Tel no. 99201393, Ext: 361,451

Date: 20 – 09 - 2017

PURCHASE COMMITTEE REMARKS:

The purchase committee thoroughly review all the documents related to tender # 5E / 2017, include technical & financial comparative statement, technical letter submitted to Director Cath Labs .

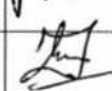

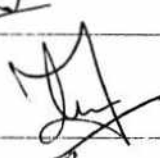

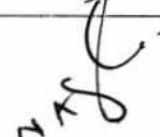

As per this tender advertised on dated 23rd and 24th July 2017, the quoted machine of GE having model IGS 320 is not installed anywhere in Pakistan. Also note that till to date no angiography machine of GE has been installed & operational in Sind province.

The only machine installed in LUMS of GE is not operational since the date of installation and procurement. This was purchased in 2005 and commissioned in 2006.

In addition to this IGS-320 is not as per some tender specification like 60fps, 14 bits acquisition data, bearing less liquid metal technology etc.

The purchase committee recommended purchasing second lowest quoted angiography machine i.e. of M/s Medequips. There is a high risk to purchase first lowest quoted machine of GE IGS - 320
