BID EVALUATION CRITERIA

- a) The bids shall be ranked on the basis of combined weighted score for quality and cost. The tender shall be awarded to the bidder obtaining the highest total combined score in evaluation of Technical bid and Price (financial) bid.
- b) The bids shall be ranked keeping in view the marks obtained on a scale of 100 marks during evaluation of bids. The technical and price (financial) bids shall enjoy weightage in the proportion of 60:40 i.e. 60% for the technical bid and 40% for the financial bid.

The financial bids of only those successful bidders who obtain minimum 50% point i.e. 50/100 in Technical evaluation will be opened for **financial evaluation**.

- c) Combined scores of respective bidders shall be obtained by sum of their respective technical bid scores (out of 60) and their respective price (financial) bid scores (out of 40).
- d) Technical literature is mandatory for technical evaluation , failing to do so will result zero in technical evaluation.
- e) (i) **Criteria for evaluation** of the technical bid of contractors.
