The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the order to commence work is given to the contractor. The work shall throughout the stipulated period of the contractor be proceeded with all due diligence (time being deemed to be of the essence of the contract) on the part of the contractor and the contractor shall pay as compensation an amount equal to one per cent., or such smaller amount as the Superintending Engineer (whose decision in writing shall be final) may decide, on the amount of the estimated cost of the whole work as shown by the tender for every day that the work remains un-commenced, or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work, the contractor shall be bound, in all cases in which the time allowed for any work exceeds one month to complete one-fourth of the whole of the work before one-fourth of the whole time allowed under the contract has elapsed; one half of the work, before one-half of such time as elapsed and three-fourth of the work before three-fourths of such time has elapsed. In the event of the contractor failing to comply with this condition he shall be liable to pay as compensations an amount equal to one per cent, or such smaller amount as the Superintending Engineer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the due quantity of work remains incomplete. Provided always that the entire amount of compensation to be paid under the provisions of this clause shall not exceed ten percent, on the estimated cost of the work as shown in the tender.

IN WITNESS WHEREOF the parties here to have hereunto set their respective hands and seals and ears first above writing.

The work shall throughout the stipulated period of the contractor be proceeded with all due diligence (time being deemed to be of the essence of the contract) on the part of the contractor and the contractor shall pay as compensation an amount equal to one per cent., or such smaller amount as the Superintending Engineer (whose decision in writing shall be final) may decide, on the amount of the estimated cost of the whole work as shown by the tender for every day that the work remains un-commenced, or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work, the contractor shall be bound, in all cases in which the time allowed for any work exceeds one month to complete one-fourth of the whole of the work before one-fourth of the whole time allowed under the contract has elapsed; one half of the work, before one-half of such time as elapsed and three-fourth of the work before three-fourths of such time has elapsed. In the event of the contractor failing to comply with this condition he shall be liable to pay as compensations an amount equal to one per cent, or such smaller amount as the Superintending Engineer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the due quantity of work remains incomplete. Provided always that the entire amount of compensation to be paid under the provisions of this clause shall not exceed ten percent, on the estimated cost of the work as shown in the tender.

IN WITNESS WHEREOF the parties here to have hereunto set their respective hands and seals and ears first above writing.
