- i. Suggest changes (if any) in Terms of References (ToRs) of the subject consultancy services procurement.
- ii. Suggest changes (if any) in EOI advertisement and its evaluation criteria for the subject consultancy services procurement.
- iii. Method for selection of consultants for the subject consultancy services procurement.

In this regard, Mr. Saindad Tunio, Deputy Director, IT Data Center from School Education Department suggested that Phase-II details should be removed from subject TORs as it might be changed after Phase I evaluation report. The forum agreed with the suggestion.

Moreover, the forum after detailed discussion agreed that selection method for consultants should be Quality and Cost Based Selection Method. However, there was difference of opinion on the Quality and Cost weightages. The S.O. (Finance), Deputy Director (Planning) Education Department and Assistant Chief (Education), P&D Department were of view that 70:30 weightage ratio of Quality and Cost respectively should be adopted. However, the chair, Deputy Director IT Data Center from School Education Department and Sr. Director (MEC) suggested 80:20 weightage ratios for Quality and Cost respectively to ensure quality in Third Party Evaluation.

Later, after deliberation, following decisions were made by the forum:

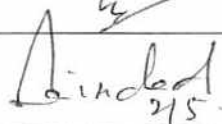

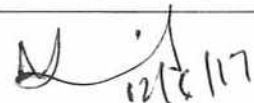

- i. Forum approved the draft Terms of Reference (ToRs) for subject consultancy service procurement after slight amendments.
- ii. Forum approved the draft Expression of Interest.
- iii. Forum approved Quality and Cost Selection Based Method with 80:20 weightage ratio of Quality and Cost respectively for subject consultancy service procurement.

The meeting ended with the thanks to and from the chair.

Subject: **COMMITTEE MEETING DATED: 02-05-2017 FOR THIRD PARTY EVALUATION OF "ICT ENABLED EDUCATION MANAGEMENT INFORMATION SYSTEM (EMIS) IN EDUCATION & LITERACY DEPARTMENT, GOVERNMENT OF SINDH".**

(List of participants at Annexure-A)

The Director General (MEC) welcomed all the participants and briefed the forum that both Education Section of P&D Department & School Education Department, due to a PDWP meeting decision during PC-I approval of subject scheme, have requested the Monitoring & Evaluation Cell (MEC) in P&D Deptt for Third Party Evaluation of first phase of an ADP scheme titled as **"ICT Enabled Education Management Information System (EMIS) in Education & Literacy Department Government of Sindh"**.

In this regard, the chair informed the forum that subject activity has already been delayed due to lengthy process time taken for approval of CM Summary for use of 1% TPM funds as subject Third Party Evaluation activity would be sponsored from those funds.

The chair further apprised the forum that as per Terms of Reference (ToRs) of the subject Committee that has been notified after the approval of the Chief Minister following agenda points shall be discussed & approved:

- i. The period for subject consultancy services procurement.
- ii. The cost of subject consultancy services procurement.

In this regard, Mr. Saindad Tunio, Deputy Director, IT Data Center from School Education Department suggested 02 months period for subject consultancy procurement due to urgency in execution of 2<sup>nd</sup> phase. Whereas, the chair advised the forum that keeping in view the nature of assignment and its expansion in 05 districts the 02 months time period would not be sufficient. So, it would be better idea that subject activity period is completed in 03 months. The forum agreed with the suggestion.

Moreover, Director (MEC) & Assistant Chief (Education) Section suggested 0.8 % of total cost as for subject consultancy assignment. However, the chair, the Deputy Director, IT Data Center from School Education Department and S.O. (Finance) keeping in view the nature of assignment suggested that instead of fixing the cost for subject activity it would be better that it remains open otherwise quality will be compromised. Therefore, it would be better that activity cost should be open.

The forum agreed with the suggestion.

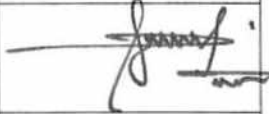

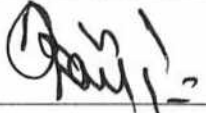

Later, after deliberation, following decisions were made by the forum:

- i. Period of subject consultancy service outsourcing shall be 03 months.
- ii. Cost of subject consultancy service outsourcing shall be open.

The meeting ended with the thanks to and from the chair.
