

OPERATING THEATRE LIGHT LED FOR THE PROJECT SHAHEED MOHTARMA BENAZIR BHUTTO ACCIDENT
EMERGENCY AND TRAUMA CENTRE AT CIVIL HOSPITAL KARACHI

Sale Manager M/s Med Elec Corporation & M/s representative of M/s Radiant Medical Pvt.Ltd. where they stated that:-
O.T Light of brand ConVida, quoted by M/s Sippex Hospital Supplies is not made in USA as well as does not meet the required technical specification of bid.

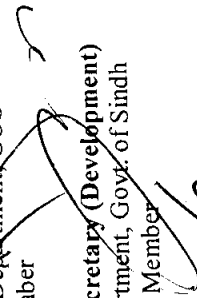

The committee asked to Prof.Junaid Ashraf to brief about Technical aspects of Operating Theatre Light LED. Prof. Junaid Ashraf and Prof. Munir Qureshi informed the forum that out of 5 bidders, 3 bidders were qualified technically but on the complaint, review meetings of technical evaluation were carried out on 30-01-2014 and 01-02-2014 and subsequently the matter of compatibility of OT Lights with Laminar Flow was discussed with M/s. Captive Aire, they will install Laminar Flow, they are of the opinion that there is no issue of compatibility with quoted OT lights. Hence the quoted O.T. light ConVida brand by M/s. Sippex Hospital Supplies is qualified technically.

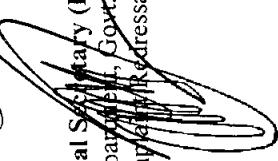

After hearing the complains of M/s Radiant Medical (Pvt) Ltd. & M/s Med-Elec Corporation, it was decided that M/s Sippex Hospital Supplies be asked to prove that, quoted O.T light is made in USA. Accordingly representative of M/s Sippex Hospital Supplies was called, they submitted the FDA registration, CE certificate, certificate of origin of ConVida Health Care System, further they stated that the department may take pre-shipment inspection of manufacturing site. M/s Sippex Hospital Supplies was asked to get authentication of submitted certificates of country of manufacture of O.T light from USA Embassy. The representative of M/s Sippex Hospital Supplies informed the forum that the process of authentication of certification will take 20-25 working days.

The Complaint Redressal Committee decided that if M/s. Sippex Hospital Supplies is unable to submit the required certificate of country origin duly authenticate by the U.S. Embassy within 20 days then the offer of ^{2nd} Lowest Vendor be accepted.

The offer for optional Modular camera system with medical grade monitor was GBP 25,300/- equivalent to Pak Rs: 4,492,440/= each on CIF basis and PKR. 4,320,500/= on DDP basis.

M/S Sippex Hospital Supplies offered the rate of USD 23,275 each equivalent to Pak. Rs: 2,526,357/= each on CIF basis and PKR 2,500,000 on DDP basis. The offer for optional HD camera Handle Module 3.27 mp with camera control unit was USD 17,300/- each equivalent to Pak. Rs: 1,877,808/= on CIF and PKR 1,862,000/= on DDP basis.

After opening of Financial Bids, M/S Radiant Medical (Pvt.) Ltd. requested for re-evaluation vide letter dated 16-12-2013 of this item (Copy enclosed). So a meeting was held in the office of Prof. Junaid Ashraf on 21-12-2013 and the technical bids of M/S Radiant Medical (Pvt.) Ltd. and M/S Sippex Hospital Supplies were re-evaluated thoroughly. As a result of that meeting Prof. Junaid Ashraf issued a letter to Project Director (Copy enclosed) for enquiring from M/S Radiant Medical (Pvt.) Ltd. to pin point deficiency in the Technical Bids of M/S Sippex Hospital Supplies. The letter was sent to M/S Radiant Medical (Pvt.) Ltd., who again represented vide letter No. 2812/13 dated 28-12-2013 (Copy enclosed). M/S Radiant Medical (Pvt.) Ltd. replied that letter and copy was sent to Medical Superintendent - Civil Hospital Karachi who forwarded that letter to Prof. (Dr.) Junaid Ashraf.

To have a second opinion on the matter a letter was written to M/S Naqvi & Siddiqui Associates (Consultants) vide No. PD/AEC&ASC/CHK/2013/2749 dated 08-01-2014 regarding compatibility of O.T - Light with Laminar Flow. They were of the opinion that **"No compatibility is required between Air Laminar and O.T - Light"**. So representation of M/S Radiant Medical (Pvt.) Ltd. was not accepted.

Subsequently this matter of compatibility was also discussed with M/S Captive Aire, who may install "Luminar Flow". They are also of the opinion that there is no issue of "Compatibility" (Copy enclosed).

The procurement Committee approved and accepted the offer of M/S Sippex Hospital Supplies at the rate of Rs. 2,526,357/- each on CIF basis.

Tender Enquiry No. : PD-Trauma Centre-CHK/011 (Rev) 2013-14

Item No. : 2

Name of Item : Blood Warmer with Accessories

Quantity Required : 09 Units

Estimated Price : Rs. 503,124/- each

Name of Firms	M/S Radiant Medical (Pvt.) Ltd.	M/S BIOS
Make	Barkey	Geratherm

Quantity Required : 10 Units

Estimated Price : Rs. 30,600/- each

Name of Firms	M/S Universal Enterprise	M/S Radiant Medical (Pvt.) Ltd.	M/S Ameer Din Instruments	M/S Standard Suppliers
Make	UZUMCU	Local	Heine	Penlon
Model	60435	iCare-004	LED fiberoptix	McCoy Laryngoscope Range

Handwritten signatures and initials are present at the bottom of the page, including "DD", "D. Malik", and "15 Page".

The offer of M/S Universal Enterprise, M/S Radiant Medical (Pvt.) Ltd. and M/S Standard Suppliers were not considered by the Procurement Committee as the offered models were not according to the required specifications as per tender requisite.

The offer of M/S Ameer Din Instruments meets all the required specification as per tender requisite. As approved by the Procurement Committee, the financial offer of the said firm was opened.

M/S Ameer Din Instruments offered the rates of PKR 99,500/- each on DDP basis while the rates on CIF basis were not quoted.

Due to the high prices of this imported item the Procurement Committee decided to procure the locally made laryngoscope-adult, which proves equally effective, on quotation basis, so procurement of this item was dropped for the moment.

Tender Enquiry No. : PD-Trauma Centre-CHK/011 (Rev) 2013-14
 Item No. : 25
 Name of Item : Operating Light Single Satellite ceiling mounted dimmer control
 80,000 lux with all accessories
 Quantity Required : 04 Units
 Estimated Price : Rs. 447,304/- each

Name of Firms	M/S Universal Enterprise	M/S Radiant Medical (Pvt.) Ltd.	M/S Biologic Medical System	M/S BIOTECH Pakistan (Pvt.) Ltd.	M/S Noor International
Make	Brandon Medical	Trumpf	Acam SpA	Mindras	Simeon Medical GmbH & Co. KG
Model	AMAX30	Trulight 1000	Star LED Evo3	LED LMP HyLED	Simeon LH Sim LED 4500

The offer of M/S BIOTECH Pakistan (Pvt.) Ltd. was not considered by the Procurement Committee as the offered model was not according to the required specifications as per tender requisite.

The offers of M/S Universal Enterprise, M/S Radiant Medical (Pvt.) Ltd., M/S Biologic Medical System and M/S Noor International meet all the required specification as per tender requisite. As approved by the Procurement Committee, the financial offers of said firms were opened.

M/S Universal Enterprises offered the rate of GBP 3,595/- each equivalent to Pak. Rs: 638,353/- each on CIF basis and PKR 614,300/- each on DDP basis.

M/S Radiant offered the rates for Euro 3,778/- each equivalent to Pak. Rs: 557,420/= each on CIF basis and PKR 644,482/= on DDP basis.

M/S Biologic Medical Systems offered the rates for Euro 3,235/- each equivalent to Pak. Rs: 447,304/- each on CIF basis while rates on the basis of DDP were not quoted.

M/S Noor International offered the rates for Euro 6,200/- each equivalent to Pak. Rs: 914,770/= each on CIF basis while rates on the basis of DDP were not quoted.

The procurement Committee approved and accepted the offer of M/S Biologic Medical Systems at the rate of Rs. 447,304/- on CIF basis.

Handwritten signatures and initials are present at the bottom of the page, including "DD", "S", "D", "S", "S", and "S".

Tender Enquiry No. : PD-Trauma Centre-CHK/011 (Rev) 2013-14

Item No. : 26

Name of Item : Vascular Mini Doppler

Quantity : 01 Unit

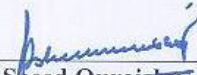

Estimated Price : Rs. 848,000/- each

Name of Firms	M/S Standard Suppliers
Make	Huntleight
Model	Dopplex Ability

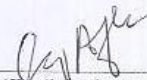

The offer of M/S Standard Suppliers meets all the required specification as per tender requisite. As approved by the Procurement Committee, the financial offer of the said firm was opened.

M/S Standard Suppliers offered the rates of PKR 848,000/-each on DDP basis while rates on the basis of CIF were not quoted.

The procurement Committee approved and accepted the offer of M/S Standard Suppliers at the rate of Rs. 848,000/- each on DDP basis.

Sub: REQUEST FOR THE RE-EVALUATION OF MAIN OT LED LIGHT BID

Respected Sir,

With the reference of recent Tender of Civil Hospital Karachi Trauma Center, we would like to inform you that we participated in this tender by name of Radiant Medical (Pvt) Ltd. and we would like to put your attention on item No.01 (Main OT LED Light) we quoted this item according to the tender generic specification, mentioned clearly in tender form but unfortunately, one company name, CIPEX or SIPEX quoted (CONVIDA Brand) which technical specification does not meet or even unmatchable with the tender published specification and kindly take action how it is technically qualify and reached the financial bid opening.

So, we hereby request you to please look in to this issue, seriously. Therefore, you are requested that please re-evaluate its Bid on Technical basis.

We are looking for your immediate response on this issue and we will be very grateful to you in this regard.

SUBJECT: REQUEST FOR THE RE-EVALUATION OF MAIN OT – LIGHT BID

This is with reference to your above letter and the objection raised by M/S Radiant Medical (Pvt.) Ltd. regarding the OT Light of M/S SIPPEX (Modular CONVIDA LED OT Light Double Dome System X-70). The specification provided by M/S Sippex and two others are more or less similar, apart from minor differences. M/S Radiant Medical (Pvt.) Ltd should be asked to specify exactly as to what technical specifications is CONVIDA light deficient in.

Ref. Your Tender Bid at Shahheed Mohatarma Benazir Bhutto Accident, Emergency &
Trauma Center and Ancillary Services Complex.

Our offer for ConVida Brand VIDA LED Surgical Lighting System

Dear Sir/ Madam,

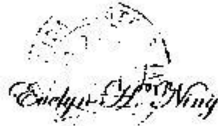

With reference to the above, please find below our point wise reply to the technical queries:

1. A modular OT light which should deliver optimal lighting quality with highest degree adaptability and energy efficient LED light:
 - Our lights are modular designed with various avabile configurations. The lighting performance will help shadow-less surgical operation.

2. Be compatible with laminar flow system:
 - Our lighthouse is compact with obstructed surfaces of 4800 cm² which is as small as most LED brands biggest lighthouse in the market. Therefore, our O.T. lamp will not give much impact of the laminar flow.

Hope above clarifies. Please feel free to revert in case any further clarification is required.

Sincerely yours,

ConVida Healthcare & Systems
Evelyn H. Ning
Sales/Marketing Director

VIDA X Series

• Cool and high-efficiency LEDs mean less heat on surgeon.

LED Advantages

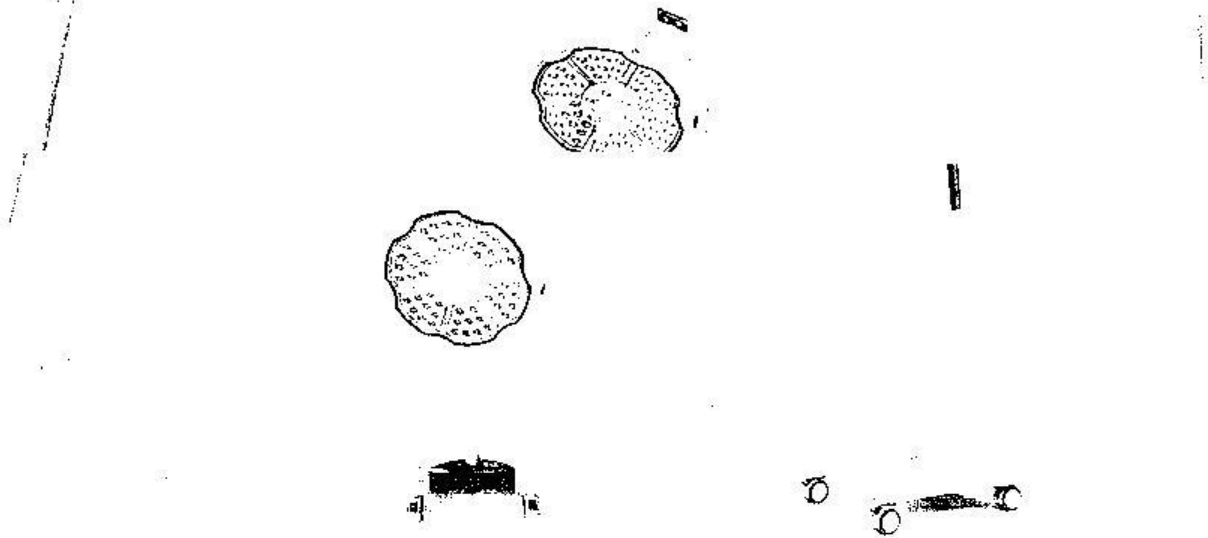

- Long lifetime with 5-year warranty on LEDs.
- Pure white light at 4200 Kelvins.
- High-intensity output at maximum 160,000 lux.

Camera-Ready Lighthead and Suspension

- The lighting system is pre-wired for an optional plug-and play VIDA HD camera.
- Advanced design in suspension supports HD video transmission while allowing 360° rotation on all key joints.

Mobile Unit - VIDA X50/R

AMBIENT LIGHTING

- GUIDED lighting provides low level white illumination and can be configured through lighting control.

BACKLIGHT BATTERY INDICATOR

- The level of remaining power is clearly visible on the backlight battery indicator.

Features

LED Advantages

- Cool and high-efficiency LEDs mean less heat on surgeon.
- Long lifetime with 5-year warranty on LEDs.
- Pure white light at 4200 Kelvins.
- High-intensity output at maximum 160,000 lux.

Illumination and Long Depth

- Focus is adjustable through 157 cm beneath the lighthead.
- Reduced shadow gives optimal illumination in a deep cavity.
- Light intensity adjustable from 10%~100%.

Two Ambient Lights

- Green ambient light (ENDO mode) sheds low-level green light.
- White ambient light (GUIDE mode) illuminates those LEDs at the center of the lighthead.

Controls from Lighthead and Wall

- Intensity is controlled through slider bar or touch keypad.
- Synchronization of all lighting functions by activating SYNC button

Camera-Ready Lighthead and Suspension

- The lighting system is pre-wired for an optional plug-and-play VIDA HD camera.
- Advanced design in suspension supports HD video transmission while allowing 360° rotation on all key joints.

REPRESENTATION

SUB:- TENDER FOR SUPPLYING, INSTALLATION, TESTING, COMMISSIONING & MAINTENANCE OF MEDICAL EQUIPMENT AT SHAHEED MOHTARMA BENAZIR BHUTTO ACCIDENT, EMERGENCY & TRAUMA CENTER AND ANCILLARY SERVICES COMPLEX AT CIVIL HOSPITAL KARACHI OPENED ON 08.10.2013. CONTRACT NO. PD- TRAUMA CENTRE- CHK/011 (REV)

REF :- ITEM NO. 07 HIGH FREQUENCY INVERTER TYPE C-ARM

Dear Sir,

With reference to subject cited tender enquiry, this is to bring to your kind notice that we have quoted Toshiba C-Arm Image Intensifier Model "Surginix SXT-2000 against Item # 07.

Please note that Financial bid was opened for the above tender on Friday 13th December, 2013 and surprisingly only one vendor's financial bid was opened which is M/s. Shirazi Trading who have quoted GE Health Care C-Arm System. The other vendors including our company i.e. MEDEQUIPS SMC who have quoted Toshiba's C-Arm have been rejected straightway. When we asked for the reason, we were told that the end user has recommended only GE Health Care for Purchase. Moreover, also please note that the prices of GE's system were not even disclosed to us although we insisted for that, as this is a requirement under SPPRA.

Sir, please note that the tender is based on SPPRA rules and according to the rules, technical evaluations are done prior to opening of the financial bid. Those bidders who qualify technically, are selected and then the financial bids of all those are opened whose technical specifications meet the tender specifications. The lowest bidder is then awarded the contract.

CONTD ON PAGE NO.2

Please get comments from Prof. F. Ahmad
Muhammad
20/12/2013
PD

BRANCHES AT: LAHORE RAWALPINDI PESHAWAR ABOOATABAD QUETTA D.I.KHAN

PAGE NO.2

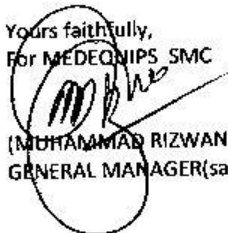

In this respect, please note that, if you go through the tender specifications, Toshiba's C-Arm System Model "Surginix" fulfills the technical specifications by 100%. (Please find attached technical specifications published in the tender and our compliance sheet). There is not even a minor deviation with respect to Technical Specifications published in the tender enquiry. Under these circumstances, rejecting the bid shows one sided decision and undue favour to one vendor. The reason given to all the bidders including us was that the user has only selected one vendor for purchase which is against SPPRA rules which directs that maximum competition should be ensured.

Please note that we have been dealing with Toshiba Medical Systems Corporation for last 30 years and we have got our major installations of C-Arms in almost all major Government and Private Institutions like N.I.C.V.D, Abbasi Shaheed Hospital, Ziauddin Hospital, Liaquat National Hospital, AKUH, K.V. Site Hospital, SRS Hospital, MMI, CMH Hospitals etc. Please note Toshiba is a world renowned manufacturer having manufacturing facilities all over the world, and our systems meet the highest level of quality.

In the light of above mentioned facts, it is requested that fair and transparent purchase procurement procedure may please be ensured in order to keep the sanctity of the tender. We would also like to request you that these blatant manipulations and one sided decision may please be investigated and our bid should also be opened as we have quoted the system 100% as per tender specifications to ensure healthy competition as per SPPRA rules and you may consider that the bids may be reviewed by an independent outside consultant to ensure transparency.

Thanking you in anticipation,

Yours faithfully,
For MEDEQUIPS SMC

This is with reference to your above letter and the objection raised by M/S Mediquips SMC regarding the High Frequency Inverter Type C-Arm Image Intensifier. The specification provided by M/s Mediquips SMC regarding the C-Arm do not mention:

- A. Dicom CD Burns facility, nor the out put to PACS. These are essential as the data provided by the C-Arm has to be recorded / archived both for academic as well as medico-legal purposes.
- B. It does not mention any image storage facility which is necessary for review during long operative procedures.
- C. The frame rate of 1-30 per second which is an essential requirement is not offered / specified in the specification.
- D. No laser marking device has been mentioned in the specification. This is also necessary for precise alignment and to prevent unnecessary exposure to radiation. All these have been mentioned and provided by M/S Shirazi Trading.

Moreover the other specifications of the selected make in comparison to the one quoted by M/S Mediquips SMC are also superior.

1. In addition to these the out put of the generator of Toshiba is 12.5kW and that of GE Healthcare is 15kW.
2. The C-Arm rotation of Toshiba is 225 deg. whereas that of GE Healthcare 360 deg.

SUB:- TENDER FOR SUPPLYING, INSTALLATION, TESTING, COMMISSIONING & MAINTENANCE OF MEDICAL EQUIPMENT AT SHAHEED MOHTARMA BENAZIR BHUTTO ACCIDENT, EMERGENCY & TRAUMA CENTER AND ANCILLARY SERVICES COMPLEX AT CIVIL HOSPITAL KARACHI OPEN ON 08.10.2013. CONTRACT NO. PD- TRAUMA CENTRE- CHK/011 (REV)

REF :- ITEM NO. 07 HIGH FREQUENCY INVERTER TYPE C-ARM

Dear Sir,

With reference to letter dated 26.12.2013 received from the Project Director Civil Hospital, Karachi in response to our representation Ref no ME/SMC/830/2013 dated 16.12.2013, please note that Toshiba C-Arm system "Surginix" fulfills all the tender specifications by 100%. In this regard here are the replies to objections raised by Prof.Dr. Junaid Ashraf- Head of Department of Neurosurgery, Dow university of Health Sciences Karachi.

A: Dicom CD/DVD Burns facility is mentioned in our brochure page no. 2, so you can easily record / archive data for all your purposes i.e educational as well as medico legal purpose. More over, PACS connectivity (Dicom 3.0)along with CD-Burn with complete patient management etc is also mentioned in our technical data sheet page no. 3 (photocopy attached) and these are always being provided as standard.

Get comments from lead-arch
1/11/2014
ifc PD

BRANCHES AT: LAHORE RAWALPINDI PESHAWAR ABOOATABAD QUETTA D.I.KHAN

Our Toshiba C-Arm has got large hard disk storage and upto 35000 images or more can be saved in the hard disk. Please see page no.3 of our technical data sheet (copy attached)

C: Frame rate is 1 to 30 frames/sec being our standard parameter. Please see page no. 3 of our technical data sheet.(copy attached)

D: Laser Marking Devise is mentioned in our aforesaid quotation as well as in the brochure Page No. 2 and the data sheet page no. 1 and 2.

Please note that all the parameters mentioned in A, B, C and D above are provided as standard.

Moreover, the specifications mentioned in the tender documents ask for 12 kw Generator instead of 15 Kw and 225 degrees C-arm rotation instead of 360 degree rotation. Toshiba's quoted C-Arm is having 12.5 Kw generator which is superior than the spec mentioned in the tender enquiry. Also Toshiba's C-Arm rotation is +225 and -225 degress which cover 360 degree rotation completely. Tender only asks for 225 degrees and Toshiba again meet tender specs in this case as well. Please see our quotation and technical data page no.3.(copy attached)

In view of the above, it is quiet obvious that we have quoted Toshiba C-Arm which compiles 100 % tender spec by 100 % including Generator rating and C-Arm rotation and it is state of the art C-Arm installed world wide by Toshiba. We also submitted the compliance sheet earlier to Civil Hospital Karachi during purchase committee meeting and these points were categorically mentioned in that sheet as well.

In the light of above mentioned facts, it is thus requested that our C-arm may also be considered and our financial bid may also be opened to ensure healthy competition in the best interest of the hospital.

Thanking you anticipation.

Yours faithfully,

FOR MEDEQUIPS SMC

This is with reference to the letter of M/S Mediquips SMC regarding the High Frequency Inverter Type C-Arm Image Intensifier.

- A. The specification provided by M/s Mequips SMC in their technical proposal regarding the C-Arm do not mention Dicom CD Burns facility, nor the out put to PACS. Although they have submitted that this is mentioned in the brochure, we can only consider whatever is mentioned in the technical proposal. Moreover, the brochure submitted with the technical proposal consists only four pages whereas the one submitted with this letter of objection consist of ten pages.
- B. The technical proposal again does not mention the image storage capacity nor does the four pages brochure submitted with technical proposal. This is only mentioned in the ten pages data sheet submitted with the objection letter.
- C. Again the frame rate of 1-30 per second is not mentioned either in the technical proposal nor in the four pages brochure submitted with technical proposal.

The technical proposal mentions standard configuration only and the standard configuration does not include the required data storage capacity.

It may emphasized again that the technical committee is bound to consider only whatever has been mentioned in the technical proposal on the letter head of the company and not what is mentioned in the brochure as often many features mentioned in the brochure are not offered in the standard configuration but are mentioned as optional features.
