**Minutes of the Meeting of Central Procurement Committee (CPC)**  
**held on April 20, 2018**

A meeting of the Central Procurement Committee (CPC), was held on April 20, 2018 at 9:30 A.M in the office of Vice Chancellor, Dow University of Health Sciences (Ojha Campus), Karachi. The meeting was chaired by Professor Dr. M. Saeed Quraishy, Vice Chancellor, Dow University of Health Sciences, Karachi.

Meeting was attended by the following members of the Committee:

1. Professor Dr. Tariq Rafi, Vice Chancellor, Jinnah Sindh Medical University, Karachi.
2. Professor Dr. Muneer Junejo, Pro Vice chancellor, Liaquat University Medical and Health Sciences, Jamshoro.
3. Professor Dr. Aneela Ataur Rehman, Pro Vice Chancellor / Dean of Faculty of Community Medicines, Liaquat University Medical and Health Sciences, Jamshoro.
4. Mr. Shafi Muhammad Qureshi, Additional Director, Directorate of Pharmacy Health Department, Government of Sindh.
5. Mr. Athar Hussain Mirani, Additional Finance Secretary (Resource), Finance Department, Government of Sindh.
6. Dr. Jamaluddin Jalalani, Additional Secretary (PM&I), Health Department, Government of Sindh.

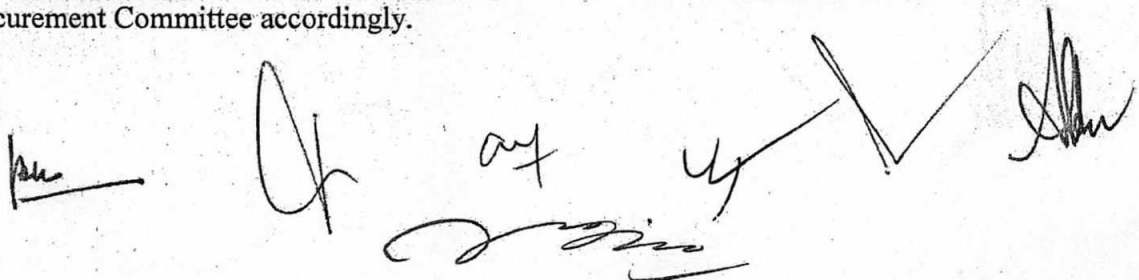

Vice Chancellor, Chandka Medical University, Larkana & representative from NAB were not attended the meeting.

Meeting started with recitation from Holy Quran by the Chairman. The Chair welcomed the participants for taking their precious time from their busy schedule. The following agenda points were discussed at length by the Committee.

**Point 1: Automation of Health Department, Government of Sindh.**

Mr. Ayaz Ahmed, Project Director, Automation of Health Department Sindh, informed the committee that for the automation of Health Department, the project floated tender for procurement of machinery, IT equipment and supply of stationary of the scheme amounting to Rs.93.131 million and for supply of Software items of the scheme amounting to Rs.402.015 million. He informed the committee that after completion of all process under SPP Rules, the Bid Evaluation Report (BER) of both components have already been hoisted on SPPRA Website. After hoisting the same, one complaint was received on PCs for which the CRC already decided to retender the same. He informed the committee that once the Committee approves, purchase orders will be issued. On query of Chairman, regarding effectiveness and implementation of scheme, the PD briefed in detail about reforms and improved services of the project spanned over 03 years. He further informed of remaining tenders to be processed i.e. TIBBI and Services / Storage, Furniture / Fixture and rental office.

The CPC after due deliberations and discussion decided that since the tenders have already been technically and financially evaluated and processed to SPPRA in accordance with Rules, it stands approved. CPC further advised to process remaining tenders through Central Procurement Committee accordingly.

6

**Point 2: Procurement of Medical Equipment / Furniture, Hospital / Office Furniture for DHQ Hospital Jamshoro @ Kotri / Tando Mohammad Khan / Tando Allahyar under ADP Scheme No.733.**

Mr. Ashique Hussain, Deputy Project Director, Rehab.of DHQ/THQ Hospitals in Sindh, informed the committee that under ADP Scheme No.733 & 735, there are five components:

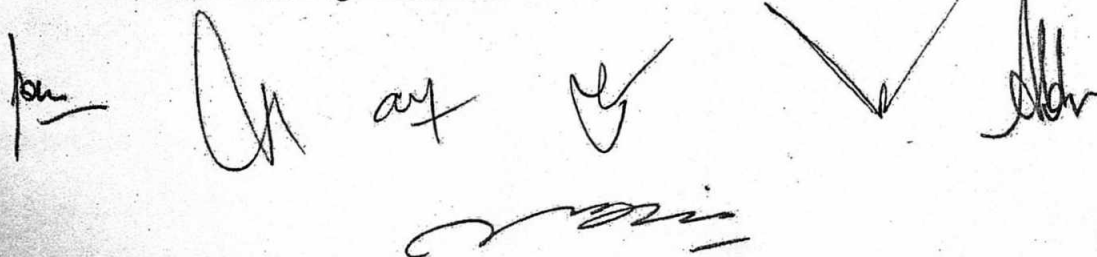

1. Procurement of Medical Equipment / Instruments of DHQ Hospital Jamshoro @ Kotri and Hospital / Office furniture for DHQ Hospital Jamshoro @ Kotri and Tando Mohammad Khan amounting to Rs.124.294 million.
2. Procurement of Medical Equipment / Instruments of DHQ Hospital Jamshoro @ Kotri, Tando Mohammad Khan & Tando Allahyar and Hospital / Office furniture for DHQ Hospital Tando Mohammad Khan & Tando Allahyar amounting to Rs.117.433 million.
3. Procurement of Incinerators for DHQ Hospital at Tando Mohammad Khan & Tando Allahyar amounting to Rs.7.000 million.
4. Procurement of Incinerators for DHQ Hospital at Dadu, Sanghar, Thatta, Mirpur Mathelo and Mirpurkhas amounting to Rs.25.000 million.
5. Procurement of Medical Equipment / Instruments and Hospital / Office furniture for DHQ Hospital Mirpurkhas amounting to Rs.172.827 million.

He informed the Committee that after completion of all tender process, BER for Serial No.1, has already been hoisted on SPPRA website on 2<sup>nd</sup> March, 2018. Technical Evaluation of Sr. No. 3 & 4 has been finalized by the respective Technical Committees and their financial bids are to be opened. Technical evaluation of tenders at Sr. No. 2 & 5 will be finalized after scrutiny of the samples by Technical Committee.

The committee examined the documents viz. evaluation reports etc. thoroughly and after due deliberation with the representative of Project and after discussion, it was decided that supply orders of completed BER (Sr. No.1) should be awarded to the lowest bidders only. Moreover, financial bids of tenders at Sr. No.3 & 4 will be placed in next meeting of CPC for opening, while technical evaluation of tenders at Sr. No. 2 & 5 will be finalized on submission of samples in next meeting.

**Point 3: Permission for Procurement of Plants & Machinery / Furniture & Fixture for General Nursing & Midwifery Training School, Sindh Govt. Hospital Liaquatabad, Karachi under SNE 2017-18.**

Mst. Shazia Kausar, Principal, General Nursing & Midwifery Training School, Sindh Govt. Hospital Liaquatabad, Karachi placed the copy of allocated funds and items to be procured under SNE 2017-18 before the Central Procurement Committee for permission of procurement. On question of Chairman CPC, she informed that the tender for purchase of listed items was not invited by her. On examination of allocated funds the CPC suggested that the cost of individual items are below the limit of one lac, hence she can purchase the same on quotation basis. The committee asked her to work-out on quotation of items to be procured, list and specification where needed and come up in next meeting scheduled on 24.04.2018 at 09.30 A.M. for approval and guidance of CPC.

**Point 4: Consideration of Technical Evaluation Report of tenders submitted by the Medical Superintendent, Liaquat University Hospital, Hyderabad.**

The Director (Admin, Accounts & Dev), Liaquat University Hospital, Hyderabad briefed the CPC about completion of Technical Evaluation of all four tenders carried out by the technical experts / teaching faculty of LUMHS/ endusers.

The CPC after due deliberation / discussion decided that financial bids of approved bidders will be opened on next meeting scheduled on 24.04.2018 at 09.30 A.M. The representative also informed the committee that technical evaluation of other two tenders are in process of finalization and will be placed in next meeting so the opening of financial bids of said tenders may also be scheduled on the same day. The committee decided that after completion of technical evaluation of such tenders, the evaluation report be submitted to the CPC in next meeting for further decision of opening of financial bids of such tenders.

**Point 5: Permission for issuance of Supply orders for purchase of Plant / Machinery / Equipment / Furniture as BER already hoisted on SPPRA Website on 09.4.2018 for Peoples Medical College Hospital, S. Benazirabad.**

Dr. Ali Abbas Khoro, AMS, PMCH S.Benazirabad, informed the committee that the Bid Evaluation Report (BER) of tenders invited by them for procurement of Plant, Machinery, Equipment, Furniture has already been hoisted on SPPRA Website and required approval of the committee for issuance of supply orders to the successful bidders. On query of Chairman CPC, he confirmed that no complaint was received after hoisting the same on website.

The CPC after due deliberations and discussion decided that since the tenders have already been technically and financially evaluated and processed to SPPRA in accordance with Rules, it stands approved.

**Point 6: Establishment of 300 Bedded MNCH Institute @ Shaheed Benazirabad**

Dr. Ali Akbar, Project Director, representing the project for Establishment of 300 Bedded MNCH Institute @ Shaheed Benazirabad, informed the committee that the Technical Evaluation Report of tender invited by them for procurement of various items under the project has already been completed but due to non-release of revenue component, the financial bids were not opened. He informed that now government released about 50% budget so they require approval of the committee for opening of financial bids accordingly.

The CPC after due deliberation / discussion decided that financial bids of approved bidders will be opened on next meeting scheduled on 24.04.2018 at 09.30 A.M.

Handwritten signatures and initials at the bottom of the page, including a large signature on the left and several checkmarks and smaller signatures on the right.

**Point 7: - Permission for procuring Hepatitis "C" Medicines.**

- **Permission for procurement of Disposable Syringes in place of Auto-Destructible Syringes for the financial year 2017-18.**
- **Opening of Technical Bids for Hepatitis Prevention & Control Programme (Chief Minister's Initiative) Sindh (ADP No. 846).**

Dr. Mohammad Abbas Gopang, Programme Manager & Dr. Zulfiqar Dharejo, Deputy Programme Manager, Hepatitis Control Programme Sindh, informed the committee that on approval of Chief Minister Sindh, the Tab; Sofobusvir was purchased for four months and now the medicines are near to end and non-availability of such essential medicines will effect on the treatment of Hepatitis patients.

They further informed that they required syringes of 2-3ml but the same was not approved in Central Rate Contract. They requested to allow for purchase of Disposable Syringes instead of Auto destructible syringes, approved in Central Rate Contract.

They also informed the committee for opening of bids of tenders invited for purchase of Kits and Awareness articles of the Programme.

The CPC after due deliberation / discussion on each point feels that the Chief Minister Sindh accord permission for purchase of 03 months therapy and directed to go for competitive bidding for further procurement, hence CPC directed to invite tenders for procurement of required medicines and directed the programme manager to calculate the dosage / requirements according to availability of funds. CPC also decided that as the procurement of Auto destructible Syringes is approved in PC-I of the scheme, hence the committee has no power to violate the PC-I, permission should be obtained from concerned forum. CPC asked the PM, that they can purchase approved 5ml. syringes in place of 2-3 ml. to cover the emergency requirement. Moreover, committee allowed for opening of technical bids of both invited tenders i.e. for purchase of kits & for awareness articles. Bids were opened in front of representative of participated firms and singed by all the members of CPC. Sealed Envelope of Financial bids duly signed by the members of CPC were sealed individual pack of both tenders and kept in safe custody in the office of Chairman CPC at Ojha Campus.

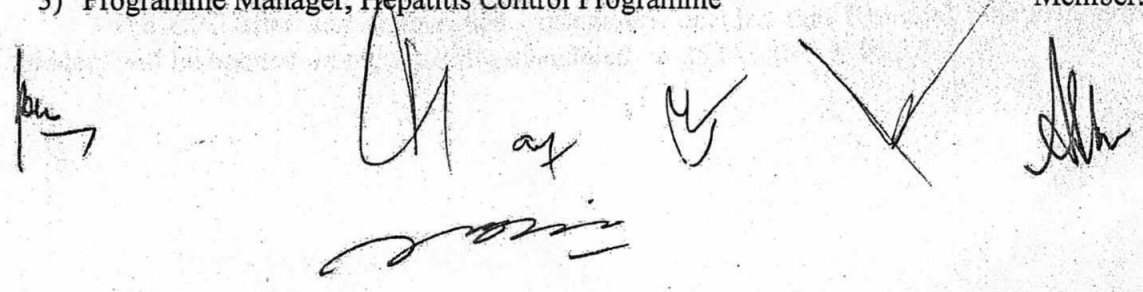

CPC also constituted a technical expert committee for technical evaluation of all procurement to be made by the Hepatitis Control Programme and inspection committee for inspection of stores to be received at Programme Office, which to be are as under:-

**Technical Expert Committee**

- 1) Professor Aneela Ataur Rehman, Dean of Community Medicines, LUMHS. Chairman.
- 2) Professor Shaheen Sharafat, Dean of Basic Medical Sciences DUHS. Member.
- 3) Dr. Ghulam Fatima, Chief Pathologist, Civil Hospital, Karachi Member.

**Inspection Committee**

- 1) Professor Muneer Junejo, Pro-Vice Chancellor, LUMHS. Chairman.
- 2) Professor Aneela Ataur Rehman, Dean of Community Medicines, LUMHS Member.
- 3) Programme Manager, Hepatitis Control Programme Member.

8/1

**Point 8: Opening of Technical Bids for Chandka Medical College Hospital Larkana.**

Dr. Ali Gohar, Medical Superintendent, C.M.C.H. Larkana, informed the committee that the date of tender opening published in newspapers is 23.04.2018, hence the bidders will come on that day alongwith their bids.

The CPC decided that the bids of tender invited by CMCH Larkana will be opened on 24.04.2018 at 09.30 A.M. at Ojha Campus, DUHS, Karachi as the bids cannot be opened before published date. CPC also constituted a technical expert committee for technical evaluation of furniture tenders of CMCH Larkana and all other if invited.

**Technical Expert Committee for furniture / fixture.**

- |                                                                         |           |
|-------------------------------------------------------------------------|-----------|
| 1) Dr. Yasmeen Kharal, Adl. Medicial Supdt, SBB Trauma Centre, Karachi. | Chairman. |
| 2) Dr. Ahmed Saeed, Inchare, Surgical ICU, DUHS (Ojha Campus).          | Member.   |
| 3) Adee Mendi Bio-Medical Engineer, LUMHS                               | Member.   |

**Point 9: Opening of Financial Bids of M/s.B-Braun, M/s. Popular etc. of those CRC referred items which were finalized by CPC in its meeting held on 06.4.2018.**

The Chairman CPC, asked to call bidders for opening of financial bids but due to non-availability of representatives of both bidders, CPC decided to call them on 24.04.2018 at 09.30 A.M. at Ojha Campus, DUHS, Karachi as the financial bids will be opened in front of the committee and representative of the bidders.

**Other Matters: (Not part of the agenda)**

**-Sindh Govt. Hospital Liaquatabad, Karachi.**

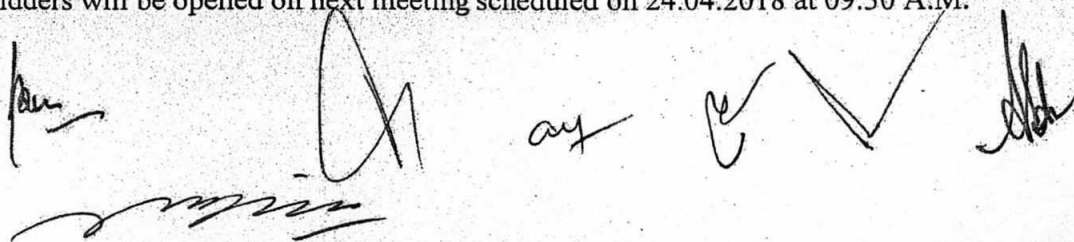

With the permission of Chair, the Medical Superintendent, Sindh Govt. Hospital Liaquatabad, Karachi place the copy of allocated funds under SNE 2017-18 for permission of procurement.

The committee allowed him to invite tenders immediately to complete the process within time.

**-Sindh Govt. Hospital New Karachi.**

The Medical Superintendent, Sindh Govt. Hospital, New Karachi put-up the case of Tenders invited by him under ADP Scheme 685 & 696. He informed that the tenders have been invited by them and technical evaluation has already been completed but the financial bids were not opened.

The CPC after due deliberation / discussion decided that financial bids of approved bidders will be opened on next meeting scheduled on 24.04.2018 at 09.30 A.M.

**-Bidding documents of Central Rate Contract 2018-19.**

The Chairman CPC informed all the members that Mr. Shafi Mohammad Qureshi, forwarded the therapeutic lists of items to all Vice Chancellors for scrutiny and their inputs. Chairman informed that he has workout on technical evaluation criteria of the products with inclusion of marks of technical and financial bids and for procurement of quality medicines, the bidding documents should have clear instructions about marking of technical and financial bids and acceptance of high ranking bid.

The CPC after due deliberation / discussion on it, decided that newly prepared draft bid documents should be mailed to all the honourable members of the committee, who thoroughly examined the same and submit any proposal / amendment in the same if necessary. Moreover, Committee assigned to Mr. Shafi Muhammad Qureshi, Adl. Director Pharmacy, to work out on such plan based on KPK Rules, and if required any amendment in the Rule, may place before committee for approval so that the same would be forwarded to Sindh Cabinet for such amendment.

The meeting ended with vote of thanks to and from the Chair.

	The amount of waste is to be Incinerated per hour 32 - 50 kg / hr		Yes	Yes	Yes
	Incinerator should be at least 4 tons in weight" in Operating Standard				
	<b>Operating Standard</b>				
	All Incinerators shall meet the following emission and operating standards.				
	1. Combustion efficiency (C.E.) shall be at least 99.0%				
	2. The Combustion efficiency shall be computed as follows: C.E = (CO <sub>2</sub> X 100) / (% CO <sub>2</sub> + % CO)				
	3. Suitably designed pollution control devices such as scrubbers, filters or electrostatic precipitators, shall be installed / retrofitted with the Incinerator to achieve emission limits, if necessary.		99% Quoted system is with two burners no need for Scrubber	Yes	Yes
<b>Feeding:-</b> Controlled hygienic, mechanical or automatic feeding methods have to be used which will not negatively influence the Air supply and temperature in the primary and secondary chambers of the Incinerator.	Manual feeding + controlled air	Yes	Yes		
<b>In Case of Double Chamber Incinerators:</b> <b>Primary Combustion:-</b> 1. The Primary Combustion chamber shall be accepted as the primary combustion zone and shall be equipped with a burner/s burning gas or low sulphur liquid fuel. 2. Primary air supply is to be controlled efficiently. The minimum combustion temperature of the primary chamber shall not be less than 850 C. 3. chamber capacity should not be less than 600 Litres 4. Minimum power of burner should be 200 Kw.	Min = 950 C	Yes	Min = 1000 C

**Secondary Combustion:-**

- The Secondary combustion chamber shall be accepted as the secondary combustion zone and shall be fitted with a burner/s burning gas or low sulphar liquid fuel.
- Secondary Air supply is to be controlled efficiently.
- Flame contact with all the Gases shall be achieved.
- The residence time in the secondary chamber shall not be less than two seconds.
- The Gas temperature as measured against the inside wall in the secondary chamber, not in the flame zone, shall not be less than 1100 C°.
- The oxygen content of the emitted Gases shall not be less than 11%.
- Both the Primary and the Secondary temperatures shall be maintained until all the waste has been completely combusted.

**Chimney:-**

The Specifications below cover both single and double chamber Incinerators.

- The exhaust gas stack (Chimney) shall extend above the general terrain in the immediate vicinity of the plant, in order to disperse the combustion gas products adequately.
- The Chimney shall have a minimum height of Nine (9) meters above ground level and clear the height point of the building by not less than six (6) meters for flat roofs or 03 meters for pitched roofs. The topography and height of adjacent buildings (Closer than 5 meters chimney height) shall be taken into account.
- If possible the chimney shall be visible to the operator from the stocking floor.
- The dilution of air after combustion in order to achieve the air pollution control standards is not allowed.
- The Minimum exit velocity of the emissions shall not be less than 10 meters / Second.
- The stack shall be insulated to maintain the maximum outlet temperature.
- The sampling platform and port for measurement of emissions shall be provided.

Max. Tem. 1320 Yes	Max. Tem. 1000C	Yes
Emission Gas not Mentioned		Yes
1.5 Meter Length actual but required min. hight 9 meter will be provided	Yes	Yes
