Procurement Department.

Dear Mr.Zain

Reference to the Technical eligibility criteria shared for tender for Procurement of I.T Equipment for PDC tender no. SEF/ NP/17-18/04, via email on Friday the 4th of May 2018, where M/s. Galaxy techno was disqualified on the ground of not mentioning the provision of an Operating system in its technical proposal.

Please note that we would like to appeal against the said technical evaluation on the following ground:

a) M/s. Galaxy Techno has duly signed, stamped and submitted the RFP for tender no. SEF/NP/17-18/04 along with its proposal. Technical specification mentioned in the said RFP was only signed, stamped, which states and translates that M/s. Galaxy Techno agreed to supply the equipment as per the specification mentioned in given RFP.

b) The issued RFP for tender no. SEF/NP/17-18/04 also mentioned in clause 23 under the heading of Clarification of Bids, subclause 23.1 " During evaluation of the bids, the Procuring agency may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted".

As per the common industry practice and norm, such technical clarification, if needed, are asked during technical evaluation process rather than disqualifying a potentially low-cost bidder.

Therefore on the basis of above-mentioned points, it is requested the decision of our disqualification may get reconsidered.

Looking forward to your response

Regards

Muhammad Salman
