SAARC CCI demands end to atrocities

From Our Correspondent

LAHORE: SAARC Chamber of Commerce and Industry Vice President Itikhar Ali Malik called on the international community to act sharply against recent atrocities perpetrated against the Rohingya innocent and unarmed Muslim community in Myanmar.

Talking to the media here on Thursday, he condemned the series of crimes, assaults and massacres committed against the Muslim Rohingya minority in the Rakhine region of Myanmar which resulted in the killing and displacement of thousands of innocent Muslims in the region.

He said these crimes against the Rohingya Muslims were brutal and

acts of terrorism aimed at depriving of their lives for no reason.

He said the Myanmar government must take full responsibility for these heinous crimes and that the international community must shoulder its humanitarian and moral responsibilities in safeguarding rights of minorities and freedom of religion and belief worldwide.

He called for joining international efforts to put an end to sufferings and plight of Rohingya minority and to work for maintaining peace and security in the region through the immediate cessation of all violence and bloodshed.

He urged the Muslim leadership to raise the issue in the United Nations General Assembly later this month.
