Item: To discuss and finalize the Technical Evaluation Report of the bids received from various parties with the regard to publication of Free Textbooks for the academic session of 2014-16.

Decision: The Committee while examining all technical bids / proposals of each party / individual thoroughly prepared a Comparative Statement in light of the advice received from the Laboratory of Pakistan Standards & Quality Control Authority (PSQCA), Karachi. The grammage, brightness, opacity & tear / burst factor were also checked and found in accordance with the specification given in the Tendering Documents / Enquiry dated 23.08.2014. Besides, all the firms were found qualified except two firms namely, M/s. Mazammil Enterprises, Sukkur & Pixel Pocket, Hyderabad due to the reasons that they could not obtain minimum mandatory percentage of marks i.e. 65%.

After a detailed deliberation and in light of the set procedure in accordance with the "Sindh Procurement Regulatory Authority Rules 2010". It was unanimously decided that financial proposals of technical qualified firms will be opened on Monday the 27th October, 2014 in the presence of all successful bidders in order to make 100% transparency in procurement process.
