## MINUTES OF POST BID / EVALUATION CRITERIA MEETING

Post Bid Meeting regarding observing evaluation / qualifying criteria for bid published vide NIT No.TC/G-55/87, dated:19.02.2018 held on 13.03.2018, in the office of the Executive Engineer Highways Division Shikarpur under the chair of Executive Engineer Highways Division Shikarpur and other Members, Assistant Engineer Provincial Highways Sub-Division Jacobabad, and Assistant Executive Engineer Irrigation Choi Sub-Division Shikarpur.

The eligibility conditions required in NIT referred above have been scrutinized in detail, where-in the contractors who possessed such eligibility conditions were declared responsive. However who failed to match the required conditions were declared un-responsive.

The Committee further scrutinized the following standard criteria.

1. The Pakistan Engineering Council Certificates were strictly observed being qualified having validity period beyond May 2018, however the participants submitted the PEC Certificate having exclusion considered.
2. The only bid security in shape of call deposit, pay order and bank guarantee from recognized standard bank of Pakistan of required amount were entertained. Hence deficient amount or guarantee from un-recognized institution were declared un-responsive.

## SC declares Nawaz Sharif ineligible to head party

Declares all decisions taken after disqualification null, void; party head bound to qualify conditions meant for MPs; EC removes Nawaz Sharif's name from party leadership

By Sohail Khan

ISLAMABAD: The Supreme Court on Wednesday declared former prime minister Nawaz Sharif ineligible to continue as president of the Pakistan Muslim League-Nawaz (PML-N) for being a disqualified person declared by a court of law and declared null and void all actions taken by the former prime minister in capacity of party leader. The apex court also ordered the Election Commission of Pakistan to denotify Nawaz Sharif as president of the PML-N.

In a swift compliance of the judgement, the ECP removed the name of Nawaz Sharif as the head of the ruling PML-N from the list of registered political parties. The Election Commission also directed the PML-N's acting secretary general Ahsan Iqbal to elect an acting president within seven days and conduct party elections within 45 days to elect president of the party.

Earlier, the Supreme Court while nullifying all actions taken by Nawaz Sharif, ruled 'all steps taken, orders passed,

directions given and documents issued by the Respondent No.4 (Nawaz Sharif) as party head after his disqualification on July 28, 2017 are declared to have never been taken, passed, given or issued in the eyes of the law.'

However, legal circles are of the view that the election to the Senate will not be disturbed through this judgment, because the nominees of the PML-N in the given circumstances will be considered as independent candidates as their nomination papers have already been ac-

cepted by the ECP on the touchstone of articles 62 and 63 of the Constitution.

A three-member bench of the apex court, headed by Chief Justice Mian Saqib Nisar and comprising Justice Umer Ata Bandial and Justice Ijazul Ahsen, announced the verdict, reserved earlier on the identical petitions challenging the controversial Election Act, 2017 that had paved the way for Nawaz Sharif to become the head of the PML-N. As many as 13 identical petitions were filed in the Supreme Court including

that of the Pakistan Tehreek-e-Insaf (PTI) Chairman Imran Khan, Pakistan People's Party (PPP), Sheikh Rasheed Ahmed of the Awami Muslim League (AML) as well as Zulfikar Ahmed Bhutta, Advocate, challenging the controversial Election Act, 2017.

The short order announced by Justice Saqib Nisar declared 'any person who suffers from lack of qualification under Articles 62 and 63 of the Constitution is debarred from holding the position of 'party head' by whatever name called and pro-

hibited from exercising any of the powers provided in Article 63-A of the Constitution, as 'party head' or any other power in the said capacity under any law, rule, regulation, statute, instrument or document of any political party.' The court held that 'such bar and prohibition shall commence from the date of disqualification and continue till such time that the lack of qualification/disqualification of such person continues in terms of the provisions

## SC never termed Nawaz 'Godfather': Justice Khosa

Says statements presented out of context

By Sohail Khan

ISLAMABAD: Justice Asif Saeed Khan Khosa, the senior-most judge of the Supreme Court (SC), on Wednesday said that the court never referred to former prime minister Nawaz Sharif as 'Godfather' in the Panamaagate verdict.

Heading a three-member bench of the apex court hearing contempt cases against the Jang Group, Justice Asif Saeed Khan Khosa said that it had become a custom to attribute something to the judiciary which had never been uttered by the court.

He clarified that the court had never termed Nawaz Sharif 'Godfather' in the Panama case judgment.

The judge said that statements were being attributed to judges out of context, and urged everyone not to repeat them.

To justify this, Justice Asif Saeed Khan called Additional Attorney General Chaudhry Aamir Rehman to the rostrum and asked as to whether he had ever found in the Panama case judgment wherein the court had termed Nawaz Sharif 'Godfather'. The additional attorney general replied in the negative.

Justice Asif Saeed Khan Khosa said that the reference to the Sicilian Mafia was made because of open threats given by PML-N leader Nehal Hashmi to the judiciary.

He further said that a Supreme Court judge, when

## SC discharges contempt notices against Jang Group

Ahmad and Qazi law firm pleads Jang Group's case

By Sohail Khan

ISLAMABAD: The Supreme Court on Wednesday discharged contempt notices against the Jang Group after expressing satisfaction over the replies submitted by the respondents.

A three-member bench of the apex court headed by Justice Asif Saeed Khan Khosa and comprising Justice Dost Muhammad Khan and Justice Mansoor Ali Shah discharged the contempt notices.

The court, after going through the reply of Noorani in detail during the proceeding, expressed satisfaction and discharged the show cause notices against Jang Group.

"After perusal of said replies, we are not persuaded to proceed further in the instant matter and the notices dated July 10, 2017 and January 24, 2018 are hereby discharged," the court concluded.

In his reply, Noorani

prayed the apex court that he and his senior management genuinely hold this honorable Supreme Court in the highest esteem and he hopes that through the submission in his reply, he will be able to persuade honorable court that the news story in question met the highest standards of journalistic norms and he thus most humbly prays that the show cause notice dated January 24, 2018 may graciously be withdrawn in the interest of justice.

The court had issued show cause notice to the Jang Group.

Last year on July 10, a three-member bench of the Supreme Court, headed by Justice Ejaz Afzal Khan and comprising Justice Sheikh Azmat Saeed and Justice Ijazul Ahsen, while hearing the Panama Papers case on July 10, had issued contempt of court notices to the Jang Group Editor-in-Chief

## 'Dictators damaged Constitution through some judges'

Nawaz says ending laws made by parliament would be dangerous; Saad says neither panicked in past nor will in future; Rana Sana says anyone desirous of being in PML-N will have to accept Nawaz as final authority; Marriyum says judgment strengthened former PM's narrative; Talal says popular leader not dependent upon party leadership

News Desk

LAHORE/ISLAMABAD: Deposed prime minister Nawaz Sharif on Wednesday said dictators binned the Constitution for 32 years and those promising their allegiance to them watched it silently. The parlia-

ment never inflicted any wound to the Constitution and it was done only by the dictators with the help some judges, he added.

Nawaz said what kind of Constitution it was when it depended on judicial endorsement and warned that an-

nulling a legislation passed by the parliament through whimsical interpretation would be dangerous, as it produced the threat of a clash among institutions.

In a statement, Nawaz said in case of requiring interpretation of a law passed by the par-

liament, the same should be sent to the legislature to remove any ambiguity.

He said the Constitution was a sacred document to run the affairs of the state and drafted by the public's elected
