SUBJECT:- ADOPTION OF NATIONAL COMPETITIVE BIDDING FOR LAYING & INSTALLATION HDPE PIPE FOR "WATER CARRIER FROM NABISAR TO ISLAMKOT FOR THAR COAL FIED BLOCK-II"

In Continuation of this office letter No. CEI/DEV-II/WB/527 dated 16.04.2014 & in response of Government of Sindh Irrigation Department letter No.SO(R&S)/8-110/2012-13 dated .04.2014, the justification for calling national competitive bidding for the work of "Laying & Installation HDPE Pipe for water Carrier from Nabisar to Islamkot for Thar Coal Block-II" is narrated as under.

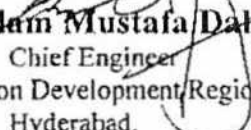

1. Since the world largest reservoir of Coal discovered in Islamkot two decade ago could not be drilled out merely due to non availability of water resources at Islamkot, as such the Irrigation Department has been assigned the task to make available the water @ Islamkot.

2. Whereas the work of laying & installation HDPE Pipe line for water Carrier from Nabisar to Islamkot for Thar Coal Block-II can economically be carried out by the National firms having adequate technical expertise and professional capabilities in the concerned field for carrying out above work. Since the SPPRA Rule 2010, 15(b) (iii) also provide liberty to Procuring agency to opt for National competitive bidding as under. " A procuring agency may opt for National Competitive Bidding for procurements with an estimated cost equivalent to US \$ 10 million or above, where the procuring agency is

convnced that it is the most economical and timely way of procuring goods,works or services which, by their nature or scope are unlikely to attract foreign competition, Provided that the Head of the Department of the Procuring agency, while making decision to opt for the National Competitive Bidding whall record reasons and justifications for his decision." In order to save the time period and complete work economically with stipulated period National Competitive Bidding is perfered.

3. There is pressing need to implement the subject scheme on"war footing basis from all corners & whereas the Schem has already been delayed abnormally with one or other reason as such keeping in view the larger National interest, it was unanimously decided to call National Compietitive Bidding.

It is therefore requested that the Government of Sindh Irrigation Department may kindly be apprised factual status of the case & requested to kindly accord formal approval to this office, so that SPPRA authorities may be satisfied accordingly.
