Talking to the parents and communities during her field visit, the senator urged all segments of the society, especially the parents to facilitate vaccinators.

"Our Sehat Muhafiz has brought us so close to polio eradication that we cannot afford to relax hence I and the leadership of EOC have come out to support our teams," said Farooq.

The second last polio campaign of the current low transmission season commenced on Monday. A total of 37.71 million children under five-years-of-age will be vaccinated including 19.38 million in Punjab, 8.85 million in Sindh, 5.73 million in Khyber-Pakhtunkhwa,

2.46 million in Balochistan, a million in the Federally Administered Tribal Areas (Fata), 0.7 million in Azad Jammu Kashmir, 0.24 million in Gilgit-Baltistan and 0.33 million children in Islamabad.

The three-day-long campaign will be followed by a one-day catch-up. A five-day campaign with a two-day catch up will be held in core reservoir areas.

During this campaign, Vitamin-A supplement will also be administered to around 35 million children aged between six months and five-years-of-age along with OPV aimed at boosting immunity against diseases including Measles.

The campaign is proceeding smoothly," stated EOC Coordinator Dr Safdar. He added that the campaign had covered around 30 per cent of its target on the first day.

He explained that 'fake news' spread in a viral video circulating on social media which linked the death in Nawabshah to the death of children with vaccines had caused refusal cases to soar last month.

However, as the facts filtered in, the majority of the missed children were covered during a catch-up campaign.

He added that the quality of the campaign had improved, in large part due to better coordination and the deployment of special mobile teams in 20 sub-optimally performing union councils.

(ICT) Chief Commissioner, and the inspector general of police — claimed that several female officers at the police lines were being sexually harassed.

Several anonymous female staffers and officers from the police headquarters alleged in the letter that they had faced sexual harassment and exploitation at the hands of their male officers and their staff on a daily basis.

The anonymous complainants particularly pointed fingers towards the readers and operators in the offices of the DSP, SP and SS P headquarters. They alleged that these officials, as well as the DSP-headquarters, exploit them sexually in exchange for sorting their official matters.

They sought action against

the accused officials and requested that a woman officer along with a woman reader, should be appointed to supervise women at police lines headquarters.

Based on the letter, Temuri ordered AIG Operations SSP Asmatullah Junejo to conduct an inquiry and to trace the culprits.

According to a statement issued by the police, SSP Junejo subsequently held a meeting with all women police officers at the Police Lines to learn about their issues and to learn the identities of those harassing them.

"As a result of the inquiry, three officers have been suspended and disciplinary action has been initiated," the statement read. Police have not released the names of the suspected officials.
