BISP budget increased to Rs 121 billion this year

The commendable Benazir Debit Cards are being converted to payments through BVS (Biometric Verification System) and 43 districts have been converted to BVS till date. Currently 37% of the beneficiaries are receiving payments through BVS, 60% through Benazir Debit Card (BDC) and 3% through Pakistan Post. During last quarterly payment, 1.9 million beneficiaries withdrew their stipend through BVS. BISP under its Waseela-e-Taleem (WeT) initiative has successfully enrolled 1.7 million children to schools across Pakistan and Rs 4.69 billion have been disbursed to the mothers of enrolled children on 70% attendance compliance. It is a remarkable achievement as in 2013 only 23000 children were enrolled in schools and there was nil disbursement under Waseela-e-Taleem. For social mobilization BISP has constituted 55000 BBCs aimed at educating beneficiaries regarding BISP, WeT, immunization, nutrition, cash withdrawal and women empowerment. — RT/Agency
