Subject: Tenders for Technical Proposals for Fumigation of Wheat Stocks

Reference to your letter No. BA-III/Food/Fumigation/2015-16 dated 18 May, 2016 on the subject cited above, regarding technical evaluation of participating firms for fumigation of wheat stock in Sindh on the basis of information provided by the firms in the submitted annexed documents. The summary of the scrutiny is presented in (Annexure-I).

It is evident that M/s Adeel Pesticides and MFG Co. and M/s Jawed Fumigation Corp. have sufficient experience and infrastructure.

These firms are registered from Department of Plant Protection and they have already applied for renewal (copies are enclosed) in their profile and they also have provided the satisfactory performance certificate from Entomologist of Department of Plant Protection, Seaport, Karachi.

M/s Jawaria Fumigation did not apply for renewal of their expired registration from Dept. of Plant Protection as a commercial fumigator and they do not have any experience of grain commodity fumigation in warehouse.

M/s Star Industries Pest Control Services and M/s Prince Pest Control Services are less experienced firms and both of them do not have the sufficient infrastructure while M/s Pakistan Fumigation Corp. did not submit the details of their infrastructure.

It is therefore recommended that M/s Adeel Pesticides & MFG Co. and M/s Jawed Fumigation Corp. should be considered as technically qualified firms for fumigation of wheat stocks in Sindh.
