## **EVALUATION**

The procurement committee evaluated the bidding documents based on the requirements set forth in the bidding documents, which were issued and received back. As such the following 3 steps were taken to find an eligible and successful bidder;

- (1) Preliminary screening : - Checked the basic requirements.
- (2) Detailed evaluation : - Determined tenders/bids substantially responsive to the commercial and technical.
- (3) Financial evaluation : - Compared the costs of responsive tenders/bids and determined the lowest priced tender/bid.

The successful bids are the lowest priced bids, which are substantially responsive to requirements of the bidding documents.

The mandatory requirement for PEC, NTN & SRB registration were verified online through their respective websites and found confirmed with the submitted certificates attached with applications of contractors,

## **BID EVALUATION REPORT**
