SUBJECT: NIT NO: DUHS/P&D/2017/9056, DATED: 23-11-2017, SR # 33932 ³⁵⁵¹⁴

Dear Sir,

With reference to your letter No: AD(ASMT)/SPPRA35514/16-17/5004, Dated: 18-01-2018 & Letter No: AD(A)/SPPRA/35514/DUHS)2016-17/2137, Dated: 19-12-2017 on the subject noted above.

S. NO:	OBSERVATION	REPLY
i).	Bidder's Qualification Report is not attached. Same is required.	Copy of Qualification Report is attached.
ii).	Date of opening schedule in NIT / Bidding Documents as 28-12-2017 whereas standard format of BER envisaged date of opening as 05-08-2017.	Date of opening schedule in NIT / Bidding documents is 28-12-2017. The date mentioned in standard format of BER should be considered as typographical error. Inconvenience is regretted.
iii).	Copies of NIT published in atleast 3 leading newspapers of English, Urdu & Sindhi languages in term of Rule-17(1A) &(2) of SPP Rules 2010 (Amended 2017).	Copies of Newspaper attached.
iv).	Bids are invited for procurement of "Works, Services & Goods" from a single bidder for which "Turnkey" type contract (as defined in clause 5.2(ii) of SPPRA Regulation for Works) is an appropriate method and bidding documents required to be prepared accordingly which are consistent of PWD Specification.	Since major portion of NIT relates to Work therefore documents were prepared accordingly. However some portion of documents was used for PWD specification due lack of capacity, for which assurance is committed for future compliance.
v).	An amount in rupees of turnover in lieu of financial capability is not mentioned in eligibility criteria.	It is as per Pakistan Engineering Council (PEC) category.
vi).	Condition at Serial Number (q) of bidding document is not in line with SPP rules because discretion for distribution of works at any stage is not allowed under these rules. A record of Bid opening, identifying all bids received and the bid prices and bid bond amount opened at the Public opening of bid is prepared as per **Appendix 2.**

3B. BID PRICES

The announced bid prices as recorded in the bid opening may not be final for bid evaluation. Therefore, the bid prices are set in tabulated form with more details such as the price components for different items/sections scheduled for the bid apart from the total bid price. The bids are examined for arithmetical errors and the difference between the unit prices and the total are corrected in the unit price ruling. The tabulated information summarized and appended as **Appendix 3.**

4B. SUBSTANTIVE RESPONSIVENESS

Bids are examined for this purpose keeping in view the responsiveness to technical, financial and other important requirement of the conditions of contract. If some or any of the bids are not responsive to the requirement to an extent that they are entirely unacceptable, it is rejected.

The bids can be rejected on following grounds:

1. Failure to satisfy eligibility requirements.
2. Failure to submit bid bond.
3. Failure to bid for the required scope of work.
4. Conditional Bids.

A table for substantive responsiveness is shown in **Appendix 4.**

The table lists all major conditions which the bidder must meet. The relevant substance of each and every bid received and checked against this list and its conformance or partial conformance or non-conformance to each item are noted in the table. Bids which fail to conform to any of the major conditions are normally considered as non-responsive and be rejected.

5B. SALIENT FEATURES OF THE BID

The substantially responsive bids are further scrutinized more systematically in order to remove any anomaly and to establish comparison on common basis.
