SUBJECT: NO. DIR/CM/MS/KMC/658/2017 DATED 26-12-2017 (SR. NO 35956).

With reference to your letter No. A.D(A)/SPPRA/(35956-KMC)/2017-18/3235 dated 05-06-2018, on the above noted subject Parawise replies are submitted as under: -

Sr. No.	Observation	Replay
1.	The Procuring Agency (PA) has not furnished current status / BERs of remaining works No.01.	No one has participated and remained Not-Responded.
2.	As per bid evaluation report of Item No.02 Total bid documents sold Five (05) Nos. Total Bids Received (03) Nos. and PA has mentioned information of Five (05) Nos. bidders in Evaluation Qualification, Technical Minutes of the bid opening meeting and technical eligibility criteria, Clarification required.	As stated therein Five (05) Bids were sold and same number were received but, due to typographical mistake number of received bids, have been reflected as (03) Nos. instead of (05) Nos. However, information regarding (05) Nos. bids have been provided in minutes and evaluation Report. The actual information is that five (05) Nos. bids were sold and (05) Nos were received.
3.	PA has not furnished extension in bid validity period as original bid validity period has expired.	Extension in validity period was granted with consent of contractor for further ninety (90) Days which is enclosed herewith.
4.	P.A has adopted single stage two envelope method for infrastructure works No.04 & 05 instead of adopting single stage one envelope, Hence, PA has violated Rule-46 read with Rule-47(1)	The procurement belongs to technical nature work i.e repair / manufacturing of Pedestrian Bridges. Accordingly the method Single Stage Two Envelope has been adopted in order to achieve better result. The Bid Evaluation Report already uploaded on SPPRA Website Work Order issued, Contract Evaluation Form were sent to SPPRA.
5.	PA should have mentioned reason for rejection of 1 st and 2 nd lowest bidder in BER, As per PA's reply the 1 st & 2 nd Lowest bidder were rejected as their bids were more than 30% below the estimate. Which is PA's prerogative as per Para 11.3.4 of regulation.	1 st & 2 nd Lowest Bids were rejected as these were more than 30% below i.e. @48.92% and 50% below. The work has been awarded to the bidder who is 29.50% below. It is presumed that low cost can affect the quality of work. The Bid Evaluation Report already uploaded on SPPRA Website Work Order issued, Contract Evaluation Form were sent to SPPRA.

In the light of above narrated explanation / detail it is requested that Bid Evaluation Report in respect of Item No.02 may also be uploaded.
