.....

The meeting was arranged to discuss and finalize the Evaluation Report, prepared by the Procurement Committee, in respect of tenders for the work/scheme: "**Construction of Residential & Studio Apartment at Bath Island, Karachi**", (ADP No.897/2015-17). The members of the Procurement Committee apprised the Hon'ble Members present in the meeting that the tenders were invited by the Provincial Buildings Department on Bidding Documents as per SPPRA Rules and the Bidding method as mentioned in the NIT (Notice Inviting Tenders) published in newspapers of August 12, 2016 regarding the instant scheme. As a result thereof, thirteen (13) firms obtained the bidding documents, out of which, following nine (09) firms turned up and dropped their bids in the tender box:-

- 
1. M/s H.S. Enterprises
  2. M/s Gul Construction Co.
  3. M/s Abdul Majeed & Co
  4. M/s Rehman Builders
  5. M/s Badar Engineering Works
  6. M/s MAFHH Enterprises
  7. M/s A.G. Construction Company

8. M/s Pakistan Electric Works
9. M/s Evershine Constructors.

Thereafter, a scheduled pre-bid meeting was held on 30.08.2016, inviting all the bidders, who have submitted their bid documents and on the request of the bidders, the bids submission & opening date was re-scheduled as 21.09.2016. In this pre-bid meeting none of the Contractors sought any permission/clarification in the bidding process, including submission of Bank Guarantee instead of Pay Order/Demand Draft. Accordingly, the sealed bids (Financial & Technical) were opened by the Procurement Committee on 21.09.2016 in presence of all the Members of the Procurement Committee, participants/representatives of the Contractors (Attendance sheet is **annexed as 'A'**) and the bid amounts were announced loudly. After scrutiny (Financial / Technical) carried out by the Procurement Committee in P.D. office, a comparative statement and evaluation report were prepared by the Consultant, namely, M/s. Naqvi & Siddiqui Associates (**Annex. 'B' & 'C'**), according to which following three bidders were found eligible financially:-

1. M/s. Gul Construction
2. M/s. Abdul Majeed & Co.
3. M/s. M/s.Rehman Builders

The Consultant vide his subsequent letter (**Annex. 'C-1'**) has informed that due to their mistake the name of M/s. Evershine is replaced with M/s. Rehman Builders, hence requested for necessary correction. The Consultant also furnished the Comparative Statement of bidding documents, showing the opening bid value and corrected cost alongwith Engineer Estimate. The Executive Engineer (PBD-III) also furnished his opinion/ comments (**Annex 'D'**)

After going through the Evaluation Report and the documents relating to bidding process, the Hon'ble Chief Justice and other Members made some queries, which were duly responded by the Consultants & Engineers of PWD present in the meeting.

 Thereafter, the status of the abovesaid three contenders was discussed one by one. According to the Consultants as well as the Engineers of Works & Services Department, the first lowest bidder is technically disqualified as the bidders were supposed to attach security deposit @ 2% of the bid value as per NIT and appendix

'A' to Tender, but he has submitted Bank Guarantee instead of Pay Order/Demand Draft, which is not <sup>in</sup> conformity with the NIT/Bid Documents. The Procurement Committee pointed out that in the pre-bid meeting with the Contractors, M/s. Gul Construction did not make any request that he would submit Bank Guarantee instead of P.O./1. The Contractor is required to make request, clarification or objection, if any, before the Procurement Committee in the pre-bid meeting for consideration or otherwise. Besides, M/s. Gul Construction possess very little experience as they shown to have completed only three Projects, which too out of Karachi. However, they have never undertaken any project relating to judiciary. Their experience is not sufficient enough for the instant work, which is a mega project. The Engineers of W&S Department and the Consultant apprised the Committee that they do not know the Builders, namely, M/s. Gul Construction, as they did not even undertake any project of Sindh Government at Karachi as well. The Superintending Engineer has also referred to some Completion Certificate of a Project, namely, Construction of Infrastructure work (Package-I) at Shah Bunder (Node-I), District Thatta/Sujawal under Development Works for the Development of Zulfikarabad City (Annex. 'D-1') which, according to him, is a forged and fabricated document. It was pointed out that under Rule No.2(q)(iv) (Annex.'E') and Rule No.30(1) of the SPPRA Rules (Annex. 'F') and the Regulation No.2.18 for Procurement of works (Annex. 'G'), the bidders/Contractor may be disqualified on account of any act or omission, including misrepresentation and if it finds at any time, that the information submitted by him concerning his qualification and profession, technical, financial, legal or managerial competence as contractor, was false and materially inaccurate or incomplete. Therefore, the bid of the bidder M/s. Gul Construction has not been considered.

 Resultantly, the bid of the second lowest bidders (M/s. Abdul Majeed & Co.), who has been qualified technically and financially, was examined as they become first lowest bidder after disqualification of M/s. Gul Construction. While going through the profile of M/s. Abdul Majeed & Co., it revealed that they have vast experience of construction and completed as many as 36 projects, including Old Annexe Building of High Court, New Sindh Secretariat, Income Tax Building, etc. so also various residential projects. The Consultants as well as the Engineers of W&S Department have strongly recommended them to be awarded the contract keeping in view their good reputation. They have also submitted that there is no deficiency in the bidding documents of M/s. Abdul Majeed & Co.

After due deliberations, the bids submitted by M/s. Abdul Majeed & Co. is found to be lowest and valid, hence, the Procuring Agency i.e. PWD has been permitted to approve the bid of M/s. Abdul Majeed & Co. being the lowest bidder and they have been further directed to complete the process of awarding contract after adopting all the codal formalities.
