and eligibility criteria . The details of bid cost quoted by the bidder M/S Hashemi Safron, and bid security received from bidder is shown in above table.

The procurement Committee while bid evaluation under the provision of clause 7.6 A (Preliminary screening) of SPPR procurement regulation eliminated the bid of M/S RTJ Enterprises, Hyderabad who has submitted a bid but failed to mention the name of Taluka where he wished to supply the required items, whereas, the estimated cost and quantity of the itemed required for 6 Taluka i.e Sobho Dero, Gambat, Kingri, Kotdiji, Thari Mirwah & Faiz Ganj is equal.

The bidder's qualification report and Comparative Statement showing the item wise rates is at Annexure-A & B respectively.

The Committee discussed that as only one bidder has participated in the bidding process therefore the rate quoted by the bidder could not be determine whether the quoted price is accepted or otherwise, however the price quoted is within the estimated cost for each school. In this situation, committee therefore decide to visit the market to compare the rate with market price under the provision of Rule 48 of SPP Rules 2010.

The committee visited the market on 6th May, 2017 to compare the rate of items by M/S Hashemi Safron and obtained the rate in writing from local market which found comparable with the rates quoted by the Bidder M/S Hashemi Safron. After discussion on the bidders' qualification and bid price by the bidder, the committee has unanimously recommended that M/S Hashemi Safron may be awarded the work.

The meeting ended with the vote of thanks to and from Chair.
