The court handed 12-year sentences to Karim Abdeslam, a jihadi to Syria, several of whom died in suicide attacks, a statement from Madrid's Mohamed and Ismail Abdelhafi voluntarily joined" —AFP

**Austrian climber dies in Nepal's Himalayas**

KATHMANDU: A 51-year-old Austrian climber has died on an expedition to summit Nepal's Manaslu peak, the world's eighth-highest mountain, an official said Friday.

The climber, part of a team of 14, was descending after a successful summit of the 8,156-metre (26,759-foot) tall mountain on Thursday when he died. "An Austrian climber died on his way back near Camp 4 late Thursday. We do not have details about the cause of death," said Nepal tourism official Gyandhra Shrestha. Shrestha told AFP that an emergency rescue team had airlifted a French climber from the same team to a lower camp on the same day. Nepal had granted permits to 106 climbers this autumn season for Manaslu peak. More than 40 mountaineers have summited successfully but two leading operators cancelled their expeditions, citing waist-deep snow and exposure to avalanches en route to the peak — AFP

**ambitious green efforts coal use**

ort- to boost living standards of Bhusan of the Delhi-based rate more than a quarter of its 1.2 Centre for Science and billion population who live in Environment. The US and ided poverty. "We are an emerging China were economically "more ned economy but we are still a poor here country. This fact cannot be d of changed," Javadkar said, change, he added.

New Delhi estimates that at least \$2.5 trillion would be required to achieve India's climate change goals, which Prime Minister Narendra Modi stormed to power last year include increasing forest cover, promoting to ramp up energy between now and 2030.

"Despite huge developmental challenges, India has put forward a climate action plan that is far superior to ones proposed by the US and EU," Sandeep Chachra, ActionAid India's Executive Director, said.

However, environmental campaigners criticised the failure to curb coal use, saying it would hurt green efforts and worsen problems such as air pollution, water scarcity and forest destruction.

Delhi's steps announced Friday, es and describing them as positive ment to expand coal power capacity is baffling," said Pujari Sen, a senior Greenpeace India campaigner. "Further expansion of coal power will hamper India's development prospects." —AFP

# CCPC organises training workshop

**RECORDED REPORT**  
 LAHORE: Punjab University Microbiology and Molecular Genetics (MMG), CCPC Chairman Dr Abdul Qayyum Choudhary, Director IAGS Dr Saleem Haidar, on "International trends and challenges for students in future, CV writing and job applications" at the Institute of Agricultural Sciences (IAGS) of students were present on the occasion.

The World Polio Day gives us an opportunity to renew our pledge to work with more dedication. Dr Zahid Pervaz further said that we have introduced inactivated injectable polio vaccine for a short time. Even though permanent transit points have been set up at strategic routes, the movement of populations at such a scale poses a set of unique challenges, he added.

Dr Zahid said that without a countrywide polio eradication campaign, keeping Punjab a polio free province is a tough task.

# observed today

one (IPV) for children above 14 weeks of age in routine immunisation. Further Punjab will also switch to OPV to TOPV by April 2016. In 2014, Punjab registered just four cases out of a total of 306 in the country. In the year 2015, there has been only one case so far out of 38 in the country, he added.

The DG Health further said that with use of android-based tailor-made application E-vaccs with support from the PITB, Punjab has been able to boost its routine immunisation to 70 per cent from mid 50s within a year.

He said that thousands of travellers move in and out of Punjab to reservoir areas all through the year. Then there are seasonal migrants in bordering areas, who come for a short time. Even though permanent transit points have been set up at strategic routes, the movement of populations at such a scale poses a set of unique challenges, he added.

**MUHAMMAD SALEEM**  
 LAHORE: In a bid to commemorate the fight against wild poliovirus in Pakistan in the past year. Though the polio immunisation campaign in the country started in 1974, the efforts for eradication officially started in 1994. The infection remains endemic despite over 100 rounds of vaccination being carried out in the past decade. Pakistan had the world's highest number of polio cases in 2014, and as of October 2015.

Director General Health Services Punjab Dr Zahid Pervaz said that polio has been declared a national emergency and a dedicated team of professionals in the Emergency Operation Centre in the provincial health directorate is working hard to achieve the targets.

He said that Punjab has made serious progress over the last two years and with other variables in control, polio eradication may well be in sight within one year.
