Percentage Rate Tender and Contract  
for works

General Rules and Directions for the Guidance of Contractors

1. All work proposed to be executed by contract shall be notified in a form of invitation to tender posted on a board hung up in the office of the Executive Engineer and signed by the Executive Engineer.

This form will state the work to be carried out, as well as the date for submitting and opening tenders, and the time allowed for carrying out the work; also the amount of earnest money to be deposited with the tender, and the amount of the percentage to be deposited by the successful tenderers. The percentage, a refund of quoted. Copies of schedule rates shall be signed by the Executive Engineer.

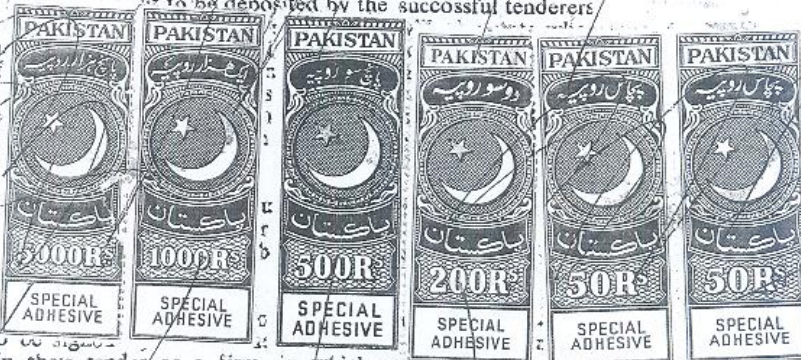

2. In the event of a partner, it shall be authorized.

3. Receipts: A firm, shall also be described in their tender as a firm, in which case the receipt shall be signed in the name of the firm by one of the partners, or by some other person having authority to give effectual receipts for the firm.

4. Any person who submits a tender shall fill up the usual printed form showing at what percentage above or below the rates specified in Schedule 'B' memorandum showing items of work to be carried out; he is willing to undertake the work. Only one rate of such percentages, on all the <sup>Estimated rates</sup>/<sub>Scheduled rates</sub> shall be framed. Tenders, which propose any alteration in the works specified in the said form of invitation to tender or in the time allowed for carrying out the work, or which contain any other conditions, will be liable to rejection. The printed form of tender shall include a tender for more than one work, but if contractors wish to tender for two or more works they shall submit a separate tender for each. Tenders shall have the name and number of the work to which they refer written outside the envelope.

5. The Executive Engineer or his duly authorised Assistant shall open tenders in the presence of contractors who have submitted tenders or their representatives who may be present at the time, and he will enter the amounts of the several tenders in a comparative statement in a suitable form. In the identification, sign copies of the specifications and other documents mentioned in Rule 1. In the event of a tender being rejected the Divisional Officer shall authorize the Treasury Officer concerned to refund the amount of the earnest money for deposited to the contractor making the tender, on his giving a receipt for the return of the money.

6. The Officer competent to dispose of the tenders shall have right of rejecting all or any of the tenders.

for works

General Rules and Directions for the Guidance of Contractors

1. All work proposed to be executed by contract shall be notified in a form of invitation to tender posted on a board hung up in the presence of the Executive Engineer and signed by the Executive Engineer.

This form will state the work to be executed, the amount of the tender, the percentage of the tender to be refunded, the copy of the schedule of rates shall be submitted, and shall be signed by the Executive Engineer.

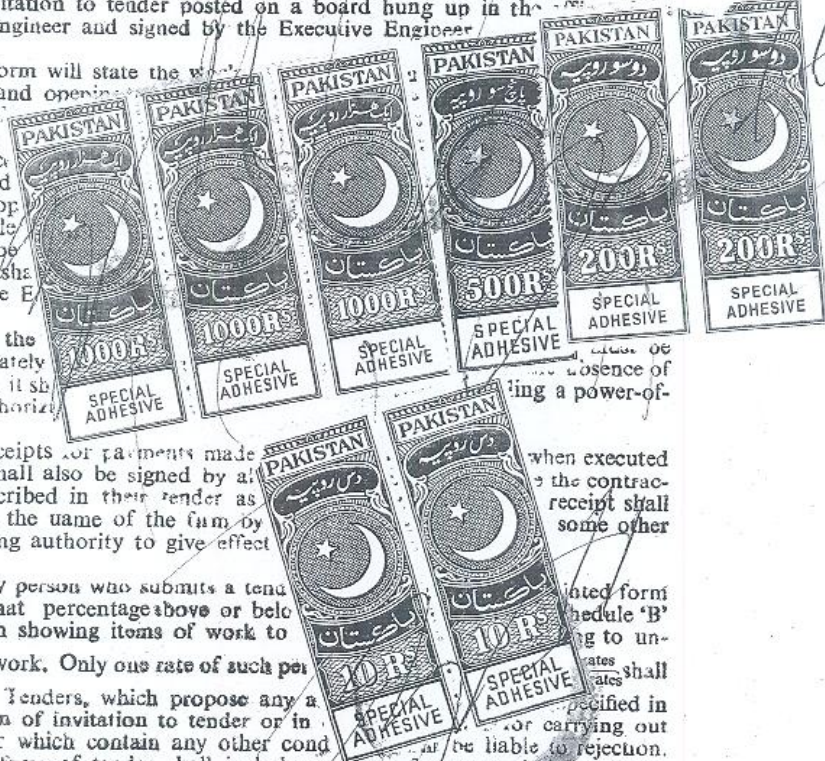

2. In the absence of a partner, it shall be authorized by the Executive Engineer.

3. Receipts for payments made to a firm, shall also be signed by a partner, if the firm is a partnership firm, as described in their tender as signed in the name of the firm by persons having authority to give effect to the tender.

4. Any person who submits a tender for work at what percentage above or below the rate of the schedule of rates shall be liable to rejection. Tenders, which propose any other condition, or which contain any other condition, shall be liable to rejection. If contractors wish to tender for two or more works they shall submit a separate tender for each. Tenders shall have the name and number of the work to which they refer written outside the envelope.

5. The Executive Engineer or his duly authorized Assistant shall open tenders in the presence of contractors who have submitted tenders or their representatives who may be present at the time, and he will enter the amounts of the several tenders in a comparative statement in a suitable form. In the event of a tender being rejected the Divisional Officer shall authorize the Treasury Officer concerned to refund the amount of the tender money for deposited to the contractor making the tender, on his giving receipt for the return of the money.

6. The Officer competent to dispose of the tenders shall have right of selecting all or any of the tenders.

Percentage Rate Tender and Contract for works

General Rules and Directions for the Guidance of Contractors

1. All work proposed to be executed by contract shall be notified in a form of invitation to tender posted on a board hung up in the office of the Executive Engineer and signed by the Executive Engineer.

This form will state the work to be carried out, as well as the date for submitting and opening tenders, and the time allowed for carrying out the work; also the amount of earnest money to be deposited with the tender, and the amount of the security deposit to be deposited by the contractor. The percentage, if any to be deducted from the amount of the security deposit, and a refund of 90% of the amount of the security deposit. Copies of this form shall be signed by the Executive Engineer and shall be signed by the Executive Engineer.

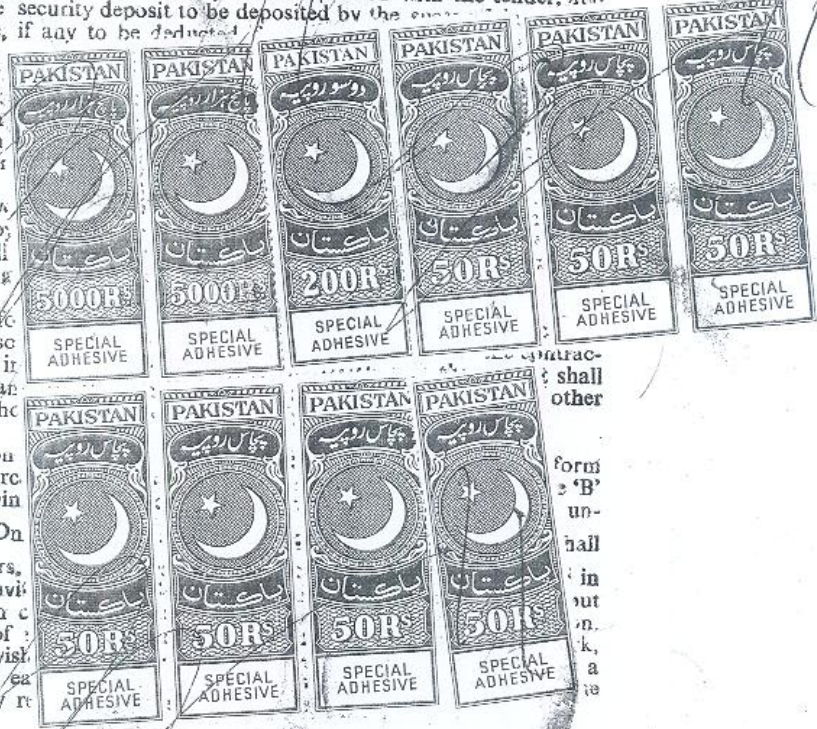

2. In the event of a contract being awarded separately by the contractor, it shall be authorized by the Executive Engineer.

3. Receipts for the amount of the security deposit shall be signed in the name of the contractor having authority.

4. Any person who is interested in taking the work, on the terms and conditions framed. Tenders, in the said form of invitation to tender, or which are printed form of invitation to tender, if contractors wish to submit separate tender for each item of work to which they refer.

5. The Executive Engineer or his duly authorised Assistant shall open tenders in the presence of contractors who have submitted tenders or their representatives who may be present at the time, and he will enter the amounts of the several tenders in a comparative statement in a suitable form. In the event of a tender being rejected the Divisional Officer shall authorize the Treasury Officer concerned to refund the amount of the earnest money for deposited to the contractor making the tender, on his giving a receipt for the return of the money.

6. The Officer competent to dispose of the tenders shall have right of rejecting all or any of the tenders.

Percentage Rate Tender and Contract  
for works

General Rules and Directions for the Guidance of Contractors

1. All work proposed to be executed by contract shall be notified in a form of invitation to tender posted on a board hung up in the office of the Executive Engineer and signed by the Executive Engineer.

This form will state the work to be carried out, as well as the date for submitting and opening tenders, and the time allowed for carrying out the work; also the amount of earnest money to be deposited with the tender, and the amount of the security deposit to be deposited by the successful tenderers and the percentage, if any to be deducted from bills. It will also state whether a refund of quarry fees, royalties, octroi dues and ground rents will be granted. Copies of the specifications, designs and drawings and estimated rates schedule rates and any other documents required in connection with the work shall be signed by the Executive Engineer for the purpose of identification, and shall also be open for inspection at the office of the Executive Engineer.

2. In the event signed separately by any partner, it shall be signed by an attorney authorizing him to do so.

firm, it must be if the absence of a power-of-attorney.

3. Receipts for work done by a firm, shall also be signed by the persons having authority to do so.

when executed under the contract the receipt shall be by some other person.

4. Any person who states at what percentage memorandum showing items of work to be carried out; he is willing to undertake the work. Only one rate of such percentage, on all the items shall be framed. Tenders, which propose any alteration in the works specified in the said form of invitation to tender or in the time allowed for carrying out the work, or which contain any other conditions, will be liable to rejection. No printed form of tender shall include a tender for more than one work, but if contractors wish to tender for two or more works they shall submit a separate tender for each. Tenders shall have the name and number of the work to which they refer written outside the envelope.

5. The Executive Engineer or his duly authorised Assistant shall open tenders in the presence of contractors who have submitted tenders or their representatives who may be present at the time, and he will enter the amounts of the several tenders in a comparative statement in a suitable form. In the identification, sign copies of the specifications and other documents mentioned in Rule 1. In the event of a tender being rejected the Divisional Officer shall authorize the Treasury Officer concerned to refund the amount of the earnest money for deposited to the contractor making the tender, on his giving a receipt for the return of the money.

6. The Officer competent to dispose of the tenders shall have right of rejecting all or any of the tenders.
