The Financial Bid of the only qualified firm (responsive bid) i.e M/S Changyi Kangjie Sanitation Engineering Company Ltd., was opened by the Procurement Committee-I on 4th January 2016 in presence of the representative of the bidder and the Transparency International.

The rates quoted by bidders were read aloud and encircled by Chairman of the Procurement Committee. All the members of the procurement committee signed each and every relevant page of financial proposal / bids. The bids do not contain any over-writing or cutting. Following are the details of the bids announced / Rates offered by the bidder as per the Financial Bid:

NIT-15

FRONT END COLLECTION AND DISPOSAL OF MUNICIPAL SOLID WASTE FOR DMC (EAST) KARACHI
(Single Stage - Two Envelope Procedure)

Work S.#	Name of Company	Annual Solid Waste estimate	Quoted rates (US\$)	Per Ton Cost (US\$)	Received 1% Bid Security
NIT-15	M/S Changyi Kangjie Sanitation Engineering Company Ltd.	322,357 (Tons)	9,650,723.87 US\$	29.938	150,000 US\$

The Procurement Committee examined the bid in terms of Rule 48 of the Sindh Public Procurement Rules 2010 (Amended 2013) and observed that although the Bid was advertised in 3 (three) National and one International Newspapers, and also hoisted on the website of SSWMB as well as SPPRA, as required under the rules, even then only two bids were received.

Out of the two received bids, only one was declared non-responsive / un-qualified by the Technical sub-committee as it did not get minimum score required under the qualification / eligibility criteria. As a result only one bidder, who succeeded in obtaining minimum score required under the qualification / eligibility criteria, was declared responsive / qualified by the Technical sub-committee.

The Procurement Committee also evaluated and compared the rates in terms of Rule 48 of the Sindh Public Procurement Rules 2010 (Amended 2013) and noted that the offered rates were low as compared to the prevailing rates for similar contracts in Lahore, and with the estimated international rates proposed by the World Bank in its Aide-Memoire July 2015. Following table shows comparative rates at a glance:
