Recommendations of the Technical Committee for Finalizing Equipments from Tender No. ICCBS-300511

After carefully studying the tendered items and their specifications, the following items were recommended by the committee:

A- GS-MS/MS System (one unit):

Four bidders participated in the tender and quoted price for GC-MS/MS system. Among the four, M/s Kamstech International (Rs. ~~2,50,84480~~ ^{2,19,62,680/- M/s H.A. Shah}), M/s H.A Shah (Rs. 1,82,43180) M/s Orion International (Rs. 2,25,32000), and M/s AMS (Rs. 1,95,34,250) H.A. Shah was found to be the lowest. However, all the four suppliers were requested to confirm itemize availability of the instrument parts and terms and conditions. All four suppliers complied with the required Specs of GC-MS-MS. The committee recommended M/s H.A. Shah (i.e. lowest bidder) for the purchasing of GC-MS-MS system subject to the fulfillment following terms and conditions:

- 1- Installation will be carried out by the Factory Engineer from the origin (not Factory trained Engineer)
- 2- Should provide list of standard spares/ consumable with the instrument as standard package and the complete list of required spares of two years for continuous operation.
- 3- Special educational discount for the Center.

The lowest bidder had confirmed the installation by Factory Engineer, submitted the list of spares/ consumables and offered spares/ consumables for two years operation (cost US\$ 5056) as special educational discount, (letter attached). The committee recommends purchasing of GC-MS/MS system from M/s H.A. Shah at a cost of US\$ 212130 = Rs. 1, 82, 43180.

Approved
