2. Mr. Ali Ashgar Tunio, Deputy Director, Village Electrification Programmed Sindh
3. Mr. Ashraf Mian Bukhari, Section Officer (B&A), Energy Department
4. Mr. Shariq Raza, Technical Officer, Coal Energy Development Cell.

2. List of Bidders present during meeting is at Annex-A

3. At the outset, the Deputy Secretary (Admin), ED informed the participant that though tender has been invited on Single Stage-Single Envelope mode, lowest bidder will be considered against the required specification. 	M/s N.A. Thakur Enterprises, Karachi	3,412,794.00	Jet Generators Engine Perkins Alternator Mecc Alte	Not registered with FBR. Delivery time is 3-4 week. Higher price.	Disqualified

4. The Deputy Director, VEP, Energy Department stated that (i) M/s N.A. Thakur Enterprises, Karachi, (ii) M/s Khalid Corporation, Karachi and (iii) M/s S.M. Jaffer & Co, Karachi are out of competition due to their higher price and other noncompliance. He added that though price quoted by M/s Greaves Pakistan (Private) Limited, Karachi are lowest but Diesel Generator Standby (165 KCVA & Prime 150 KVA) is of higher rating and not matching with required specification. He viewed that higher rating generator will cost much in terms of fuel consumption in longer run. The chair endorsed his views as well as all members.

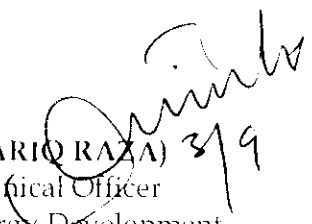

Decision/Recommendation:

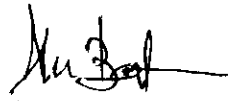

5. After detailed examination of bids, the committee approved M/s Allied Engineers & Services (Private) Limited, Karachi as successful bidder and recommended for award of contract for supply and installation for their diesel engine generator (Standby 150KVA/ Prime 135 KVA) "Caterpillar Olympian (GEP150-4)" Engine: Perkins (UK) with Alternator: Olympian at cost of Rs. 3,359,182.00 subject to the fulfillment of all codal formalities.
