O R D E R

Mr. Faisal Kamal, Advocate for the Intervener
Mr. Rafiq Rajouri, AAG

>><<

Counsel for the intervener states that he is a successful bidder with regard to tender for pre-monsoon rehabilitation public works and according to him, the amount has been allocated for the said purpose by the procurement wing of KMC, however the said amount has not been released to the intervener due to restraining order passed by this Court. Learned Counsel states that the cutoff date for sanctioning the amount was 15.06.2014. He further states that in order to save the interest of intervener, the said amount should remain intact and should not be sent back to the Government of Sindh as unutilized amount as if the said budgetary amount is sent back, the intervener would be prejudiced. He also states that as per his information and belief, the amount is still intact and lying with the KMC.

In order to ascertain the factual position, we direct the Counsel representing the Respondent No. 01 to explain the position with regard to the current status of the said budgetary amount on the next date of hearing.

We have noted that status-quo order has already been passed by this Court on 30.04.2014, we, therefore, further direct the KMC authorities that if the said budgetary amount is still intact and lying with him, status quo with regard to said budgetary amount may also be maintained till the next date of hearing. Adjourned.
