ready reference Annex:F

It is not out of place to mention here that the application for issuance of blank tender documents signed by one person and the bidding documents received by an other person and the persons who came for deposition of tenders were also different and the person who signed on complaint is also different such documents are enclosed as Annex:C.

Looking to the state of above affairs M/s Meesam Construction Co: is nothing but a gang of black mailer, which black mail the procurement agencies of Sindh and earning money.

In the light of the above mentioned facts it is requested that the complaint may kindly be filed as fake and fabricated and the activities of the firm may also be investigated thoroughly

No. Dir(CB)/SPPRA/3-2HYD/11-12/4001 dated 15.10.2011.

This office had floated tenders on the above noted subject NIT, which were published in print media under No INF/KRY/3140/11 as well as hoisted in website of SPPRA under I.D No 5227/11 dated 30.9.2011 with a closing date of 17.9.2011. As regards the complaint of Mr Mujahid Shah of M/S Messam Construction Company it is honestly stated that the complainant neither contacted with the undersigned as well as any staff member of this division nor submitted application for issuing of blank tender documents till the closing date of tenders i.e 17.9.2011.

It is further stated that the tenders under complaint remained un-responded, as no contractor applied for issuance of blank tender documents, perhaps due to heavy torrential rains, which un-indated Hyderabad during these days no contractors turned up for issuance of blank tender documents, however such corrigendum in this regard has already been issued under No EE/HPCD-II/HDA/1496/2011 dated 22.9.2011 and the same published in Print Media under No. INF/KRY/3448/11 and also hoisted at SPPRA website which is still available at SPPRA website, hence the question of non-issuance of blank tender documents does not arise and the complaint may be filed as baseless.
