The Committee was informed that a tender notice on **Open competitive basis** (single stage two envelops method) was got published in leading newspapers i,e Daily "Dawn" on 19th January 2018, "Jang" on 20th January-2018 and "Kawish" on 22nd January 2018 respectively through Information department, Govt. of Sindh as well as on SPRRA website at S.No. 36474 dated 28.01.2018 for procurement of above articles for wide publicity and brings value for money as per SPRRA Rules-17.

In response to Advertisement published in leading newspapers Ten (10) interested firms has purchased the tender documents, out of which following two (02) firms submitted their bids (Attendance sheet duly signed by all is annexed) on the date and time containing technical & financial proposals alongwith their company's profiles. None other turned up despite purchasing of bid documents.

1. M/s. Al-Farooq Traders.
2. M/S. Waheed Enterprises.

Technical Proposals of above named firms were opened by the Committee on 15.02.2018 in the presence of the Representatives of the firms. The committee has prepared a

preliminary technical evaluation report in its meeting held on 13.03.2018 at 11:00 a.m in the office of the Secretary, Workers Welfare Board Sindh. On the basis of evaluation Report both the firms have qualified technically as per evaluation criteria given in the bid documents and further decided to send the samples of preliminary qualified bidding firms to the Army Stores Inspection Depot (ASID) for test / examination to check technical specifications as provided in the tender documents, after obtaining necessary approval from the Secretary, Workers Welfare Board, Sindh. The specifications are the same which are being followed in bid document since last many years and did not change the same by the Committee. It was decided that complete technical qualification of firms shall be finalized after incorporating the marks of laboratory tests reports. Accordingly, the samples of the above named successful bidders, were sent to laboratory; viz. Army Stores Inspection Depot, Karachi as provided in the bid documents after approval from the Secretary / CEO of Workers Welfare Board, Sindh.

On receipt of Laboratory reports, the technical proposals of bidding firms were finally evaluated with regard to experience of bidding firms in relevant field, financial worth, NTN, Sales Tax/ SRB registration, photographic evidence of printing setup as well as distribution outlets, supply of relevant articles in past years, team members of professionals, income tax returns and audited accounts etc. As per technical evaluation reports, the technical proposals of the above named firms were found correct and stands qualified. No complaint from any bidder is received by Office or by CRC. Accordingly letters of intimation regarding acceptance of technical proposals and inviting to attend opening of financial proposals were issued to firms qualified for bidding. The Financial proposal of the technically accepted bidders were opened by the Procurement Committee and announced the rates in presence of Representatives of the bidding firms on 16th March-2018 at 3:00 p.m in the office of the Secretary Workers Welfare Board Sindh who was also present.

After opening of financial proposals, the committee preliminary prepared separate attendance sheet, showing the names of the technically accepted bidding firms, the amount of earnest money enclosed alongwith the bids, total amount/ value of bid quoted by the bidders and the total amount/value calculated by the committee after checking of individual quoted rates and amount thereof and prepared a comparative statement. The quoted rates this year are based on estimated quantity of 25000 children of workers whereas last year the rates were called only for 9000 students (only for Board's Institutions).

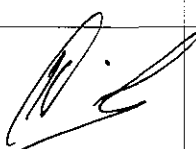

The summarized position / comparative statement of the participated firms as given below:-

Sr.No.	Name of bidding firm	Amount of pay orders submitted by bidders against Earnest money	Total bid value quoted by bidders	Total value calculated by committee	Remarks

		(2%)			
1	M/s. Al-Farooq Traders	2,200,000/-	92,755,059/-	92,376,580/-	1 st Lowest.
2	M/s. Waheed Enterprises.	2,400,000/-	98,2496,646/-	97,683,215/-	2 nd Lowest.

Decision:-

- To further evaluate the tender, rates/prices were compared with the rates of last awarded contract partially because last year the supply was restricted to our schools only and no supply was made other than our schools. On the same basis it is found that present quoted prices are about **28% lower** than the prices of last year (only for those items which were supplied last) therefore the bid can be accepted safely. The comparative statement is also enclosed at Annexure-"A". The rule-48 of SPPRA narrates that bid can be accepted if the rates are comparable to the prices of last awarded contract.
- At present estimated per child cost remains to be Rs.3695/- whereas the rates per child last year was Rs.3999/- which is about 8% below of last year.
- On the basis of above facts the Committee decided to recommend awarding the contract to lowest bidder as per his quoted rates (duly corrected).
- The Committee also decided to up-load all the required documents and minutes on the website of the SPPRA
- ***The meeting ended with a vote of thanks to and from the Chair.***
